Mary Browne 34 years of age & 3 children, under 15 years. Her husband, her only means of support is in the Union Hospital, on certificate from Dr Pierse. Ordered.

That we, the Wexford Board of Guardians, request the Local Government Board to be good enough, to state whether relief can be afforded, otherwise than provisionally by the Relieving officer, in this case, and, if not would the fact of the husband's name being put on the Book, make it a legal case; furthermore in all cases, we would feel grateful to be informed, if the head of the family is to be put on the Relieving Officer's book, whether he is the applicant for relief or not. In this case, of course the husband is getting relief in the Hospital, and the Guardians wish to know, if they can relieve his wife & family outside either in money on their own authority, or in kind by the Relieving officer.

*The following Orders of the Local Government Board for Ireland were laid before the Board, and directions given thereon as follows :*

*The following Letters from the Local Government Board for Ireland and others were read by the Clerk, and directions given to answer them respectively, to the following effect (or, Orders made on them respectively as follows) :*

No 7051/1902; dated the 14th February, 1902. Stating with reference to the Guardians minutes of the 1st inst relative to the proposed erection of a covered passage, in the Workhouse Infirmary, that they cannot approve of the Guardians proposal to have these works, carried out, under the Superintendence of Master of the Workhouse, and requesting that the Guardians will employ, a Clerk of works, or other competent person for the purpose.

Ordered. The works are now almost completed (vide master's report) under the Superintendence of Mr M. A. Ennis JP.) who is an expert, at the building trade, and the master that the work is a credit to these gentlemen, and we request the Local Government Board, as the work has been done for almost half the price, tendered for, to sanction the remuneration passed for the master. The lowest tender was £38, and the work has been done for £20-16-5.

Regarding the complaint made by the Fever Hospital Servant, Bridget Furlong (who proved unfit for the position) against the Matron, Miss O'Connell, a letter was read from the latter, complaining of the way the

charges were brought against her, by Mr John Codd, saying it should have been investigated before being published, to the detriment of her character.

Miss Furlong appeared before the Board and sub-~~stantiated~~ repeated the statements in her letter to Mr Codd, by whom the matter was brought forward.

Eventually a committee was appointed to go to the Fever Hospital with Miss Furlong, and investigate the charges.

The following decision was arrived at by the committee, appointed by the Board re-the charges against Miss O'Connell.

We have examined Bridget Furlong, with reference to all the charges preferred by her against the Matron of the Fever Hospital, and we are unanimously of opinion that she has totally failed to substantiate, any charge whatsoever, against Miss O'Connell. We all deeply regret the pain and annoyance that has been caused to Miss O'Connell by these unfounded charges.

We have much pleasure in recommending the Board to retain their confidence in Miss O'Connell, as Matron & Nurse in the Fever Hospital.

*The following Orders of the Local Government Board for Ireland were laid before the Board, and directions given thereon as follows :*

*The following Letters from the Local Government Board for Ireland and others were read by the Clerk, and directions given to answer them respectively, to the following effect (or, Orders made on them respectively as follows) :*

No 12434/1902. dated 10th March 1902. Forwarding the School Inspector's Report, on the progress of the Workhouse Male School, which contained the following observations. The Teacher made no attempt to carry out the requirements of the new Programme, in English and Arithmetic, and he did not introduce any of the new branches - he did not even read the new code.

Mr McGrath is old and lacking in energy, and a young trained Teacher should be appointed in his place. Ordered. Mr McGrath has resigned, and the matter of the advisability of the appointment of a new Teacher is one which will shortly come before the Guardians. The Guardians consider the new Programme too much for a man of Mr McGrath's Years.

No 13,164 - 5/1902 dated 11th March 1902. Forwarding the School Inspectors reports, relating to the Female & Infant Schools, both of which were satisfactory.

