Moved by Mr. Nunn and Seconded by Mr. A. Bolton, That instead of electing a Porter for the Fever Hospital the Board consider it more expedient to appoint an Assistant Nurse, as occasion may require,

Ordered the master to ascertain if there be an Inmate of this House, suited for the situation, and who is approved of by the Doctor.—

In pursuance of notice given for the Board to re-consider the resolutions, in favor of the Master and the Fever Hospital Nurse, as requested by the Commissioners in their Letter of the 1st Inst,

It was moved by Wm. Nunn and Seconded by Wm. A. Bolton, that the grounds put forward by the Commissioners for calling on the Guardians to require the master to resign, are not in the opinion of this Board when fairly examined of so grave a nature as to justify such an extreme measure of punishment,

The Commissioners have in their Letter of the 1st of April 1864, particularly referred the Board to two circumstances as sufficient to induce them to concur with them, Viz 1st the Master's not having provided extra covering for Eliza Cahill when he met her at Charlotte's grove on her way to the Fever Hospital, and 2ndly his not having made particular inquiries about her state when he afterwards visited the Fever Hospital on the evening of the same day. With reference to the first charge, the Board desire to draw the attention of the Commissioners to the fact that Charlotte's grove is more than one 4th of the distance from the Workhouse to the Hospital, so that the Master must have either stopped the Patient there on the Open road while proceeding to the Workhouse and back, with the extra covering, or he must have brought her back on the

The cases of provisional relief, and applications for relief, were considered and decided on, as set forth in the Application and Report Books.

The number of provisional admissions to the Workhouse confirmed was - - 10

Ditto, disallowed - - - - - - - -

The number of applicants admitted to the Workhouse was - - - 20

The number of cases of provisional Out-door relief was - - - -

Do. do., in which relief was continued by the Guardians - - -

The number of other applicants in the Relieving Officer's Books relieved by order of the Guardians was - - - - - - -

The number of applicants for whom relief was not ordered - - -

The Bonds and other securities in force were laid before the Guardians by the Clerk, together with his Report thereon as follows: (this on the second Meeting after the Annual Election in every year.)

car over a very exposed road to the Workhouse for the extra covering, and thence sent her to the Hospital, thus involving great exposure and considerable delay. So that at the utmost the Board the submit his fault (if any) in this particular was a mere error in judgement in preferring to permit the Patient to proceed at once to the Hospital rather than subject her to undergo additional exposure and delay.

With regard to the 2nd change of the Board to which the Commissioners have drawn the attention, we beg to remind the Commissioners that Eliza Cahill was sent to the Hospital as a mere ordinary Fever Patient by the Medical Officer pro tem. who does not appear to have considered her case as particularly urgent, though he owned best judge of it, and whose duty it plainly was at whatever inconvenience or at whatever hour of the day or night to have given her Medical attendance if from her state when he admitted her he deemed she required it, and we consider it would be unfair if that Officer neglected so plain a duty to visit it, on the Master by dismissal, while a passing censure is only applied to the Medical Officer. We therefore are of opinion that in this instance also, the Masters error was one of judgement in assuming that the Medical Officer would perform his duty, and entertaining these views the Board trust the Commissioners will not insist on our calling upon the Master for his resignation.

Moved as an Amendment by Mr. Foley and Seconded by Mr. Peter Roe that the Board call upon the Master to resign, as requested by the Poor Law Commissioners,

On a division the following 4 voted for the Amendment Viz. Messrs. John Doyle, Dunne, Peter Roe and Foley, — and against it 17 Viz. General Owen, Messrs Binnions, A. Bolton, Borbidge, Bryan, Burkitt, Butler, Byrne (Hilton Cottage) Cranwill, Thomas Doyle, Kavanagh, Morris, Nunn, O'Shaughnessy, Symes, Webster and Wybrants, ——— Mr Vesey declining to vote and Mr Brownrigg was not present when the poll was taken.

