Mr. Jas. Murphy stated that this was not carried out, as it was not a revolving Cowl that had been placed on Chimney. He understood that the present arrangement was not giving satisfaction.
On the Baker being sent for he stated that the Pipe placed on the Chimney was not large enough and that if a large Pipe was placed on it, the Chimney would draw alright.

Order. "Master to have Baker's suggestion carried out."

"The Goods that have been delivered are in the Boardroom for inspection."

Order. "Satisfactory with the exception of Linen & Serge which are to be returned."

RE EGG CONTRACT.

The Clerk reported having received a complaint from the Egg Contractor, which he had brought before the Finance Committee, they had investigated the matter and drawn up a report, he produced all the correspondence as follows:-

Letter from Contractor Dated 4th. June, 1913.

"I beg to call the attention of the Board to the following facts with reference to my contract for the supply of Eggs in Union. On Monday evening I received a Private Order from the master, which I enclose for 70 Dozen Eggs. I sent up the full supply of Eggs on the following evening (Tuesday), when my Messenger was informed by the Workhouse Porter that he had instructions from the master to take no eggs from me. My Messenger then brought back the eggs. On yesterday morning I received enclosed letter from the Master telling me he had bought 50 Dozen at my expense and to supply him with the remainder, which I did at once.
I think this is a rather high-handed action on the Master's part and I would ask you to investigate at your Meeting, the legality of it. Your Clerk will be able to inform you that I am not bound to supply any goods except on the authority of a Board's Order signed by the Chairman. Considering the very short time that elapsed between the receipt of the Private Order and the purchasing of the Eggs from another Trader, it is apparent that Mr. Power has some illfeeling towards me as Contractor for Eggs, and under those circumstance I would ask the Guardians to carefully consider the whole matter and to be good enough in future to receive the Eggs on Thursdays or any day they may think suitable. If the Board wish I will send up my Manager to give any further information the Board may require."

Copy of Private Order referred to:-

"Please supply for the use of the Workhouse the following:-

70 Doz Eggs

For which I will send you a Board's Order.

Signed. W.E.Power, Master.

Copy of Master's Letter referred to:-

"I only purchased 50 dozen Eggs to-day 45 doz at 1/- and 5 doz at 1/1.

Please send the balance to-morrow 20 Doz, as it is painful on my part to

have to do this."

Letter from Contractor dated 12th. June, 1913.

"Following my letter of last week. On June 2nd. I received an order from the Workhouse Master for 70 doz Eggs. Under circumstances which the Board are already aware, 50 doz Eggs were returned by the Master's Orders. These being perishable goods and not having got sale for them, the Eggs had to be thrown out as they had gone bad. I must now request the Board to compensate me for the loss of the Eggs at the rate of Contract Price 11½d. per dozen. This is a just and equitable demand as the Master had no authority from your Board to buy the Eggs, an action which was wholly unwarrantable and prejudicial to my interests as a Contractor to the Workhouse. The Previous week, 26th. May. 35 Doz Eggs were bought under similar circumstances, these I am content to be at a loss of. Since my last letter to the Board the following fact has come to my knowledge namely that Mr. Connolly instructed the Master to notify me that he was about to purchase Eggs on Tuesday 3rd. June at my expense. Neither the Master nor any of his Messengers told me on that date that he was going to purchase Eggs which I can prove to your Board if necessary. Having carefully considered the matter and on the advice of my Solicitor. I am reluctantly obliged to ask the Board of Guardians to be good enough to relieve me of a Contract which has been made almost impossible for me to carry out to the satisfaction of your Board and which has apparently been the cause of illfeeling between your Master and myself. I now ask your Board to accept 60 Days notice of the termination of my Contract for the supply of Eggs to the Workhouse from this date."

Messrs:- J. Lynch, T. O'Connor, L. Harte, & J. Murphy, Members of the Finance Committee wrote as follows, 5th. June, 1913:-

"On Saturday May 24th. according to Provision Check Book in the custody of the Master, there appears to have been in Stock 615 Eggs. During the week ending the 31st. May this Books shows that 840 Eggs additional were received and that the number consumed during the week was 846. As a consequence the number of Eggs on hands on Saturday night must have been 609. According to the same book the number of Eggs consumed up to Tuesday night of this week was 300 leaving a balance on hands on that Evening of 309 Eggs. Notwithstanding this balance the Master on Monday the 2nd.Instant issued a Private Order to the Contractor, Mrs Sinnott, for 840 Eggs. This

Copyright: Wexford County Archive

order seems to have been executed (as per Mrs. Sinnott's Letter) on the evening of June 3rd. On the arrival of the Eggs at the Workhouse, the Porter, according to Mrs. Sinnott's letter, stated that he had directions from the Master to refuse taking the Eggs. On the 3rd. Instant, the Master seems to have written to Mrs. Sinnott telling her that he had purchased 50 Dozen of Eggs at her expense and requesting her to send the balance, 20 dozen on the 4th. Instant (Wednesday). Under the circumstances, the Finance Committee consider the Master's action in this matter unjustifiabl and requires the serious consideration of the Board.

After writing the foregoing report the Committee thought it desirable to inspect the Stock of Eggs on hands at this date. The following is the result:- As has been already shown the number of Eggs on hands on Tuesday night should have been 309. Since then there has been received 840 Eggs. And of these the number consumed up to to-day was 219. The balance then should have been 309 plus 840 less 219 i.e. 930 or 77½ doz. The Number of Eggs actually found by the Committee in Stock on this day was 46½ dozen leaving 31 dozen unaccounted for. We regard this state of affairs as being very serious."

The Clerk stated that on examining the Master's Books since, he found that Mr. Power had made a mistake in bringing forward the number of Eggs and that he should be credited would 90 Eggs more, This would leave a difficiency of 23½ dozen.

On the motion of Mr. James Murphy Seconded by Mr. J. Pingston it was unanimously decided to fully consider this matter on next Thursday and that the Medical Officer and Head Nurse be called upon to attend the Meeting to explain the keeping of the Medical Weekly Return."

FINANCE COMMITTEE'S REPORT.

Messrs:- Harte, Lynch, Murphy & O'Connor reported as follows:- "In future before having repairs executed, the Master should ascertain the cost of new articles of the class; and also invite competition from all eligible persons in the locality before accepting any particular offer for the required work."

Order. "Report adopted."

RE ABSTRACTS.

L. No. 68/4/1913. Dated. 2nd. June, 1913.

Pointing out that they have not yet received Abstracts for March half-year and requesting to have then furnished without further delay.

The Clerk reported that he had his portion ready, but that the Master had not finished his as yet."

The Master stated he would have his ready by Saturday.

RE MASTER'S REPORT.

Cream per Centage.

Cosgrave 10. Ryan 9 4/7.

The Master deported as follows:-

"The Goods and Provisions that have been delivered are in the Boardroom for inspection."

Order. "Satisfactory."

RE EGG QUESTION.

The Master wrote as follows:-

"With reference to Finance Committee's Report re Egg supply referred to me on Thursday last for an explanation. I beg to state I have investigated the matter fully and find that on the 12th. April, I only received credit on Medical Weekly Return for one Day's Supply of Eggs, although on that date, two days supply were sent to Hospital. Again on the 14th. April I only received credit for 37 Eggs although the balance of 44 required were sent up the next day, also on the 8th. May whilst I was engaged with the Plumber, the Matron sent 154 Eggs or two day's supply to Hospital and of which no entry appears in Medical Weekly Return. To sum up

On 12th. April....81 Eggs were not credited

14th. April....44 do.

8th. May.....154 do.

This would be 23 doz and 3 Eggs and as the alleged deficiency was 23 doz and 6, the real deficiency would be only three Eggs."

The Clerk stated that on receipt of foregoing letter he had communicated with the Head Nurse and had received the following reply:-

"I beg to say that all the Eggs received from the Store are entered regularly in the Medical Weekly Return,as you will see by it, the Medical Weekly Return is checked every day by the Master and every week by the Clerk."

The Clerk stated that he had also received a Statement from the woman in

harge of the Dairy named Alice Hendrick as follows:-

"I have been in charge of the Dairy since Mr. Power's Appointment as laster. It is part of my duty to count out the Eggs for the different parts f the House. I remember a complaint made by the Medical Officer in March ast to the effect that the Hospital Patients had not been receiving the ecessary number of Eggs, but since that date I am positive that all the ggs required for Hospital were sent up. On some occasions it happened that here were no Eggs in Stock, but whenever that occurred a double quantity ould be sent up the next day, or a treble quantity if they were not eceived until following day."

Mr. Kelly (L.G& Board Inspector) stated that it was now a question as to whether the Master or Nurse was right.

The Master stated that he sent up a double quantity on the 26th. April as the Eggs were short on the previous day, but he had received no credit for them.

In reply to a query, the Master stated that when there were no Eggs in Stock on any particular day, he sent a double quantity up on the following day.

Mr. Kelly observed that such a thing was irregular, as the Medical Officer might recommend an egg as being required for a patient, but would not recommend two.

Eventually it was decided on the motion of Mr. D. Lennon seconded by Mr. James Murphy "That a Committee be appointed to investigate the matter and find out who was responsible for the Missing Eggs and that the responsible person make good the loss sustained."

A Committee consisting of Messrs:- D. Lennon, R. Rackard & T. Cleary with the Clerk were appointed to investigate the matter.

The Committee, having gone into the matter, reported as follows:-

"We beg to report having investigated the Egg question and find that although it was stated ~~that~~ the Eggs had been sent from Dairy to Hospital, we satisfied ourselves they were never received in Hospital. As the Master, who is the responsible Officer, has undertaken to make good the defficiency, we recommend that his offer be accepted."

"We would recommend the Board to instruct the Medical Officer to have his Medical Weekly Return written up in the morning in future and that he fill in the extra Diets himself."

"Whilst in the Hospital we inspected and tested a Sample of Whiskey delivered by Contractor, we found same to be 22.4 U.P. whilst the Contract is for 20 U.P. We took a sample of same, which we would recommend the Board to send to Power's for their report as to whether it is their Five Year Old Whiskey."

Mr. D. Lennon Proposed "That the Committee's report be adopted."
Mr. T. Cleary Seconded.
Passed Unanimously.

RE OUTDOOR RELIEF.

The Board went through Mr. Whelan's List and struck off a number of cases, whilst in other cases the amount of Outddor Relief was reduced. The following cases were postponed for further investigation:-
No. 19. Bridget Doyle, Duffry Gate. This case was alleged to have been put on in place of a woman named Mary Dunbar.
The Relieving Officer's Books showed Mary Dunbar as being in receipt of Relief at the rate of 2/- per week from 1st. April 1912 to 30th. Septr. 1912, whereas the woman died in the Workhouse Hospital on the 25th. July. Mr. J. Murphy P.L.G. raised a question as to whether there was any such woman on Duffry Gate.
No. 28. Kate Kinsella, Drumgold. Question as to who she is.
No. 47. Thomas Ryan, Edwards Lane. Mr. J. Murphy stated that although this man was shown on Books as being in receipt of 2/6 all through, he told him in the presence of Messrs:- Cleary & Pingston that he never received 2/6 until a few weeks ago and that until then he was only receivin 1/6. Messrs:- Cleary and Pingston corroborated Mr. Murphy's Statement. It was decided to have this case further investigated.
No. 62. Samuel Wilkinson, Irish Street, question as to means.
No. 67. Mary Quinn, Ross Road, question as to who she is.
No. 81. Patrick Walsh, Irish St. Mr. Murphy stated that in this case there was a woman named M.A.Skelton who had been shown on the books whilst she was in Hospital and that the Relieving Officer's explanation had been to the effect that he had given the Relief to Walsh that was intended for Skelton.