Mr Colfer Solr wrote stating, with regard to the man Meyler who owes the man over £4, for the m[illegible]

child, that the debt must be treated as an ordinary one and recovered by Civil Bill, that as he has no property, it cannot be recovered in the ordinary way by the Sheriff, that being so the only course open to the Guardians was to get an instalment Order against Meyler, and in default of payment, to committ him to prison, but before getting this instalment Order, the Guardians should satisfy the judge, that the man has means, and from the facts stated to him, they could not do that. He feared, the case would fail if proceeded with.

It was decided to ask Meyler to pay the amount due, even by instalments.

The Secretary, Co-Committee Gaelic League, forwarded Cards for distribution amongst the Guardians, regarding the Support of Irish Manufactures, Irish Games & Customs, and the encouragement & Study of the Irish Language.

Acting on instructions the Nurse refused to allow him through the Hospital but he ignored her protests and was very insulting towards her. I would wish the Board to make some Order to prevent the like occurring again.

*The following Letters from the Local Government Board for Ireland and others were read by the Clerk, and directions given to answer them respectively, to the following effect (or, Orders made on them respectively as follows) :*

No 22, 318 - 1900, dated 25th April 1900. Acknowledging receipt of the Guardians minutes of the 19th inst, containing an entry of the report made by the Master, respecting the conduct of Mr McCarthy, Boro' Surveyor, on 3 occasions which he visited the Fever Hospital and stating they await the next minutes of the Guardians proceedings. Meanwhile the Board desired to draw the Guardians attention to sec 32 of the Public Health, Ireland act 1896, and stating, they are advised that a workhouse is a building for "public purposes" and that the Urban District Council and the Officials have ~~no~~ therefore no right to inspect it.

The Board went into Committee regarding the Complaint against Mr McCarthy - Miss O'Connell and Mr McCarthy attended and were examined by the Guardians. Eventually the following resolution was proposed by Mr Peacocke and seconded by Mr Ennis. That the Clerk be instructed to write to the Clerk of the Wexford Urban Dist Council, enclosing a copy of the Local Government Board's letter dated the 25th April 1900, and inform him that instructions have been given, to the porter of the Fever Hospital gate, to rigidly observe the rule, printed on the [illegible] Board

outside the gate, to the effect that no person be admitted to the Fever Hospital premises, without a written order from the Medical Officer.

A poll was taken on the motion with the following result For the Resolution, Messrs Peacocke, John Murphy Hore, Ennis, Joyce, P Scallan, Furlong, Roice, Mrs Ennis and the Chairman, 10, Against, Messrs McMahon Codd, Sinnott, 3. Did not vote Messrs Deverux and Lambert, 2. The Resolution was accordingly passed.

The Medical Officer who was present, put the following request in writing. I request that no person be allowed to visit the Fever Hospital without my permission or that of the Master, or that no repairs be carried out there without the Master or some responsible person being present, and when no patients are there.

An order was made in accordance with the Doctors request (Mr McMahon dissenting) and the Porter to be informed accordingly.

---

The report of the Committee on the Auditors report was considered. Regarding the suggestion to employ a second qualified Nurse - it was resolved on motion of Mr Murphy seconded by Mr Codd, that the matter be adjourned for 12 months. Regarding Provisional Relief it was resolved as follows. That the Committee having examined the Auditors Report, in reference to Relieving Officers affording Provisional Relief, find that according to their statements, there were no cases to comply with the entry made by Mr Browne, and we consider that in all the cases in which Provisional Relief was afforded the Relieving Officers were fully justified in the legal administration of the Relief. The Report was adopted.

At the same time they were satisfied to replace the Article.

Ordered = That the Contractors be asked on this occasion to substitute the Medicine, & Med Offr be informed that if the like occurs again, the Guardians will hold him responsible for the expense.

There were 2 tenders for the Fever Hospital Painting Rolooning one at £8-10-0 and one at £8-5-0 the lowest tender being that of Michael Furlong of Hawell Road was accepted. The Clerk will have him to Sign a Spec & Bond when Complete.