The Amendment was lost and the Original motion carried. ———

Moved by Wm. Nunn and Seconded by Wm. A. Bolton. That the Board adhere to its resolution of the 19th of March 1864, with reference to Mary Anne Curran the Fever Hospital Nurse, and consider that the error she committed with reference to Eliza Cahill was not of so Serious a Character as to warrant this Board in calling for her resignation, —

Moved as an Amendment by Wm. Dunne and Seconded by Wm. Foley that the Nurse be called upon to resign.

On a division the following 4 voted for the amendment Viz. Messrs John Doyle. Dunne, Foley and Peter Roe. ——— and against it. 16 Viz Binions, A. Bolton, Bowbidge, Bryan, Burkitt. Butler. Byrne. (Hilton Cottage) Cranwill, Thomas Doyle, Kavanagh. Morris. Nunn, O'Shaughnacy. Symes. Webster and Wybrants, = Wm. Veasy declining to vote, —

The Amendment was lost and the Original motion carried.

The Clerk was directed to summon the Labor Committee to consider what description of a Spring Van they wd recommend for conveying patients to the Workhouse Infirmary and Fever Hospital

also to see what repairs are necessary to be executed on the Workhouse buildings

The following Letters from the Poor Law Commissioners and others were read by the Clerk, and directions given to answer them respectively, to the following effect, (or Orders made on them respectively, as follows:)

Commissioners Letters No. 7333/64. 15th April 1864. Having had before them a Minute of the Board of Guardians of this Union, on the 2nd Instant, on the subject of furnishing the Register Office at the Workhouse, and in reference thereto the Commissioners desire to state that they regret the course pursued by the Guardians in this respect as their omission to furnish the Office will probably entail some inconvenience on the Superintendent Registrar and possibly in a less degree on the public,

The Commissioners think that the view which the Guardians have taken of the limits of their responsibility in regard to providing a Register Office is erroneous.- They will forward the correspondence to the Registrar General,

No. 7866/1864. 15th April 1864. Having had under consideration the resolution contained in Minutes of Proceedings of the Board of Guardians of Gorey Union on the 9th Instant, setting forth the grounds on which the Guardians are of opinion that the conduct of the Master of the Workhouse and the Fever Hospital Nurses in reference to the case of the late Eliza Cahill, do not require their resignation of their respective Offices, and expressing a hope that the Commissioners will not insist on the Guardians calling for the resignation of the Master,

24

In reference thereto the Commissioners desire to state that, in compliance with the request of the Guardians, they will not object to the continuance in Office of the Master of the Workhouse, and the Fever Hospital Nurse,

And stating that they quite concur with the Guardians in their resolution, censuring the neglect of the Temporary Medical Officer, whose conduct in the case would have been dwelt on more severely by the Commissioners in their previous communication to the Guardians, had he been the Medical Officer of the Workhouse instead of acting temporarily as was the case during the illness of that Officer,

Letter from Laurence W. Corcoran Esq. (Solicitor.) as follows,

Enniscorthy
13th April 1864,

Guardians V Walton,

Dear Sir,

The master. - Wm. Miller - and J. Patchell attended in Ross on Saturday last, and were examined, the Deft. was decreed in full. Thomas Evans also attended. ths. Commissioners Letters No. 13751/1864. 15th July 1864, Stating in reference to the inquiries of the Board of Guardians on the 9th Inst, respecting Catherine Molloy and her child, that the Law recognizes no other parent than the mother, and unless the child requires Medical or Surgical aid in Hospital which the Guardians under the provisions of the 3rd Section of the Act 25 & 26 Vic: Cap: 83. are specially empowered to provide, it would be opposed to the Spirit of the Irish Poor Relief Acts, that the parent should be relieved in the manner in question of her legal obligations to provide for her child under 15 years of age, and that the question of the Childs destitution is one for the consideration of the Board of Guardians, who must determine it according to the facts before them, directing in the event of the childs admission to the Workhouse, such legal proceedings against the mother as may appear to be necessary.