Mr. Whelan Relieving Officer stated that some time ago he had met with a serious accident and that whilst laid up, the woman had gone into the

Copyright. Wexford County Archive

Hospital, whilst the period for which Walsh was under Relief had expired, he gave the Relief shown against Skelton to Walsh, but had forgotten to get an order made authorising the Change.
Mr. Kelly, L.G.Inspector pointed out that in that case, he had given Relief to Walsh without any authority, which would be a matter for the consideration of the Auditor.

No. 97. John Murphy, New Street. Mr. J. Murphy stated that this man had been shown as receiving Relief up to 27th. February last, whereas the man had received no Relief. He stated that there was something strange about the case, as John Murphy's Sister had come to him and asked him to say nothing about it. The case was postponed for further investigation.

No. 105. Mary Burke, Irish St. Mr. James Murphy stated that in this case the Relief was left at Mr. T. Hayes SHop, the latter refused to give the Money and she had to take Goods instead and sell them elsewhere under their value.

No. 112. Mary Quinn, Duffry Gate. Who she is.
Nos. 117 & 120. These two cases were shown as being John Byrne of Clonroche. In the applicafion and Report Book, one of them appeared to have been originally Thomas Byrne of Irish Street. Asked for an explanation, the Relieving Officer stated that No. 117 was on the Books at 2/6 per week and No. 117 at 3/6. The Case No. 117 was in Hospital and when he was coming out, the Guardians for the Division concerned had asked to get him increased to 3/6. At the same time Thomas Byrne came into Hospital, so instead of getting an order made, he (Mr. Whelan) had changed the named and had struck off No. 117.

144. Mary Quigley, Springvalley. Information required as to whom she is.

180. Eliza Kavanagh, Killanne. Further information required.

181. Johanna Flynn, Aughnaclappa. Mr. J. Murphy stated that in this case the woman was not at first receiving what was charged against her. Mr. Whelan stated in this case that the woman came into her and he gave her 5/- before the Guardians Meeting. At the Meeting she was allowed 7/- per week. So on the following Thursday, Mr. M. Dunne, a Guardian for the Division came to him to bring the Relief to Mrs. Flynn and he gave him

9/- which was the balance of £/- of the previuas week and 7/- for the week then due.

RE ABSTRACTS.

Arising out of the reading of the Minutes, Mr. Kelly, L.G. Inspector asked whether the Abstracts had yet been forwarded.
In reply the Clerk stated that they had not, as the Master had not his portion ready yet.
The Master promised to have his against that evening (Thursday).

Abstracts were not ready at time of sending Minutes.

Transmitting for the consideration of the Guardians, the accompanying extract from the Medical Officers Return, Form L, relating to the Oulart Dispensary District for the half-year ended the 31st. March last, together with a copy of a communicafion from the Medical Officer, on the subject of the employment of the Midwife upon ticket ~~xxxxx~~ in confinement cases, by the poor of the District.

Copy of Extract.

"The services of the Midwife are not requisitioned by some of the poor of the District."

Copy of Letter

"In reply to your letter No. 25,171:1913. Enniscorthy Union of the 19th. Instant, the only reason I can assign for the fact that all the poor in the District do not avail of the services of the midwife is that the poor, like other people, have their likes and dislikes, and some of them choose to call on other assisfance in preference to that of the District Midwife. In some parts of the District there are also handy women whom the poor prefer to call on in comsequence of their proximity rather than go a long distance for the Midwife."

Order. "The Guardians have no observations to make."

RE NUN'S APARTMENTS.

L. No. 32441/1913. Dated. 25th. June, 1913.

Adverting to Minutes on the 12th. Instant and requesting that the Plans etc of the works, in connection with additions to the Nuns Apartments at the Workhouse, for the preparation of which the Architect claims remuneration, may be forwarded to this Department and the Board informed whether the Guardians propose to carry out the works.

Order. "Plans forwarded with Minutes. Matter of carrying out the works has been allowed to drop for the present."

RE SEPARATE REGISTER.

L. No. 74/M/Miscellaneous. Dated. 25th. June, 1913.

Cancelling Circular Letter of the 18th. August, 1862, relative to the mode of ascertaining the amount to be charged to persons claiming to repay the cost of their maintenance and giving instructions as to how this matter should be dealt with in future.

Order. "L.G. Board's directions to be carried out."

RE EGGS CONTRACT.

Mrs. Mary Sinnott wrote as follows:- "Would you please let me know what the Board intend doing in connection with the 50 dozen Eggs refused by the Master and which were a loss to me owing to the Eggs having gone unfit for human use."

Order. "Referred to Master for an explanation."

RE WHISKEY CONTRACT.

The Clerk reported having carried out the Board's Instructions of last week re above and that he had received the following replies:-

Messrs:- Power & Sons wrote as follows:- "We have yours of 21st. Instant advising us of having forwarded a sample of Whiskey, and asking our opinion of it.We have examined it. It does not appear to be our Whiskey. Can there be any mistake about the sample? Mr. Mathew Ryan got our 5 Years old Whiskey from us about a month ago."

Copyright: Wexford County Archive

Mr. Mathew Ryan, Contractor, wrote as follows:- "It appears from the Proceedings of your Board on June 19th. that a Committee tested a sample of Whiskey supposed to be delivered by me as Contractor and that they found same to be 22.4 U.P. While my contract is for 20U.P. and they took a sample of same, part of which they sent to me. Now I beg to state that having examined this sample, I am positive that it is not part of the Whiskey I have supplied to the Union and further my long experience of the trade enables me to say in a most emphatic manner that it is not Power's Whiskey. I was supposed to get an order weekly for two gallons of whiskey and I beg to point out that the last order I received was on the 2nd. June for two gallons, which I supplied in a two gallon jar, having drawn it from a cask of Whiskey supplied to me direct by Messrs;- Power & Son Ltd. Dublin, on the 19th. May, 1913 and at my request the Distillers reduced this whiskey to the desired strength that is 20 U.P. As I intended to use this cask of Whiskey solely for the Workhouse Contract, my contention therefore, is that the Whiskey I supplied was not the Whiskey that was sampled by Committee. On yesterday, 19th. Instant as per order from the Union, I supplied more Whiskey and I would ask your Committee to take a sample of this or from the cask at my premises that has been supplidd by Powers for the purpose of this Contract and compare that with the sample in question taken by your Committee and they will find a vast difference. Further in the interests of all concerned I would suggest that the Whiskey would be sampled on delivery and thus prevent any similar occurrence in future."

The Clerk reported that on receipt of above letters he had communicated with the Head Nurse, as to the samples and had received the following reply from her:-

"I received the enclosed communication from Mr. Connolly, the Clerk, I beg to say that the Whiskey given to the Committee on Thursday last, was the Whiskey received from the Master, perceiving that the cork had been drawn, I sent for the Master and asked him if he opened the Jar, he said 'yes' and had it tested before sending it to the Infirmary."

In reply to a query the Master stated that when he tested the Whiskey ~~xxxx~~ he found it 22 U.P., but he did not report this to the Board as

Copyright: Wexford County Archive

he considered that when the Whiskey was changed from one Jar to another it would deteriorate to that extent.

The Board came to the conclusion that as there was no person with the Master ~~xxxy~~ when he tested the Whiskey, it would not be wise to take any Proceedings in the matter, so the following order was made:-

"That the Whiskey be tested in future in the Boardroom in the presence of the Members of the Board and Mr. Ryan's Representative."

RE OUTDOOR RELIEF.

The Clerk reported that the amount expended in Outdoor Relief for the past week had been £33 : 11 : 0 as against £41 : 5 : 0 last year or a decrease of £7 : 14 : 0.

Mr. James Murphy raised a question relative to a woman named Bridget Brien of St. John Street, who was shown as being on relief from the 30th. May to the 13th. June, although the woman had been in Hospital during that time.

Mr. Whelan, Relieving Officer admitted this was so and stated he had not discovered it until that morning when Mrs. Dwyer, who broughtthe Relief to this woman had informed him of the matter.

Order. "Mr. Whelan to lodge amount to credit of Guardians."

The following applicants for Relief, who had been struck of at last Meeting were again placed on Books:-

Bridget Doyle, Old Roche; Kitty Murphy, New Street; Stephen White, Duffry St., Kate Kinsella, Drumgold; Kate Fortune, Drumgold and Thomas Quigley, Clone.

The following applications were refused:-

Mr. J. N. Scallan, Solicitor, wrote as follows:- "I am instructed by Mr. Patrick Morris of John Street here, who is in receipt of the Old Age Pension, to bring under your notice the following circumstances with a view of requesting your Board to refund to him the amount charged him for maintenance &c while a patient in the Enniscorthy Infirmary. I am instructed that Patrick Morris had been suffering from a certain ailment and that after remaining outside as long as he possibly could was compelled to go into the Infirmary for treatment, and when he did so he was approached by the Master and his Pension Book demanded from him which was then refused, the object of the patient being to give the few shillings he was in receipt of weekly to his wife to enable her to keep the little home during his illness and treatment in Hospital, so that when he would recover he could have some shelter or some place to go after coming out of the Infirmary. After some days the Master again approached him and demanded his Pension Book which Morris was reluctant to give up at that time also for the reasons already stated. Eventually he gave up the Pension Book to the Master on being threatened by him that unless he would do so he would have the Pension taken from him and when the Pension Book was given up the Master stopped 3/6 a week from Morris while in the Infirmary amounting in all to £3 : 6 : 6 with the result that his wife who was outside with her family had nothing to maintain her, the little house had to be given up, the effects sold, and she had from want of knowing better to seek the shelter of the Workhouse. If she or her husband had of/ known better, the former would have applied for Outdoor Relief, the former would have applied for Outdoor Relief which she would have been entitled to during her husband's illness in the Infirmary."

"I am further instructed to bring under your notice that owing to want of room in the hospital or Infirmary Morris was sent down to the House but retained on the Doctor's Books until he was able to go out, and during this time the Master (Mr. Power) accused him of making a home in the Workhouse for himself, his wife and children, which was not the case and very humiliating and which my client positively denied, as Morris never knew what it was previously to seek treatment in the Enniscorthy Infirmary or elsewhere, and was a hardworking industrious man and lived by his labour without relief during the last forty years and over; and as an instance of his anxiety to go out after being thus accused by the Master he asked him

Copyright: Wexford County Archive

to allow him to go out for three days until he would see if he could procure a House in the town to bring out his wife and children, which the Master refused to do, and Morris asked the Master if he procure a Requisition signed by one, two, or three Guardians would he be good enough to do so and which even in the face of this re still refused to do. Surely this is nothing short of harsh treatment. My client instructs me to apply to you for refund of the sum of £3 : 6 : 6 payment made to the Master for his Maintenance while in the Infirmary on 19th. March, 28th. March, 10th. May and 3rd. June, for which our Client has the Master's receipts, to enable him to try and get a House for his wife and family to live in outside the Workhouse."

In reply to a query the Clerk stated that before drawing an Old Age Pension, the Master should be authorised by the the Pensioner to do so; He should them hand the Money drawn over to the Pensioner and it was for the latter then to voluntarily pay for his maintenance if he throught fit.

The Master stated that he never threatened Morris, he drew the man's Pension, but handed it over to him, Morris then handed him back the cost of his maintenance. As well he had a document in his Office which Morris signed before leaving stating that he had no claim upon either the Guardians or the Master.

Mr. O' Dempsey, Solicitor stated that in view of what the Master had said, he considered the Guardians had acted legally and that Morris had no claim against them.

Order. "Mr. Scallan to be informed that the Master repudiates the statements made in his letter."

RE MEDICAL WEEKLY RETURN.

