The Report of the Visiting Committee was read, and orders were made thereon as follows:—

The Queries were all answered favourably except No 1. 6. & 11 to which the following answers were given, No 1 Yes, with some trifling exceptions stated in the observations. No 6. Yes as far as we could judge, &c. 8. The boys Clothing ought to be better. No 11. There is a hooping Cough.

We recommend that two able lads Nolan & Brosnan should leave the House to earn their Bread. There are a number of old Privy Mattresses lying about—they should be repaired. It appears that the Iron in them belongs to the Contractor who furnished the new Mattresses—the wood may be turned to other uses. The Yard late on the Queens side requires Pipes and also a few bolts. Some Weather Slating and a few other slight repairs by a Mason is necessary. The Passage into the Queens Day Room has an Offensive Smell. It would be a great improvement to have Screens over the Gates instead of the present Paraments. There are Idiots on both Sides who are quiet Inmates of a Workhouse as they are dangerous Lunatics. We recommend that they be taken before the Petty Sessions as evidence of their being dangerous could be given. We also recommend that Assistants as the Inmates in charge are generally too feeble to manage them, a door into the Superintendents Rooms. The Girls can again become their Nurses in the Hospital. It is a great object to give them instruction in Cooking Oatmeal &c. We ordered the sick Inmates now in a Ward over the Female Idiots to be removed into the New Building. The Linnen of the House does not appear to be well washed. The Windows in the Parlour Shop we think must be raised before Winter. A Glazier is much wanted.

(Signed) George Le Hunte

Ordered that the boys Nolan Brosnan & Carty be discharged from this House during the ensuing week, being able bodied and quite capable of earning their Bread outside that the old Privy Mattresses be taken up and the Number appropriated by the Master to such purposes as it was sent that the repairs stated to be necessary on the Yard Gate be completed by the Board on the next day. Mr. Le Hunte is in attendance that the Contractor for the Weather Slating and the other repairs referred to done without delay, that the passage into the Queens Day Rooms be altered that the Lunatics signated in the House be brought before the Petty Sessions by the Master with a view as their being committed to Gaol, that the question of removing the door to the Mens Yard be considered when Mr. Le Hunte is present, that the Guardians approve of the removal of the sick Inmates into the New Building, that the Master had been directed to distribute the Matrons forces that the Linnen in future will be properly washed, and that the Glazing necessary be done at once.

Master's Report

The following Orders of the Poor Law Commissioners were laid before the Board, and directions given thereon, as follows:—

I have to request that a Committee may be appointed to take stock of the Provisions and Necessaries that may be on hands on the 29th Inst, also to take stock of clothing clothing materials &c &c as soon as convenient,

About 20 of the locks at the mens side of the House will require to be changed, and four new keys made for them, so that those keys will not open the locks at the womens side of the House,

I have to request that the Board will give me credit for 775 lbs soap, which is the decrease in the half year on 23 Boxes,

The Corn is all in Stacks except a small plot which will be saved next week, I wish to get the Boards directions about it,

A supply of Barragan will shortly be wanted,

I sent six of the women who have illegitimate children in this House before the Court of Petty Sessions on Wednesday last, their evidence was not received because I believe there were not two Magistrates having jurisdiction beyond the Borough on the Bench,

The following Letters from the Poor Law Commissioners, and others, were read by the Clerk and directions given to answer them respectively, to the following effect (or, Orders made on them respectively as follows):—

Ordered that Messrs R. Allen & John J. Hatton have been appointed to take stock of Provisions & necessaries on hands on the 29th instant that Mr J. M. Vicary has consented to take stock of Clothing & Clothing Materials in the House as early as will suit his convenience, ~~and also~~ that the master is hereby directed to have the locks on the mens side of the House changed and four new keys made for them as early as possible and with the least possible expense to the guardians, that credit be given in the Provision Check & Consumption Acct to the Master for 775 lbs soap, that the Clerk instruct Mr John J. Walsh to sell the Corn by Auction when ready, that the Clerk advertise in the People Newspaper for the supply of 100 yards Barragan Tenders to be considered on the 18th Prox and that the Master has been directed to accompany the women referred to in his Report, to the Petty Sessions Court on Wednesday next,

The following Letters were read

No 20180-1-2-3 & 4/62 dated 23rd Sept 1862 sanctioning the appointment of Messrs Thos Sharpe, James Rea, James Murphy, John Stafford, & Michl J. O'Connor, as Poor Rate Collectors,

Moved by Mr Thos Murphy and seconded by Mr Thos Walsh & passed,

That Mr Thos Murphy of Ballybeg be accepted as one of the securities of Mr James Murphy Poor Rate Collector instead of

of Mr James Rainor, whose office of Guardian disqualifies him from being security for a Union Officer,

No 20098/62 dated 24th Sept 1862 stating that they have made a Communication to their Excellencies the Lords Justices on the subject of the Lunatics Asylum for the Co of Wexford as requested by this Board,

Proposed by Mr Richard Lamfort and seconded by Mr Thos Walsh & passed,

That the Rate Books of the several Electoral Divisions of this Union be properly signed on this day and that notice of the Rates having been made & be given by the Clerk, in the form prescribed by the Poor Law Commissioners,

Moved by Mr Patrick Lambert and seconded by Mr Thos Walsh & passed,

That Warrants, to empower Messrs Michl Joseph O'Connor, John Stafford, James Murphy & Thos Sharpe to collect and levy Rates and arrears of Rates of the several Electoral Divisions comprised in their respective Districts, be properly signed and sealed with the Union Seal on this day and delivered to them by the Clerk when their Bonds shall have been perfected,

Ordered that the chargeability of John Neille be changed from the Division of Carrig to the division of Forth,

Moved by Mr James M. Vicary & seconded by Mr J. Rowe & passed (one guardian only dissenting),

That this Board is

is of opinion that it will have a most objectionable effect to oblige any portion of the Fever Hospital Patients (except Paupers previously inmates of the Workhouse) to wear any distinctive dress supplied by the Union from the Poor Rates, that this must have the effect of lowering the self respect of the independent poor who may be obliged to have recourse to Hospital relief, and also it is unjust to those who pay for their relief,

Moved by Mr. Patrick Lambert & seconded by Mr. James Browne & passed—

That we consider on this day six months the advisableness of appointing paid Assistants to take charge of the Lunatics & Idiots in this House, and that the Motion intended to be made by Mr. Le Hunte on this day respecting the appointment of an active Matron for this House, be brought before the Board on Saturday 11th Prox.

Ordered that a sum of 8s due on a House and premises in Ardcolm Division, and a sum of 6/4 due on House and premises in the Division of Artramont, and a sum of 4/3 due on House and premises in the Division of Kilpatrick are hereby cancelled,