The Guardians can proceed against the putative father from time to time for recovery of the cost incurred in the future maintenance of the child, if relieved by them.

And that the Civil Bill in cases of the putative father having no Substance, and the amount under £10. is declared by the 3rd Sect. of the Act 26 Vic:

Moved as an Amendment by Mr. Nunn, and Seconded by Mr. O'Shaughnessy that a very full Board having on the 16th of January last on the motion of the Vice Chairman Robert S Doyne Esqr unanimously negatived the proposition of changing the present Fever Hospital, and advertising for tenders for building an Hospital on the Workhouse grounds, and inasmuch as the present Fever Hospital has been practically found amply sufficient for the requirements of this Union, This Board declines imposing on the Ratepayers the cost of erecting another Hospital, and desires to draw the attention of the Commissioners to the circumstance that they (the Commissioners) were evidently in ignorance of the above resolution of the Board and that the proposition had been so negatived when they wrote their letter to the Board of the 22nd of January last advising that as the expenditure was likely to exceed £400, it would be necessary to obtain the assent in writing of a majority of the Board, and that therefore such written assent which has been conveyed through the Country and Signatures obtained to it of parties who never took any interest or part in the transactions of this Board many of whom never even entered its Walls is contrary alike to the letter and spirit of the Poor Law Acts and is also illegal and worthless, as being founded on the assumption that a proposition requiring the expenditure of money by the Board had been duly carried, which on the contrary had been unanimously negatived,

On Poll being taken the following 5 voted for the Amendment Viz. Messrs Thomas Doyle, Dunne, Nunn, O'Shaughnessy, and Pierce Rowe, — and 23 against it Viz The Earl of Courtown, Messrs Binnions, Brownrigg, Butler, Byrne, (Hilton) Cranwill, Dowse, Doyne, Esmonde, Foley, George, Magan, Morris, O'Grady, Pinnions, Richards, Peter Roe, Scott, Symes, Warren, Webster, White, & Wybrants,

— Mr. Borbidge declining to vote,

The Amendment was lost and the Original motion carried,

Sir,

I have been informed that on last Saturday it was stated at the Board of Guardians that I have been absent from the Dispensary on days for attendance there, also that I refused to attend some one on a visiting ticket, the latter statement I most respectfully beg to say is an error.

By reference to "the Medical Officer's Report Book," kept at the Dispensary it will be found I have been engaged in some Midwifery or other Urgent case on the occasions complained of.

I beg to mention when I have been obliged to remain in attendance on a patient, during Dispensary hours, I have invariably sent a message to the Dispensary notifying to that effect, or if circumstances permitted called myself.

Medical Charities Continued,

Report of the Gorey Dispensary Committee,

Pt. Octr 1864,

An extraordinary meeting of the Committee of Management held this day

Present Messrs Wybrants, Butler, Dunne, & Binnions,

Dr. Weldon's letter of the 22nd Sept 1864 which was referred to the Gorey Dispensary Committee by the Board of Guardians at their meeting on the 24th Septr. 1864, was read this day,

Mr. Dunne stated that the 15. of August 1864 is the day on which he has to complain of two men in the Division of Ballynestragh being neglected by the Medical Officer. on reference thereto we have referred to the Medical Officer's Report on said 15 August. and find therein the following entry, "August 15th Attending a case of Midwifery in Craan, and did not attend at the Dispensary until 12 O'Clock" The Dispensary was open until 2. O'Clock for patients.

Dr. Weldon attended at 12 O'Clock on said 15th August. and remained until 2 O'Clock,

We consider there was not the slightest foundation for the charge of neglect against Dr. Weldon on the contrary we consider he has been most attentive and kind to all patients under his care and Mr. Dunne states he would not have brought the charge forward if he had seen the entry of the Medical Officer on the 15th August 1864,