Dr. N. Furlong, Medical Officer, wrote as follows:- "Please inform the Board that every entry on my Book is made by myself in my own handwriting The name of the Patient, the number of the Diet, the extras, any change in Diet or extras, the stopping of any extras and the final fischarge of any patient. As to the carrying forward of the diets and extras, this is merely clerical work and is done by one of the Sisters. This has never been done here, nor so far as I know anywhere else by the Doctor. There

are usually from 100 to 120 patients on the book and there are 13 Columns of Diets and Extras and this would entail from 500 to 1000 extras each day and take me from an hour to an hour and a half to do it. It would be preposterous to ask a professional man to loose his time at this sort of work and I can assure the Board it has always been faithfully done by the Sisters and my orders have never been changed except in a few recent cases by the Master, however I have given him a warning and I do not think it will be repeated."

In reply to a query the Clerk stated that the form shown in the Public Boxiexxfxxxx Union Accounts Order stated that the first portion(that was the name of the Patient and Number of Diet) should be filled in by the Head Nurse and that the remainder (that was the extra Diets) should be filled daily by the Medical Officer.

The Master stated that with reference to the remarks made by the Doctor as to the changing of the Diets, it was causing him (the Master) a great deal of trouble. For instance if he had his books made up on Wednesday night, the Doctor would enter somebody on his books for Tuesday's diet, which would upset the books altogether.

Mr. James Murphy drew attention to the fact that the Doctor was not so punctual in his attendance as he should be, as on some occasions he was not here until evening, whereas according to the Regulations he should be here before Twelve o'Clock.

Order. "That the Medical Officer's Attention be called to the provisions of the Union Accounts Order and that he be requested to attend to same, also that he attend here within the prescribed time every day."

Order. "That the times of attendance of all Officers be read out for the Board on Meeting days in future."

RE EGG CONTRACT.

Referring to claim of Mrs. Sinnott, Contractor for Eggs alleged to have gone bad, owing to Master refusing to accept them, Mr. Power, Master, wrote as follows:- "With reference to Mrs. Sinnott's Account for 50 Doz Eggs. I can proved that she never sent these Eggs to the Union."

Order."Matter left between Mrs. Sinnott and Master."

RE ABSENCE OF TAILOR.

Mr. T. Moore, Tailor, wrote as follows:-"In reply to your request asking me for an explanation of my absence from work on the 23rd and 24th. Inst. I beg to inform you that I had two days left over from my Annual Holiday leave. As I only take them in half-days and an odd day occasionally, as it suits me and if I was wrong in my calculations, it was wholly unintentional as I know according to the Rules of the Institution, I could not absent myself from work without leave from your Board. Hoping this explanation will satisfy you and thanking you for all past favours."

Order. "Explanation accepted. Tailor to give Master notice in writing in future on the day previous to going on leave."

RE LEAVE OF ABSENCE.

Mr. William Bolger, Porter, wrote as follows:- "I beg to apply for the usual month's holidays."

Order. "Leave granted. James Bareham to do duty at 10/- per week."

RE WORKHOUSE CHAPEL ALTAR.

Sr. M. Conception wrote as follows:- "As we have provided a new Altar for the Workhouse Chapel free of expense to the Board. Would you be pleased that I should give the old one to some poor Priest by his paying Package and Carriage for same."

Altar Chapel

Order. "Request granted."

RE WORK FOR INMATES.

An inmate named Edward Bolger wrote as follows:- "I will guarantee to keep all the baskets in the House in repair and make new ones if required. I am now eighteen months in the House and partially blind. I cannot see my way to go out in the world any more to make baskets. If the Board supply me with rods and tools, in time my work will show my profits to the Ratepayers. All the compensation I require is a little extra Tobacco."

Order. "Referred to Master."

"In the Irish Times of the 5th. Instant, it is stated that there is an ex-soldier, Richard Byrne in the Workhouse, who lost his hand while in the Army and that in consequence the Guardians refused to supply him with an Artificial Hand. I quite concur in the decision of the Guardians if the man's statement is true that he lost his hand while in the Army, but if he did he would have a pension most probably. RE ELECTION OF CHAIRMAN.

L. No. 35-549/1913. Dated. 4th. July, 1913.

Transmitting the accompanying copy of a letter which they have received from Mr. James Murphy, Poor Law Guardian, relating to the election of Chairman of the Board of Guardians of Enniscorthy Union on the 6th. Ultimo and requesting to be furnished with a full report of the Proceedings which took place at the Guardians' Meeting in connection with the election.

Copy of Letter.

"In reply to L.G.B. letter, No. 32-156/1913 dated 26th. June, 1913, re election of Chairman, Enniscorthy Union, the following are the facts on which I wish to have your opinion, viz:- At the Annual Election of Chairman Mr. M. Codd Proposed that the outgoing Chairman, Mr. T. Hayes be elected, Mr. A. Slye Seconded. Mr. J. Murphy proposed Mr. M. Murphy, Mr. T. Cleary Seconded. It went to a Poll, (there being only ten Members present altogether). The Clerk called out the names as they sat and the result was 4 each. Mr. Ml. Murphy refused to vote. Mr. Hayes then gave a casting Vote in favour of himself, but did not vote for himself when called upon, thereby securing his re-election as Chairman and declaring himself elected. What I require to know is it legal for him to give a casting vote under the circumstances and is the election valid accordingly."

The Clerk read the copy of the reply he had written to the Local Government Board, which the Members, who were present at the Annual Meeting, agreed was correct.

RE NUN'S APARTMENTS.

L. No. 35-122/1913. Dated. 8th. July, 1913.

Referring to Minutes on the 12th. and 26th. Ultimo and stating that they consider a sum of Two Pounds Two Shillings sufficient remuneration for the preparation of the Plans and Specification of the proposed additions to the Nuns' Apartments at the Workhouse, and they have accordingly sanctioned payment of that amount to Mr. Bernie.

Order. "Referred to Mr. Bernie."

RE OUTDOOR RELIEF.

The Clerk reported that the amount expended in Outdoor Relief was £34 :1 :6 against £40 : 14 : 6 last year being a decrease of £6 : 13 : 0 for the week.

A memorial received on behalf of a woman named Kate Willis, who had been struck off the Relief at the recent revision was adjourned.

RE MEDICAL WEEKLY RETURN.

Referring to Order made by Guardians on Thursday last with reference to the writing up of the Medical Weekly Return, Dr. Furlong, Medical Officer appeared before the Board and made a statement to the effect that during the discussion in connection with the matter some misstatements had been made and he wished to reply. Continuing the Doctor stated that Mr. Murphy, one of the Town Guardians, said at the last Meeting that he was in receipt of a salary of £150 a year, this was not true, he received a bare £100, which would work out at about 5/- for each visit he made or probably less, as he very often paid two and occasionally three visits daily. Now with reference to the keeping of the Medical Weekly Return, an attempt was being made to put one and a half hours extra work on him daily. The Master had also made a statement to the effect that he (Dr. Furlong) had given him a lot of trouble by entering diets in the Book after the totals had been made up. The Board, naturally tender-hearted to the Master, appeared to think that he was causing him a good deal of trouble. In answer to that statement the Doctor challenged the Master to produce his Books and show a single instance in which the Doctor had put on a Diet after the Books had been made up. With regard to the method of keeping the Medical Weekly Return, Dr. Furlong stated that he initiated the matter by putting on the particular extras and then the Sister continued them, this was the manner in which the Book had been written up for the past number of forty years, when he came here first the Book was written up by a Pauper Inmate and there was no question about it, hence it appeared very strange to question it, when it was being written up by a Sister.

Further Dr. Furlong stated he wished to know from the Clerk if there was an order on the Books that he should initial the Tobacco Book each quarter.

The Clerk stated that he knew of no such order, there was an Article in

Copyright. Wexford County Archive

the Workhouse Regulations which provided that no Pauper should receive Tobacco unless directed by the Medical Officer.

Dr. Furlong stated that the Master had informed him that an order had been made that he should initial the Tobacco Book, as there had been an order of the Board made to that effect, this had aroused his suspicion and he had gone into the matter and had to report as follows:-

"About ten days ago the Master brought me the Tobacco Book in which Tobacco is entered for the Patients and Inmates. He told me that the Board had recently made an order that I was to initial the quantities for each quarter, I inadvertantly did so for some years back. However in view of recent Developments here, my suspicion was aroused, I got back the Book and looked it over. I found that there were a large number (over 20)people put on for one ounce of Tobacco by the Master without any reference to me whatever. Some of these being Hospital Patients which might have been a very serious matter. Of course no one has a right to put on anyone for this commodity but myself. The strange part of all is that many of those never smoked or used Tobacco in their lives and many others tho put on never got any. This seems to have been done before,for two of them, Hall and Dooley, who are Idiots and do not smoke, were put on without my authority about four years ago and are still carried forward for an ounce of Tobacco each. Consequently they have been credited with over 400 Ounces, though they neve got a particle of it. Of course the present Master did not put them on, but as he distributes the Tobacco, he must be cognisant of the facts. As this matter so very nearly concerns myself, I could not possibly avoid going into it, and in consequence of the irregularities, to call them by the very mildest name. I have cancelled my signature and I would suggest that this Book be kept in future in the Surgery and that the Master be only allowed access to it once a week to ascertain the quantity of Tobacco required. The Book itself will show what I complain of as I have marked the cases in red Ink."

The Clerk read out the Individual cases referred to by Dr. Furlong.

The Chaiman said it was extraordinary that the men should be shown as receiving Tobacco they did not get.

Mr. Lynch asked if the men received the Tobacco.

Master. They do but they give it to somebody else.

Dr. Furlong asked the Master when he had given tobacco to Anne Canavan.

Copyright: Wexford County Archive

Master. The Matron gave it to her.

Dr. Furlong. She did not she never got the Tobacco to give. What about Anne Doyle.

Master. She got it also.

Dr. Furlong. She told me herself, she did not get it.

Order. "Referred to Master to give an explanation in writing against next Meeting."

RE COMPLAINT AGAINST MASTER.

Mr. W.E.Powery, Master, wrote as follows:-

"In reference to the Guardians request of last week asking for an explanation with regard to the complaint made by Dr. Furlong in his Report to the Guardians. I respectfully submit the Medical Weekly Return, which will, I have no doubt, verify my statement of a fortnight ago to the Guardians as to the manner in which the Medical Weekly Return is kept."

"It is not true what the Doctor states that this Return was kept by an Inmate in the Master's Office, it was kept by an Inmate in his Sittingroom, the Inmate being paid quarterly by the Doctor for doing it."

"With regard to the Doctor's statement changing Diets, no later than last week there is a case in which diet has been changed but not by the Medical Officer."

"With regard to his statement that 20 people were supplied with Tobacco without the Doctor's authority, these people are mainly in the body of the House, whom the Doctor never sees and whom in the exercise of my discretion I gave Tobacco to for work and labour done, which without some little recompense much objectionable work throughout the Workhouse could not be carried out."

"Two Inmates Dooley and Hall have been singled out by the Doctor to endeavour to show that an irregularity has been perpetrated. If the Doctor recollects, it will be easy to refer to his long established custom of sending down slips of paper on the recommendation of the Nuns to get Tobacco for people that never smoked. This Tobacco was given to Inmates for doing objectionable work, which the Nuns had to superintend and who were on Tobacco already. This was done to obviate the recurrence of duplicate names. As the matter conserning Hall and Dooley seriously affects the

Printinghouse, Dublin, Ltd. NN—4586

Doctor in his statement, I may remark that these people have been on the Tobacco Book for Years, it is strange to say the Doctor only discovered it the other day although he has repeatedly initialled the Book as being correct. It appears to me that some of the complaints of the Medical Officer were actuated by spite, as some of the people struck off by him the other day are again put on."

"When the Guardians have seriously considered all the circumstances I may respectfully suggest that they cannot consider me as having caused any friction in the Adminstration of the Workhouse to which I have given my undivided time and attention."

