That having heard with regret that the Local Government Board have suggested that the old Rop disp^y Boundary might be altered. We request the Board of Guardians will inform the L. G. Board that we are strongly opposed to any such change. Our district has been worked for over 34 years to the fullest satisfaction of the sick poor and Rate payers by our Medical officer Dr Boyd and we wish to retain his services for our sick poor who value him so highly for his skill prompt attention and courteous manners to them. We have not the slightest doubt that if the Templepatrick disp^y Committee can secure Dr Boyds services for their district, that he will attend to the wants of both dispensaries with efficiency and satisfaction to all parties concerned Dr Boyds industry & attention to his Medical duties are the admiration of every one.

days legally appointed and advertised

The following is the opinion of the Boards Solicitor relative to L. Freeman's withdrawl of his proposal to paint the workhouse

I have read over the papers in relation to the painting of the workhouse and it appears to me, that as the guardians accepted Mr Laurence Freemans proposal and that such acceptance was Communicated to him before he withdrew his proposal (if he ever did withdraw it) that both parties are now bound and the Contract is Complete

It is open to either party at any time before an offer is accepted to withdraw from it. in fact in these cases a Contract is perfect until both parties are mutually bound to each other

I recommend an Notice to be served on Mr Freeman Calling upon him to Carry out the Contract or that the Guardians woned have the work done at his expense.

The audited Abstracts of the union accounts for the half year ended 25th March 1874 were laid before the Board and signed.