Dr. Furlong having been sent for stated in reply that the Master's letter was a whole tissue of Falsehoods, it was only on Saturday week he discovered the irregularities. The Book was not kept by him and when he examined it he discovered there were people on it who never smoked, some of the People entered were Hospital Patients and it would be a most dangerous thing to give Tobacco to Hospital Patients without his Sanction.

In reply to a query as to why he had allowed persons names to appear on the Tobacco Book so long without drawing attention to it. The Medical Officer stated that he took it for granted that the Book was correct and that it was only in consequence of the Master bringing him the Book and telling him that there was an order of the Board that he should sign it every Quarter that he had examined it closely.

After a discussion the following Order was made:-

"Master not to distribute any Tobacco unless to those persons ordered by the Doctor. Tobacco Book to be kept in the Infirmary with Medical Weekly Return."

L. No. 37,703/1913. Dated. 21st. July, 1913.

Acknowledging receipt of replies to their inquiries respecting the temporary employment of Mrs. Margaret Brien as Wardsmaid in the Fever Hospital of the Workhouse and requesting to be informed whether this woman was employed on any nursing duties in the Hospital.

The Clerk reported having supplied the necessary information.

RE OUTDOOR RELIEF.

The Clerk reported that the amount expended in Outdoor Relief for the past week was £54 : 3 : 6 or £4 ; 9 : 6 less than the corresponding period last year.

The question of investigating the cases dealt with some time ago, but which were postponed for further information were now taken up:-

(1). In the case of Eliza Mavanagh of Killanne, the Relieving Officer stated that this woman was shown on the books for the last two weeks of the last half-year although she was dead, the Relief had been given to her brother, but he had forgotten to get the order on his Books changed until the start of the new half-year.

(2). In the case of Thomas Ryan in which it was alleged that he was only getting 1/6 although there was 2/6 shown against him, there was no further evidence to shown that the Statement was correct.

(3). In the case of Sam Wilkinson of Irish St. Mr. Murphy had stated that this man was not getting the amount charged against him. In reply to a query from the Relieving Officer, Mr. Murphy stated that he had not questioned Wilkinsom on the matter, hence it was allowed to drop.

(4). In the cases of Mary Quinn of Rodd Road and Duffry Gate, the Relieving Officer satisfied the Board as to their identity.

(5). In the case of John Murphy New St., whom Mr. Murphy stated did not get any of the Relief charged against him, the Relieving Officer stated that he had given the Money to Kitty Murphy, his Sister.

(6). With reference to John Byrne of Clonroche. In this Case there was one John Byrne No. 117 on the List and another No. 120. It was alleged that One of these Cases had been shown as getting Relief on

Dollard, Printinghouse, Dublin, Ltd. NN—4596

whilst in Hospital.

The Relieving Officer stated that the case No. 117 was John Byrne of Clonroche, this man had been in receipt of 2/6 per week and came into Hospital. When he was going out there was an Application on his behalf for an increase to 3/6 per week. But on this date John Byrne No. 120 came into Hospital, he had been in receipt of 3/6, hence he, Mr. Whelan struck off No. 117 ~~xxxx~~ on his Books and continued to show the 3/6 against No. 120 although he was giving it to No. 117.

The Clerk stated he had gone into this case and found as follows:- John Byrne of Clonroche No. 117 was shown on the Relieving Officers Books as being in receipt of 2/6 per week from the 1st. October, 1912 to the 6th. February, 1913. This man was admitted to Hospital on the 19th. November, 1912 and discharged on the 19th. December, 1912.

With reference to case No. 120. This man was shown as being in receipt of 3/6 per week Outdoor Relief from the 1st. October, 1912 to the 31st. March, 1913. This man came into Hospital on the 18th. November, 1912 and was still in the House.

No order made.

(7). ~~Xxxxx~~ Bridget Doyle of Duffry Gate, the question in this case was as to the identity of the person. The Relieving Officer satisfied the Board.

(8). The Relieving Officer satisfied the Board in this case as to the identity of Kate Kinsella, Drumgold.

(9). The Relieving Officer in this case satisfied the Board as to the identity of Mary Quigley, Springvalley.

(10). The Relieving Officer in this case satisfied the Board as to the identity of Mary Burke, Irish Street.

An application for increase of Outdoor Relief from 3/- to 5/- per week on behalf of Ellen Smith, Friary Hill was granted.

RE MAKING OF HAY.

"I wish the Guardians would inquire into the distribution of those 691bs. of Beef. The Matron and the Woman who carves the dinners inform me they are not aware of any extra Beef being given to the Attendants."

The Clerk stated that the Beef referred to was an extra allowed for the Attendants on the Dietary Scale.

Order. "Referred to House Committee."

RE WORKHOUSE SCHOOL.

L. No. 40-770/1913. Dated. 5th. August, 1913.

Forwarding to be laid before the Board of Guardians the accompanying enclosure to a communication which they had received from the Commissioners of National Education relating to their District Inspector's last report on the Workhouse School.

Copy of Extracts.

General Condition. Good

Inspector's Remarks:- The few Senior Pupils were able to read and write well and did their Arithmetic with reasonable success.

In the class subjects however and the infant training- while much care and kindness had been expended by the Teacher- there was a certain lack of precision."

Order. "Satisfactory."

RE MEDICAL WEEKLY RETURN.

L. NO. 37,705/1913. Dated. 2nd. August, 1913.

Adverting to letter of 12th. Ultimo and stating in reply to first query that as indicated by the heading of the Medical Weekly Return it was contemplated that extras in addition to the ordinary Diets for the Sick should be filled in daily by the Medical Officer. Under the new Dietary system however, extras must not now be ordered in addition to a Scale Diet. The Medical Officer is required to frame suitable diet scales for the Sick, setting out the Meals for each day of the week. When none of these Scale Diets is considered suitable by the Medical Officer for a particular patient he must order in full exactly what is required as a Special Diet. This new procedure besides preventing waste, will avoid the Clerical Labour incidental to the old system, of which the Medical Officer complains. As regards the second query, if any lunatic Inmate in the body of the House is considered by the Medical Officer to require a Special Diet, he should be deemed to be Sick and entered in the Medical Weekly Return, when the Medical Officer will be able to place him on one of the Scale Diets for the Sick or to order him a Special Diet as above pointed out.

Order. "Referred to Medical Officer and House Committee."

RE OUTDOOR RELIEF.

The Clerk reported that the amount expended in Outdoor Relief for the past week was £3 : 4 : 6 less than for the corresponding period the previous year.

RE COMPLAINT AGAINST RESISTANT REGISTRAR.

A woman named Mary E. Deithrick wrote as follows:- "On the 23rd. May, I brought my child Catherine to the Dispensary to get it registered and I found that the Registration was transferred to Georges Street, it was Ten Minutes past Twelve when I got there. Mr. Kelly was sitting there in his Office seemingly not very busy. He said he could not take it down, I was late. He said I need not be in a hurry I had three months to get it done, but I lost that few Minutes going from the Dispensary. I had to walk from Solsborough and carry the Child on a Wet Day and he was so particular, he would not take it down. The second time I went Mr. Kelly was not there and I was on important business and I could not wait. The last time I went was on the 1st. August, I went there at Half-past Eleven O'Clock and I had to wait till ten Minutes past Twelve and there was another man there and by the time my turn came, it must have been 20 past Twelve. Mr. Kelly made no objections to my being late on account of it being his own fault. But he said he could not take it down, the Child was over three months, he made it out that I was neglectful, but I cannot see how I was neglectful and to be there twice before. He gave me the enclosed Paper and told me the consequence, so I wish to place it before the Board to see if I can get my Child Registered without paying the Money."

The Clerk explained that the form enclose was a Statutory Declaration Form and required to be made in cases in which a Child was not registered until it was over three months old.

Order. "Referred to Mr. Kelly for an explanation."

Re Meat Allowance

A report from the house committee signed by Mr J O'Connor was read stateing that they had gone into the Meat Question and found that the Amount of meat consumed in the house as shown by the masters books did not agree with what was supplied by contractor there being an apparently shortage of 25¼ lbs ÷ dealing with the question of extradiets for attendants they found that all Inmates in the body of the house except children were classified as aged and Infirm. As a Consequence the 38 attendants were apparently Accordingt to the dietry scale entitled to an infirm Allowance of 6 oz of mtn beef daily on three days of the week and as attendants to a further increase of 69 lbs weekly. This works out in the case of attendants at a daily allowance of 15 oz of beef for three days each week. The Master however informed the Committee that the attendants did not get the increase but that the 69 lbs ÷ extra were distributed generally amongst the Inmates. According to the Statement of Alice Hendrick the Attendant in Charge of the dairy the meat allowance varies in weight from 4 oz for children to sometimes 12 oz for adults. The question the committee submitted were - 1 - whose duty is it to determine wheter a patient is infirm 2 - Are persons classified as infirm eligible for appointment as attendants. If so are they entitled to the infirm allowance of meat in addition to the attendant allowance In the committees opinion the 69 lbs of meat Allotted to attendants under the dietry scale Should be Struck out as the dietry arranged for Infirm people seems to be liberal.

The Master should in future Insist on an Invoice or delivery docket being sent in with all supplies

Messers L Harte and J Murphy added that they had not satisfied themselves as to the accuracy of the figures in the first paragraph of report.

Mr OConnor questioned the Master as to the shortage of the 25¼ lbs of meat. The Master stated that it was not correct and produced his provision check Account Book showing that he had only received 390½ lbs of meat on the week in question whereas he had shown 409½ lbs should have had been consumed.

Mr oConnor further stated that the master had no book or Invoice or anything to show what amount of meat was received from the previous Saturday up to the Thursday they were investigating the Question.

Mr Kelly L G B Inspector who was present said the committees report was made in consequence of some observations he had entered in the provision check Book. He Mr Kelly had Asked the Master If he had a list of the Attendants that was getting the extra meat The Master Said he didnt but he would have it on the next day He then asked the Master how he Managed to give out the extra Allowance when he had not a list The Master Said the women in the kitchen knew who was entitled to it The Inspector stated that he had a conversation with the Matron who said she was not aware of Anything of the Kind. And that she never noticed any difference on the plates the woman in the kitchen said she knew nothing About 12 Oz for Anyone She said everyone got the same

The Master stated that since the committee had met he had stopped that 6 9 lb Allowed to attendants And there was no complaints

Order committees report adopted with reference to the 6 9 lbs of extra meat only persons ~~or~~ who are Aged and Infirm to be classified as so in future

The Master to get Invoice with delivery of all goods in future

where the offices concerned have not already devised or adopted one of the forms above referred to. The officers will observe that one of the forms is a daily account, and the other a weekly account, and in the event of the latter being adopted it will be necessary to keep a separate account showing the daily receipts and issue from store, which will be the basis of the main account.

On the whole the Auditors consider that the latter would in the long run prove to be the more advantageous but both forms are in use and giving satisfaction.

Whatever books may be adopted, not more than one years supply should be ordered, so that the Guardians may be free to make such changes as experience may show to be desirable

Re Dietry Regulations

No 28,465 - 1913. Dated 28th August, 1913.

Miscellaneous

Adverting to their Circular Letter of the 3rd February 1913 No. 128/M 1912, dealing with a revision of the Dietry Regulations in force in Irish Workhouses and to the "lists of Rations" enclosed herewith, I am directed by the Local Government Board for Ireland to state that they have had under consideration the propriety of preseribing special forms of books to facilitate the keeping of the accounts rendered necessary by there proposed new Dietaries.

On inquiry the Board find that in several Unions where new dietaries have been already introduced admirable accounting forms have been prepared and put in use, which though differing in detail appear generally to have been well devised so as to suit the special circumstances which exist in the respective Workhouses.

Under these circumstances and in order that it may be found by experience which form or set of forms may work most satisfactorly, the Local Government Board do not find it necessary at present to prescribe a form, the universal use of which should be mandatory.

The Board however consider it desirable to transmit the annexed copies of alternative forms, either of which in their opinion would supply necessary requirements, and which might be adopted in those Unions

L. No. 88 M/1913. Dated. 16th. September, 1913.

Forwarding Copy of their Annual Report for the year 1912-1913.

RE INSPECTOR'S REPORT.

L. No. 45-549/1913. Dated. 16th. September, 1913.

Forwarding to be laid before the Board of Guardians the accompanying substance of a report which had been received from Mr. R. Kelly consequent on his recent inspection of the Workhouse.

Copy.

"There was a credit balance of only £240 in March last to meet liabilities amounting to about £1000. It is expected that there will be a similar amount available next April to meet liabilities of about the same amount.

The Closets should be cleaned out more regularly.

The lavatory accommodation is not satisfactory.

There is now a Town Water Supply which is laid on to Houses situated on a level as high as the Workhouse. This supply has been abundant all through the recent dry season, so that there does not appear to be any reason why the Workhouse should not be supplied with water from this source. Until this is done, proper lavatory arrangements cannot be made.

The present supply of Water is, I understand, wholesome. It is obtained by pumping. The two old men who are employed at the pumping complain that they are not capable of performing all the work without assistance.

There being no water closets, the old drains take away the surface water, for which purpose they were built. The whole system of drains, water supply and lavatory arrangements should receive the immediate attention of the Guardians.

The Ambulance arrangements are unsatisfactory. The vehicles-two wheeled at present in use require repairs &c if modern Ambulances are not provided

Modern beds and ~~xmbuxkxmx~~ mattresses are required for the aged women in the House. More feather pillows are also needed.

The Provision Check Book shows some anomalies. The amount of Meat distributed in most weeks is in excess of the quantity received, this excess varies from 8 to 19lbs.

Copyright: Wexford County Archive

provision is made in the Dietary Scale for 30 lbs of Beef a week as Extras for Attendants, but I found on inquiry that the Attendants got no more meat that any other Inmates. Thus the Master had this quantity of Meat to fall back upon in order to make up for the deficiencies in the supply. He stated to the Guardians that he divided the surplus indiscriminately among the Inmates. I was not satisfied with this explanation no more than with the explanation tendered by him as to the defficiency in Eggs as reported recently on the Guardians' Minutes.

There are some holes in the concrete in the Hospital Yards which might be filled up.

The Chimneys in the women's dayroom and the Hospital (Lunatic)bathroom smoke badly. The Sister in charge states that at times the latter room can scarcely be used on account of the Volumes of smoke.

A contract was entered into last September for painting the Windows, doors &c. Only one coat of paint was given and the Guardians- I think foolishly- paid £8 on account for this work. A fresh contract should now be entered into with some more responsible Contractor for the carrying out of this necessary work.

The Irfirmary Wards require distempering. This should be done before the days get shorter.

The Visiting Committee do not report in writing, and attention is directed to the requirements of Article 59 of the Workhouse Rules in this respect.

There are Eight Children in the Workhouse eligible for Boarding Out, and the Guardians should endeavour to find suitable foster-parents for them."

Order. "Referred to Visiting Committee."

RE ALLEGED ASSAULT ON INMATE.

Messrs:- L. Harte & T. O'Connor wrote as follows, 18/9/13:- "In reference to the alleged assault on an Inmate named Bolger byvthe Master, we have to report that the evidence in the case was most conflicting.

In the first place Bolger stated to a Member of the Board that he had been assaulted by the Master, but upon being brought before the Board subsequently, he stated he had no complaints to make.

The Committee on further Inquiry then found that there was no reliable corroboration of the charge."

The Clerk reported that the Agreement in this case had been completed and that Sheridan had paid the costs of the Prosecution.

Mr. T. Hayes.....Proposed. Passed

Mr. J. Lynch.....Seconded. Unanimously

"That we beg to tender our sincere sympathy to Dr. Kelly, Medical Officer of the Enniscorthy Dispensary District, in his recent sad bereavement consequent on the death of his Mother."

RE NEW DIETARY SCALE.

Messrs:- T. O'Connor,& L. Ryle reported as follows:- "We beg to report having gone into the Dietary Scale question fully to-day and we have drafted out a scale which we consider most suitable and which we herewith submit. The Medical Officer is making out a Scale for Hospital pending receipt of which we would not recommend the Board to consider the question."

Order. "Consideration postponed until Medical Officer's report is received."

There were two applications received for the position of Stocktaker :- Miss Anastasia Kelly and Mr. George Meyler.
On the motion of Mr. Cleary seconded by Mr. Ryan, Miss Kelly was unanimously appointed to take Stock in the Workhouse and Fever Hospitals at the usual remuneration of Five Pounds.

"There are three Waggons requiring repairs, they would Cost about £2 : 16/-. Shall I get the work done."

RE AGRICULTURIST'S REPORT.

The Agriculturist reported as follows:-

"I beg to report that on the 19th. Instant, I bought 10 Young Pigs from Mr. Connors, Enniscorthy for £18, Mr. Pingston and Mr. Doyle assisted me."

Mr. T. Cleary asked whom the Mr. O'Connor referred to was and on being informed he was a Member of the Board, Mr. Cleary stated that it was a most improper thing to purchase any article from a Member of the Board.

The Board were of opinion that there was nothing illegal in purchasing the Pigs from Mr. O'Connor, as it was done in the Fair, whilst the Agriculturist considered they were the best he was able to buy."

"I beg to report that on the 24th. Instant, I lodged in Bank the sum of £116 : 16 : 10 being made up as follows:-

Sale of Barley.....	£42 : 3 : 9
Oats.....	24 : 3 : 1
Straw.....	11 : 10 : 0
Pigs.....	39 : 0 : 0
	£116 : 16 :10

"I would feel grateful if the Farm Committee would come out to-day, to take Stock of the Farm, as the Half-year is drawing to a close."

Order. "Referred to Farm Committee."

RE AUDITOR'S REPORT.

L. No. 50,008/1913. Dated. 22nd. September, 1913.

Forwarding for the information of the Board of Guardians, a copy of the Report of the Auditor on his audit of their Accounts for the half-year ended the 31st. March, 1913, with attested Abstracts of the Accounts.

Copy.

"I beg to report that I have audited the Accounts of the Enniscorthy Union for the half-year ended the 31st. March last and to enclose duly certified Abstracts thereof."

"The Stocktaker's return of Clothing and Clothing Materials on hand, at the close of the Half-year, was in unsatisfactory form and the Clothing Books are carelessly and inaccurately kept."

"There is some improvement in the keeping of the Provision Check Book, but it still contains many errors."

"The allegation of the Medical Officer, that the Names of certain Inmates, who never used Tobacco, appeared on the Tobacco Issue Book, was met by the Master by the Statement that the Tobacco, ostensibly given to them, was in reality issued to other Inmates, employed in offensive duties. This, even if true, was a most irregular proceeding. Steps have now been taken to keep the issue of Tobacco entirely under the control of the Medical Officer."

"There are still some debts of old standing due to the Guardians, in respect of sales of Farm Produce. More energetic steps should be taken, forthwith, for the recovery of these sums."

"I inquired into the charges of irregularity, in connection with the distribution of Outdoor Relief, and am satisfied that such irregularity, if any was unintentional."

Order. "Master to be more careful in future in writing up his Books and to proceed at once to collect the outstanding debts."

RE GUARDIANS v SHERIDAN.

L. No. 48005/1913. Dated. 13th. September, 1913.

Adverting to Minutes on the 4th. Instant and requesting to be informed whether the wife and family of Michael Sheridan, referred to in the Minutes, are still Inmates of the Workhouse."

Order "Key have left the Workhouse."

RE BALLAGHKEENE DISPENSARY.

Dr. B. Connolly, Medical Officer Oulart DY. D. wrote as follows:- "In reply to your letter re appointing a Dispensary Day at Black water while the Ballagh Dispensary was under repair, Dr. Browne, Local Government Board Inspector, who inspected the Dispensary to-day, says that a couple of rooms must be temporarily procured in the Ballagh for use as a Dispensary while repairs are going on, as Blackwater would be too inconvenient for a large part of the District. Healso pointed out that it would be necessary to get such rooms immediately as Medicine cannot be kept in the present building during the coming winter without going bad at once. I pointed out this deteriorating affect on the Medicines to the Guardians early last Spring, but nothing has been since done by them to remedy it. Dr. Browne asked me to place the matter before the Board so that action might be taken at once."

The Clerk reported that Dr. Browne had called on him with reference to the matter also and had told him what Dr. Connolly had reported. He also stated that he had now received the Lease and all papers in connection with the matter.

Order. "That the question of temporary rooms be referred to Councillors of Division, and that the Solicitor forward all Papers to Board of Works to secure Loan."

RE MEDICAL INSPECTOR'S REPORT.

Stating that they have received the report of their Medical Inspector, Dr. Browne, relating to his recent inspection of the Dispensary Districts of the Union and enclosing extracts therefrom and requesting that the several important matters adverted to therein may receive the Guardians' consideration. It will be seen from the report that Mrs. Holohan, Midwife of the Clonroche Dispensary District, accepts fees for her services from poor people entitled to Medical Relief, notwithstanding the warnings previously conveyed to her on the subject, and the Board direct me to request that the Guardians will consider the propriety of calling on her for her resignation.

Copy of Extracts.

m. Acts are not efficiently adminstered in the District.

Oulart Dispensary District:- Three hundred and eighty Vaccination Defaulters were returned in last report. The Vaccination Acts are not efficiently adminstered in the District. The Ballaghkeene Dispensary Building is in a very bad state of repair and unsuitable in its present condition, for dispensary purposes. No adequate provision is made for having fires regularly maintained in the consulting and waiting rooms. There is no poison press at the Dispensary. There is no notice board at Ballaghkeene Dispensary."

Order. "Question of Clonroche Midwife referred to Medical Officer and Midwife for explanations. Ballagh Dispensary cannot be touched until the Board of Works grant the Loan applied for, but the Clerk is to write to them asking if they have any objection to the Guardians advertising the work at once."

A male tramp was arrested for some crime about Nine O'Clock and lodged in the Police Station. A female of the same class who was with him spent her night in either the Dispensary or the Courthouse. Surely this is not the purpose either of those places are meant for. Your Board would do well to inquire into this matter, as such things as this happening are not fair to either the Doctor or owner of the Courthouse."

L. No. 56,942/1913. Dated. 8th. November, 1913.

Forwarding to be laid before the Board of Guardians, the accompanying communication which had been received from Mr. James Murphy, Poor Law Guardian, relating to the Distribution of Outdoor Relief by Relieving Officer Whelan and requesting to be furnished with the Guardians' observations on the subject.

Copy of Letter.

"I beg to report that Cornelius Carty, Duffry Gate, Enniscorthy, who was admitted as a Patient to the Enniscorthy Union Infirmary on 10th. Decr. 1912 and discharged on 13th. January, 1913 was on Mr. M.J. Whelan's O.D. Relief Book as receiving 3/- per week during that time and was credited with same, as this is illegal, it could not have occurred, but assuming that it might have been an oversight on the part of the R.O., he states that neither himself or anyone on his behalf received the Money put down to him during that time. I gave your Inspector Mr. Kelly, a list of irregularities some time since, but nothing has been done since in order to protect the Ratepayers from this waste of money, the audit is over and done and evidently the L.G.Board has decided to take no action or something would have been done long since to remedy this state of affairs. I have discontinued attending the Meetings as a person which wishes to see business attended to is looked on with no friendly eyes by a certain section of the Board. Would it be too much to ask the L.G.Board to have the whole O.D.R. List for Mr. Whelan's District gone into, not by flying visits or here and there but thorough, if the Public are to retain any confidence in the L.G.Board, it is absolutely necessary that the O.D.R. distribution should be seen to without further delay and I fear wire pulling in order to put this aside."

Copyright: Wexford County Archive

The Clerk stated that on receipt of foregoing letter he had communicated with the Relieving Officer and asked him to have any explanation he had to offer ready for the Meeting, he had received the following explanation:-

"I pay the OD.D.R. in my office and knowing the recepients so well kept no check as I paid them. I did not miss C.Carty coming for his it seems for a couple of weeks. I then met with an accident and wrote to the Board I would have the O.D.R. distributed and that they need not appoint a Substitute. I was three weeks ill and during that period my Sister gave

the recepients of O.D.R. what they demanded without any check. When I learned the Man was in the Infirmary I lodged the 15/- to the credit of of the Guardians."

In reply to a query the Clerk stated that Mr. Whelan had lodged the Money to the credit of the Board of Guardians on the 23rd. ~~November~~ October and Mr. Murphy's letter was dated 27th. October.

Some Members of the Board took exception to some remarks made by Mr. Murphy as to the manner in which the business of the Board was conducted.

Mr. Cleary suggested that the matter be adjourned for one week for the attendance of Mr. Murphy.

Mr. Andrew Doyle Proposed "That Mr. Whelan's explanation be considered satisfactory."

Mr. J. ~~Lacey~~ Shea Seconded.

The resolution on being put to the Meeting was passed with Mr. T. Cleary dissenting.

The Clerk reported that the amount of Outdoor Relief distributed last Saturday was £3 : 9 : 0 less than for the corresponding period last year.

"I beg to report that on the 20th. instant, I had 100 Drills of Turnips sold by auction, they realized £16 : 5/-."

"I also beg to report that before Christmas the Master asked me for the Key where the Oats are stored I gave it to him. So on last Monday I asked him for the Key again, he told me he would not give it to me anymore, but that he would give me a bag of oats anytime I wanted it I would wish to know who is responsible. Also there are some six or seven able-bodied men in the House and the Master has refused letting as much as one of them out for the last month. There is one man named Ned Brien, who is able to follow a horse delivering turnips or any such thing. Would the Board please make an order to have at least this man on the Farm."

In the case of able-bodied men, the Master has agreed to send them out on the Farm when they are not required in the House, in urgent cases he will send them out on the Farm although there may be work for them in the House. We also recommend that the waggons be not brought out to be emptied as at present around the Convent and down the centre walk, but instead down the old Lane as formerly."

RE EPILEPTIC RETURN.

L. No. 141/M. 1913. Dated. 2nd. January, 1914.

Requesting to be furnished with the usual Epileptic Return to the 31st. December, 1913.

Order. "To be furnished."

RE ESTIMATE & DEMAND.

The Clerk reported as follows:-

"I herewith submit my estimate and demand for the ensuing year. The estimated Expenditure is £9619 an increase of £76 over last year. This is accounted for by the increased cost of the Provisions & Necessaries, Maintenance in Extern Institutions & Medicines. These three items are costing us £325 more than last year. Whilst Outdoor Relief is £160 less, although the amount viz:- £2400 still appaars large. The adoption of the New Dietary Scale should decrease the cost of Provisions and Necessaries next year. As regards Maintenance in Extern Institutions, the amount is gradually increasing and it would be advisable for the Board to consider the question of erecting an Operation Room. This was mooted some years ago, but from one cause or another fell through whereas had it been erected it would have more than saved its cost by now. Although our expenditure this year ia something higher than last year, yet we are demanding £110 less from the County Council, this shows a saving of ¼d on the £ when compared with last year."

Order. "Adopted unanimously."

Order. "That the question of an Operation Room be referred to Visiting Committee."

RE OUTDOOR RELIEF.

Order. "That a return be submitted of the Persons in receipt of Outdoor Relief since the 31st. March last."

RE POSTING BILLS.

Messrs:- L.Kelly & Jas. Murphy wrote applying for the usual allowance of Two Pounds each for posting Notices.

Order. "To be paid subject to sanction of L.G.Board."

RE RECOUPMENT RETURN.

L.NO. 68,954/1913. Dated. 7th. January, 1914.

Returning the Vouchers &c. furnished with a view to recoupment in respect of the cost of Medicines and Medical and Surgical Appliances obtained for use in the Enniscorthy Union during the past half-year, and requesting that the summary may be amended by the inclusion therein of the amounts of Invoices 7,9 & 14, opposite their appropriate Dispensary Districts, as directed in the Board's letter of the 16th. of September last, No. 28,356/1913. The amounts of Invoices 5-6 & 20, should be excluded from the file and Summary as the Goods in these cases were delivered after the 30th. September, 1913. The claim for recoupment should also be amended where necessary. The Board desire me to point out that if the terms of their letters of the 16th. of September and 1st. October last No. 90/M/1913, had been attended to, these irregularities would not have occurred, and I am to request that they may be avoided in the future. In Invoice No. 10, Certificate Ø should be completed by the entry of the necessary dates &c.

The Clerk reported that he had carried out the instruction of the L.G. Board.

RE TEMPORARY MEDICAL OFFICER OULART DY. DT.

L. No. 1842/1914. Dated. 19th. January, 1914.

Adverting to Minutes on the 31st. ultimo and stating that they have sanctioned the proposed payment of £4 : 4 : 0 a week to Dr. P. Kinsella for acting as substitute for Dr. Connolly in his capacity as Medical Officer and Medical Officer of Health of the Oulart Dispensary District.

RE COMPLAINT AGAINST MEDICAL OFFICER.

Mary O'Neill, St. John's St., Enniscorthy wrote as follows:-

"I got a ticket from Mr. Nowlan of Selsboro to attend my mother, who wa very ill in bed. I presented this ticket to Dr. Kelly he started to abuse me in a most violent manner, he said it was not his duty or did I want him to go around after our heels, so he did not go. My Sister was with me and he caught her by the arm and put her out on the Street and told he to go be damned and to take her mother there also, and slapped the door right into my face. I had to go and employ another Doctor at my own expense, as the case was so urgent I was afraid to leave it overnight. The other Doctor can certify the state my Mother was in. This all happened at 3 P.M. on Tuesday, the 13th. day of the present month and he went the next day some time when it suited him, so I must ask the Board to take some steps to see about my expenses for the other Doctor as I had to pay him to go to Cransilla, where my mother was living. If Dr. Kelly is allowed to go like this there is no use in giving him a ticket at all."

Order. "Referred to Dr. Kelly for an explanation."

RE MASTER'S REPORT.

Cream per Centage.

Cosgrave 12 Ryan 12½

The Master reported as follows:-

"I prosecuted Nicholas Cousins for desertion of his wife and Children, he was sent to Prison for a month. Michael Keane whom I prosecuted some time ago has taken out his wife and children, but William Murphy, who was prosecuted the same day has not taken his Children out."

Order. "That Murphy be again prosecuted unless he takes his children out within a week."

"I would ask the House Committee to visit the Fever Hospital with reference to the new Bath and decide on a proper place to have it erected and also inspect the Kitchen range."
With reference to foregoing, the Medical Officer wrote as follows:- "Now that you have so kindly ordered a Bath for Fever Hospital, I find that we have no neutral place to put it (that is to say that it may be equally available to Male and Female Patients) what I would propose is that the roof be taken off the porch, the walls of which be raised Six feet by a Nine Inch Brick wall and have the same roof put back. This would be an exceedingly cheap structure and would at the same time make a very efficient lavatory and bathroom. It would also be very well placed for both sides of the House and half the present window would be sufficient as an ope for the door."

Order. "Referred to Visiting Committee and Engineer to inspect after Meeting.

"There is a new Alb required for the Chaplain."

Order. "To be procured."

"Provisions that have been delivered are in the Boardroom for inspection."

Order. "Satisfactory."

Order. "Master to lay Tobacco Book before the Board every Meeting in future.'

The Clerk reported that the amount expended in Outdoor Relief for the week ended Saturday last was £4 : 14/- less than for the corresponding period the previous year.

Mr. James Murphy drew attention to the case of a woman named Mary Murphy, Curraghnabola, who was Mr. Whelan's Books, the woman was shown as being in receipt of 3/6 per week, whereas the woman actually only received 2/6 from August 1912 to January 1913, from January, 1913 until June, 1913 she received 3/-. She got nothing for a fortnight in June and only 2/6 for three weeks in July.
In reply to a query by the Clerk, Mr. Murphy stated that Mary Murphy received the money from the Relieving Officer himself.

Mr. Murphy further stated that unless it was shown that Mr. Whelan had re-lodged the monies in the cases of irregularities such as Mrs. Sheridan, who received Relief under a wrong description and Bridget Dunbar, he would not move his Nofice of Motion to give Mr. Whelan Superannuation.

Order. "That Mr. Whelan be communicated with to supply his explanations against Thursday."

Mr. James Murphy R.O. stated that a woman named Annie Brennan gave him a Certificate from Dr. Boyce to the effect that she was under his care for the last year and a half with a paralysed right arm and that he did not think she was likely to improve. Mr. Murphy further stated that this woman was living with her mother, who was an Old Age Pensioner.

Order. "That we request the L.H. Board to inform us whether it would be legal to give Outdoor Relief in this case, the Mother cannot get it, as she would lose her Pension and as she is the Head of the House, the Board are doubtful if it would be ~~right~~ legal to grant Relief to the Daughter."

L, No. 6,5574/1913. Dated. 27th. January, 1914.

Adverting to Minutes on the 4th. ultimo and requesting to be informed what action has since been taken with a view to carrying out the necessary repairs to the Enniscorthy and Ballaghkeene Dispensaries.

Order. "Advertisements have been issued for the repairs to Enniscorthy, but no tender was received. The Board of Works Inspector visited Ballaghkeene on Wednesday fortnight for the purposes of inspection and the Board expect to have this work gone on with immediately."

RE COMPLAINT AGAINST MEDICAL OFFICER.

Dr. T.J.Kelly, Enniscorthy wrote as follows:- "Re the complaint of Mary O'Neill. The statement contained therein as to abuse is untrue. The facts are as follows:- O'Neill presented a ticket as stated but explained that her mother did not require Medical Treatment. The object of bringing me out to the Patient was that I should ascertain whether she was fit to remove into her house in town (O'Neill's House) or not and inform her accordingly. As according to the Messenger's statements the case was not urgent and as I had on hands other most urgent cases the ticket was left until next day when it was attended there had been another Doctor in attendance then. You will observe that when I get several calls at the same time, it is incumbent on me to attend to the most urgent cases first. The other two calls were one of Pneumonia and the other a bad midwifery case."

Mr. Stephens said that the letter was all a humbug. It was ridiculous to say that the woman was not bad. She was 70 years of age and in such a dangerous condition that as Dr. Kelly did not attend, Dr. Boyce had to be employed at once. As regards the language use by Dr. Kelly, when pitching the woman out on the Street, it was well up to that used by Corner boys.

A question having been asked as to whether Dr. Kelly saw the woman when she called, Mrs. O'Neill was sent for and having arrived, she stated that her Sister presented the Ticket to Dr. W.P. Kelly and it was he who abused them and put them out.

Order. "That Dr. T.J.Kelly be written to for the named and addresses of the patients suffering from Pneunonia & the Midwifery Case and that Dr. Boyce be

requested to state the condition he found Mrs. O'Neill in."

RE INSURANCE BENEFITS.

John Dempsey, Garrantrowlin wrote as follows:- "I have to appeal to your Board in an Insurance case. The Oulart Doctor is treating me and doing me good. The Commissioners Doctor examined me and reported to the Trade and Labour Society that I was suffering from an enlarged liver, so I am between the two and am at the loss of my benefit. The Health Insurance is likely to be a curse instead of a Blessing, but it will create fat jobs for those Playboys that wont give fair play. The emplpyers have to pay double rates now. In justice to myself and the Ratepayers I ask your Board to apply for a Sworn Inquiry into my case as I dont think I am getting fair play. I got a letter from Mr. Mc. Carthy to attend at Dr. Doyle's Surgery on the 6th. January and found him to be in Dublin. I was not out for five weeks before that and was knocked up worse since then."

Order. "The Board have nothing to do in connection with this matter."

Mr. O'Connor asked why the Master did not produce that agreement on last Thursday when the matter was being discussed or why did he not show it to the Committee.

In reply to a query the Clerk stated that on Thursday week, the Master reported that the Range in the Fever Hospital required repairs and he was ordered to get it done, on the following day (Friday) the Master told him(the Clerk) that a new range would be required as the old one was all broken. He then advised him to do nothing until the following Meeting.

Order. "That Cleary be paid for the three days he was engaged at the work and that the remainder be advertised for tender."

RE EPILEPTIC RETURN.

L. No. 141/M/1913. Dated. 3rd. February, 1914.

Calling attention to their letter of the 2nd. Ultimo and requesting to have the returns called for forwarded immediately.

Order. "Forwarded with Minutes."

RE POSTING NOTICES.

L. No. 3455/1914. Dated. 30th. January, 1914.

Referring to Minutes on the 15th. Instant and stating that they have sanctioned the payment of a sum of TWO Pounds Each to Relieving Officers Kelly and Murphy for posting Notices in their Districts during the past year.

RE SUPERANNUATION ALLOWANCES.

L. No. 139/M/1913. Miscrllaneous. Dated. 2nd. February, 1914.

Giving instructions as to the mode of procedure to be observed in calculating the amount of Superannuation to which an Officer would be entitled.

Order. "L.G.Board's directions to be followed."

RE SUPERANNUATION ALLOWANCE TO R.P. WHELAN.

The Clerk stated that the next item on the agenda was the consideration of the Notice of Motion standing in the name of Mr. James Murphy, Enniscorthy to consider the question of granting a Superannuation Allowance to Mr. M.J.Whelan ex- Relieving Officer. Continuing the Clerk stated that Mr. Murphy had made some serious charges against Mr. Whelan on the previous Thursday and stated that unless Mr. Whelan had lodged monies alleged to be due to the Guardians, he would not move his notice of Motion. The matter had been brought under the notice of Mr. Whelan and he had replied as follows:- "In reply to your letter re discussion of Outdoor Relief at Meeting last Thursday in the case of Mary Murphy, it is a tissue of falsehoods as admitted since by her. As to the Sheridan case, I had absolutely nothing to do with getting her O.D.R. as every Member of the Board at the time knew, there was a Committee up

through the House and when they came back to the Board, the Chairman stated to the Meeting that there was a woman in the House with Six Children, she was costing the rates on an average per head of 4/3 or £1 : 9 : 9 per week, she was then granted unanimously at a large Board 5/- per week O.D.R. which was a saving to the Rates of £1 : 4 : 9 per week or £64 : 7 : 0 per year, only rhis was granted she should stay in the House. The other cases mentioned were fully explained to the Board and to the Auditor, the latter went into them fully and I lodged to the credit of the Union what he certified as being due. Since my resignation I have possibly met every Member of the Board and I have not asked one to support my superannuation nor have I written to anyone, as I know they will do me justice."

Mr. Murphy stated that he did not believe Mr. Whelan's explanation as a woman died in July and was receiving O.D.R. up to February or March, he would not move his Notice of Motion.

Mr. Stephens asked Mr. Murphy what proof he had of his statements, as there were cases like that mentioned before them on a former occasion and on investigation it was found there was no truth in the statement.

The Clerk stated that if there were any charges to be made against Mr. Whelan, the proper place would be before the Auditor next Week.

In reply to a query the Clerk stated that Mr. Murphy could not withdraw his Notice of Motion without the permission of the Board.
It was unanimously decided to refuse Mr. Murphy permission to withdraw his Notice of Motion, but Mr. Murphy refused to move it whereupon, Mr. M. Fortune moved "That in accordance with the Notice of Motion already circulated that the Board proceed to consider the question of granting a Superannuation allowance to Mr. M.J. Whelan."

Mr. A. Slye Seconded the proposal, which was passed with Mr. Murphy dissenting.

The Clerk stated that Mr. Whelan was sanctioned as Relieving Officer on the 31st. January, 1891, this gave him twenty-two years service and in the case of an Officer who had served ~~fifteen~~ twenty years or over, the Board could add ten years for good service, if nothing were added in Mr. Whelan's case, the amount would be £12 : 16 : 8 per annum, whilst if the Board added ~~xx~~ Ten Years, the amount would be £18 : 13 : 4.

Copyright: Wexford County Archive

Mr. T. O'Connor proposed "That Ten Years Service be added to Mr. Whelan's years of Service and that he be granted a Superannuation allowance of £18 : 13 : 4 per annum."

Mr. James Lynch Seconded.

Mr. T. Cleary Proposed "That no years be added and that he beallowed £12 : 16 : 8.

Mr. J. Quinn seconded.

On apoll being taken the amendment was defeated by 18 Votes to 5.

The resolution on being put was carried by a like majority.

L. No. 948/1914. Dated. 29th. January, 1814.

Adverting to their Circular Letters of the 17th. February, 1903 and the 10th. February, 1905, the Local Government Board for Ireland desire again to invite the attention of the Board of Guardians to those provisions in the prescribed Form of Contract and Bond for the supply of Medicines and Medical and Surgical Appliances under which Contractors are bound to deliver goods, as ordered and required at the Workhouse and the respective Dispensaries in the Union, and also to arrange for the packing of the empties and for their conveyance back from the Workhouse and Dispensaries to the Railway Stations.

The Board understand that in some Unions the Contractors experience much difficulty in obtaining reliable carriers, and that the charges are ~~xxxxxx~~ generally high and oftentimes wholly exhorbitant. Disputes frequently arise, too, respecting the demands for the services in connection with the return of empties.

The Board would point out that the Guardians ultimately bear the local charges for cartage and also the expenses entailed by the return of the empties. The Contractors in drawing up their tenders must necessarily take account of the probable outlay, and their estimates have no doubt been sufficiently high to safeguard their own interests, but in consequenc e of the want of accurate information as to these local expenses the terms offered to the Guardians are not so favourable as would otherwise have been the case.

It would therefore, promote the competition for the contracts and in that way be an advantage to the ratepayers if a definite scale of charges could be framed for the local cartage and for the return of empties. Arrangements might also, if possible, be made under which the Railway Companies would accept delivery of the empties without prepayment so as obviate delays. The Board would be glad if the Guardians would refer this question to the Clerk of Union and Medical Officers and ~~xxx~~ them to frame a workable Scheme on reasonable terms to suit the conditions of the Union. The details of the Scheme, when settled, might be communicated to this Department and also furnished on application to intending Contractors.

Order. "L.G. Board's suggestions to be carried out."

Order. "L.G. Board's directions to be carried out."

RE ANALYSIS OF DRUGS.

L. No. 6013/1914. Dated. 4th. February, 1914.
Referring to Minutes on the 29th. Ultimo and requesting that the Medical Officer of the Enniscorthy Dispensary District may be called upon to explain why samples of Drugs delivered into Stock on the 30th. August last did not reach the Analyst until the 11th. December.

Order. "Referred to Dr. Kelly."

RE COMPLAINT AGAINST DR& KELLY.

Dr. T. J. Kelly, Medical Officer, Enniscorthy Dispensary District wrote as follows :- "I beg to acknowledge the receipt of your demand for the names of the Persons I attended on the 13th. Of January when sent for to visit Mrs. O'Neill's Mother at Crane. Such a communication from me would be a violation of the traditions of the honorable profession of which I am an humble Member. The transactions between Physician and Patient are confidential and from time immemorial have been treated as privileged by every decent body in the land."

Dr. W.P. Kelly wrote as follows:- "In consequence of certain statements made at your Board in reference to the above case, it has become necessary for me to make a statement which is as follows:- On the evening in question Mrs. Neill and her Sister called bringing a ticket for their Mother; My father being away from home they asked to see me, requested me to see their Mother, explaining that she was not in need of Medical Attendance but they (Mrs. Neill and her Sister) wanted to bring her to Mrs. Neill's House in Enniscorthy and they were doubtful if she were strong enough for the Journey, which question they wanted me to decide, as one of her daughter's (Mrs. Neill's Sister) was leaving for England in the morning, they wanted

the matter seen to that same evening. It would have been extremely inconvenient for me to go out then and I said that I could not, whereupon the ladies broke forth with much volubility and demanded that I should go there and then. Allowing some time to them for relieving their feelings, at length, being unable to afford them lodging for an indefinite period, I opened the door and they took their departure, still with much volubility. As they had asked me to see their Mother I called next day and found that another Doctor was in attendance. Now Gentlemen I am in the habit of attending to any urgent Dispensary Case which turns up in the absence of my Father and it was because of this amount of humanity, on my part, that I was and am thus attacked. For anythin I have done I asked no material return, not even gratitude, but I expect, like most men lay and Medical, common decency and common sense. I would point out further, if further proof is needed; the fact that they wanted to move the woman, in the inclement weather then prevailing proved they did not think her urgently ill; For what sane person would carry such a Patient more than three miles on that evening."

William Connors, Russ Road, Enniscorthy wrote as follows:- "In consequence of the attack on Dr. Kelly, it seems necessary that the name of the Midwifery Patient whom he was attending on the evening in question should be given. My wife was the patient, now in the second place, I must protest and every decent man will support my protest against the demand for the name of of a Doctor's patient to satisfy the obviously personal spite of a Member of the Board of Guardians, it is really indecent this demand and most unfair to the sick."

Mr. Stephens stated that as far as he was concerned there was no spite as Dr. Kelly and himself were personal friends, but he believed that Dr. Kelly did not do his duty in this case. Mrs. O'Neill was before the Board at last Meeting and everything she said could be corroborated on Oath by her Sister if necessary.

After a long discussion Mr. James Murphy, Ballyhuskard Proposed "That the matter be referred to the Local Government Board, as the Board of Guardians are not satisfied with Dr. Kelly's explanation."

Mr. Stephens Seconded.

Some Members took exception to the wording of the resolution as being prejudicing the case.

As an amendment Mr. A. Doyle moved "That the matter be referred to the Local Government Board without any observation."

Mr. James Murphy, Enniscorthy seconded.

Another long discussion now ensued and eventually Mr. Doyle withdrew his amendment and the original resolution was passed with one dissentant."

RE TUBERCULOSIS DEPOT.

N.J.Frizelle Esq. Sec, County Council wrote as follows:- "Referring to the use of portion of Enniscorthy Dispensary as a Branch Tuberculosis Dispensary, a letter was read from the Local Government Board at the Meeting of the County Committee on the 28th. Instant, in which they state 'The Board would not object to the payment, out of the County Council Funds, of remuneration at the rate of £3 per annum, as proposed, to the Caretaker subject to the continued use of the premises as a branch dispensary.' The Committee adopted the following resolution "That the Enniscorthy Board of Guardians be requested to enter into an Agreement with the Wexford County Council to allow them the use of rooms in Enniscorthy Dispensary as a branch Dispensary under their Tuberculosis Scheme for at least one year, in order to comply with the terms of the letter of the Local Government Board under date 22nd. January (No.3544 1914 Wexford County)."

Mr. T. O'Connor proposed "That the Board agree to give the use of the Dispensary for one year."

Mr. James Murphy (E) Seconded.

Mr. T. Cleary Proposed "That permission be not granted."

Mr. James Murphy (E) Seconded.

On apoll being taken it was decided by 9 Votes to 7 to give permission for the use of the Dispensary for one year."

Notice of Motion.

"Take notice that I will move on this day fortnight, Thursday, 19th. February, 1914 that the resolution granting the use of Enniscorthy Dispensary as a Tuberculosis Depot be rescinded."

RE COMPLAINT AGAINST DR& KELLY.

Mrs. Mary O"Neill, John St, Enniscorthy wrote as follows:-

"I see where Dr. W. Kelly writes to your Board and says that I wanted my Mother to be removed the evening we called. I wanted him to see when she would be fit to be removed and not as he stated, he also states that we lost pur temper in the Hall, there was no such thing ever happened. Wgen we presented the ticket he commenced to curse us and ask us why we did not bring this ticket in the morning. My Sister said to him that we could not reach him sooner, he then got more enraged and opened the door and commenced to kick us out, there is no use in Dr. William trying to deny this, as there was a large crowd outside his door listening to his vulgar language. He also said that his father was gone out that road and now he stated that he was on the Ross Road. I wonder which of these are true. No doubt I could pay for a Doctor for my Mother, but I thought I was entitled to a Doctor the same as any other person in my position without being bluffed and bull-beaten by Dr. William, but I am prepared to go on Oath if required to verify what I have already stated, I am not shifting like the learned Doctor. Thanking you Gentlemen for paying such attention to this case as It may help some other poor person, who needs the Doctor."

The Clerk stated that it would not be advisable to make any order on this letter in view of the fact that the remainder of the correspondence in connection with this case had already been referred to the Local Government Board.

No Order Made.

"I beg to report that I have audited the accounts of the Enniscorthy Union for the half-year ended the 30th. September last and to enclose duly certified abstracts thereof. Stock of the Clothing Materials waw not taken at the end of the Half-year and I was, therefore, unable to certify the accuracy of the Clothing Books. Further, no valuation of these materials was possible, which caused the apparent cost of clothing to be unduly inflated. Ten Gowns and Six Bibs, made in the Workhouse, were omitted from the Clothing Receipt Book. This Book is kept by the Clerk instead of the Master."

Order. "Stocktaker's attention to be called to above Matter in future and Master to keep the Clothing Receipt Book."

MASTER'S REPORT.

Cream per Centage.

Cosgrave 11 4/7. Ryan 12 1/3.

The Master reported as follows:-

"On the 27th. Instant a Woman and Five Children suffering from Scarlatina were sent from the Workhouse to the Fever Hospital."

Order. "Medical Officer to be asked to state the cause of the outbreak in the House."

"The Provisions that have been supplied are in the Boardroom for inspection."

Order. "Satisfactory."

"A girl named Maggie Pender from Monamolin Rathnure gave birth to an illegitimate Child in the town, she came to the House two days afterwards, she is now recovered, please say what to do with her as she belongs to New Ross."

Order. "Master to fully investigate and report."

RE VISITING COMMITTEE'S REPORT.

Messrs:- L. Harte, T. O'Connor, A. Doyle & J. Pingston reported as follows:- "We find that the Coal allowance to the Infirmary & Convent, 10 Tons, fixed last year is inadequate. We recommend an increase of two Tons per annum, the disfribution thereof to be in the manner observed previous to last year. We recommend that the new Apartment allotted to the Master be ceiled. Portions of the roof of the Workhouse require repair, the attention of the Contractor should be drawn to this."

Order. "Committee's report approved of."

The Medical Officer reported as follows:-

"I regret to hear that the Board did not adopt the Bathroom in Fever Hospital on last Thursday. For a very long time we did not need one so badly as of late and it seems to me that a great deal of value will be obtained for a comparatively small outlay. A new range with Hot Water Apparatus, a new bathroom with new bath &c and a very capacious water tank overhead. I hope the Board will see their way to take up this matter again. I would also call the Board's attention to the fact that as all these are new works, the Local Government Board would grant a Loan for them extending over 20 or 30 Years, so they would only cost the Ratepayers Four or Five Ponds a Year."

Mr. T. O'Connor Proposed "That the Engineer draw up a Plan and submit same to next Meeting and that the necessary work be carried out."

Mr. James Lynch Seconded.

Passed Unanimously.

The Clerk reported having communicated with Mr. Brown and received the following reply:- "In reply to your letter from Local Government Board, I beg to inform you that I have finally severed my connection with the Licensed Trade and have arranged to reside with Mr. Laurence Codd, Hardware Merchant, Main/ St, Enniscorthy. Medical Charities Acts (14 & 15 Vic., cap. 68, &c.)

MINUTES of Proceedings of the Board of Guardians, under the above-mentioned Acts, at a Meeting held on THURSDAY, the 5th. day of March 1914

PRESENT—In the Chair— T. Hayes Esq.

Other Guardians:— See List.

Estimates and Requisitions for Medicines, and Medical and Surgical Appliances, required by the Medical Officers of the undermentioned Dispensary Districts were laid before the Board, and directions were given thereon as follows:—

Name of Dispensary District	Total Cost £	s.	d.	Directions given by the Board
Clonroche	6	11	3	To be forwarded to Contractor.

Distinct Requisitions from the Medical Officers of the undermentioned Dispensary Districts were laid before the Board, and directions were given thereon as follows:—

Dispensary District	Medicines, &c., required, not comprised in the Prescribed Lists	Total Cost £	s.	d.	Directions given by the Board

Dr. B. Connolly wrote as follows:- "As requested I have seen the room and kitchen which Kate Ward is willing to give as a temporary Dispensary, the kitchen would be quite suitable for a waiting-room, and the room, though rather small for a consulting room and place for keeping the Medicine and Appliances, could be made to do for the present; as it is the only place available, as far as I can see, in the Village there is no choice but to take it. Possibly she may have a more suitable room later on which she cannot give now as it is otherwise occupied. As to the terms she wants Four Shillings per week which does not seem unreasonable taking into consideration that it is only with considerable inconvenience to herself and with the desire of providing a way out of the present difficulty that she offers them at all."

Order. "Offer accepted. Clerk to communicate with the Board of Works with reference to the new Dispensary and ask them to point out exactly what matters they take exception to."

RE CHARGE AGAINST DR& KELLY.

Dr. T. J. Kelly, Enniscorthy wrote as follows:- "In reply to your communication re Redmond case, I have communicated with the Local Government Board."

Mr. Whitty Assistant Clerk stated that when he called on Dr. Kelly for the ticket in this case, he was informed that the Ticket had been given to Dr. W.P.Kelly and that it had since been lost.

No order made.

Signed.

"I received the following letter from Sergt. Groves."

Copy.

"On night of 26th. March last, a woman named Anne Sweeney of no fixed residence got suddenly ill on Shannon Hill. Some person got Dr. Kelly to attend her and he issued an order for the Workhouse Ambulance to convey her to the Workhouse. The woman was brought under the notice of the Police, who waited for the Ambulance for about three Hours, but as it did not arrive they were obliged to employ a conveyance to take her off the Street, it being then Midnight. A charge of 2/6 for the conveyance of the woman to the Workhouse, is I believe a reasonable one for the men who did the work, but the Police have no funds to meet such and I request that it be paid by the Guardians. The Doctor's order was left at the Workhouse about 9-25 P.M."

The Master stated that the Police told him when they brought the ticket that they would call to the Ambulance Driver on the their way back and tell him to bring the Ambulance. The latter stated that they never called on him.

Order. "Police to be asked why they submitted Bill when they did not act as promised."

RE BUTTER CONTRACT.

Mr. James Murphy drew attention to the Butter supplies at last Meeting and which had been rejected by the Board and an Order made to the effect that the Contractor should supply Butter in accordance with his Contract before 1-15 A.M., he wished to know if the Contractor had supplied the Butter by the time directed.

The Master stated that he had not supplied the Butter by the time directed but he had supplied it against #our O'Clock. He had then asked the Chairman and Clerk as to what steps he should take, they had advised him to show the Butter to the Doctor and if he approved of it, to accept it he had carried out these instructions and the Doctor had approved of the Butter.

Mr. Murphy contended that when the Contractor had not supplied the Butter by 1-15, the Master should have purchased it elsewhere at the Contractor's expense.

Order. "That all Contractors be notified that any goods supplied, which are not up to the Standard will be rejected and a fresh supply purchased at the expense of the Contractor."

RE OUTDOOR RELIEF.

Mr. T. McCarthy stated that Nurse Hayes had informed him that the Relieving officer (Browne) had not supplied the nexessary goods to a woman named Smith of Shannon.

The Clerk stated that if there were any charge to be made, it would be better to have it put in writing and let the Relieving Officer reply in writing.

The case was left over without any order as Mr. Browne had not the necessary Vouchers with him.

RE TEA CONTRACT.

On the report of Sir Charles Cameron that Sample No. 12 supplied Mathew Ryan was the best Sample of Tea submitted to him, the tender was accepted unanimously.

Adverting to previous correspondence and forwadding for the consideration of the Board of Guardians, copy of a further letter received from Dr. Kelly, Medical Offiver of the Enniscorthy Dispensary District, relative to the charge of neglect of duty preferred against him by Mrs. O'Neill in the case of her mother, Mrs. Mary Redmond. The original Medical Relief Ticket on behalf of Mrs. Redmond.is enclosed.

Copy of Letter.

"Referring to your former request to send you on the Visiting Ticket about which Mrs. O'Neill complained, at the time Dr. William Kelly could not find it, but since it has turned up and I now enclose it herewith. You will observe that the date is incorrect, and that there was no indication of urgency on the ticket. You will also observe that Dr. William Kelly was acting in his capacity as a private practitioner, and not as any deputy of mine. If the case was really an urgent one, the people had their remedy when the Dispensary Doctor was absent on duty. They could have brought the ticket to the Relieving Officer and demand off him that he should supply a Doctor for them forthwith, which they did not do, but made their own arrangements."

Mr. James Murphy Proposed "That the Local Government Board be asked to hold a Sworn Inquiry into this matter."

Mr. T. Cleary Seconded.

Passed Unanimously.

RE ARTIFICIAL LIMB.

Miss Mary Cogley, St. Johns St., Enniscorthy wrote as follows:- "I wish to bring the following facts under your notice. Eight years ago your Board kindly procured me an artificial limb, as I was then a young girl, the limb has had to be changed and repaired in diffarent ways, so much so that now it is six inches short and so narrow in the socket that it cannot be worn without causing severe pain. I am beholding to earn my bread and am a sewing maid and I need not point out to you that it is physically impossible for me to maintain myself under my present circumstances. If you would kindly consider the question of giving me a new limb, I would feel forever grateful for your kindness, as in my present state, if it continues, I must eventually become a Chronic patient in the Hospital."

Dr. T. J. Kelly wrote as follows:- "I visited this girl and she wants a new appliance."

As I am a poor widow woman for the last seven years and my mother also a poor old invalid for the last 20 years. I have four Children, the oldest of the four is 13 years of Age and the next eleven and the next 9 and one 7. I am only getting one and sixpence out of the Union Relief and my Mother is getting the same. We were getting half a crown a piece myself and my mother and they took it off us three weeks ago, and they had no foundation of what they cut us off for and my mother and myself put in a letter to the Board for to-day Thursday and all they gave us 3/6 each and I an my poor Children starving, we were only starving on the 2/6 and we are worse now, I had to go to Rev. Father Fitzhenry last Monday morning and ask him for God Sake to give me something to get a bit to eat for my poor Children before I sent them to School. I am not able to pay rent for a House for myself, and between my Mother and Myself, we are trying to pay for one between us. My mother is only a poorobject and I cant leave her by herself, so I would be very thankful to the Gentlemen if they would be so kind as to grant both my Mother and myself something fair to try to live on, and I can get good recommendations if the Gentlemen require them."

Copy of reply.
