LABOURERS (IRELAND) ACTS.

Four Solicitors had sent in their Bills, in respect of their opposition on behalf of owners & occupiers of land, at the recent Inquiry held by Mr Agnew and the Local Government Requested to be furnished with the Guardians observations, on each of the cases included in the present application. The following resolution was proposed by Mr Browne seconed by Mr Pettit & passed unanimously. That this Board hope the Local Government Board will exercise the right & refuse to pay these Solicitors their preposterous Bills for the following reasons. (1) We think an organised attempt was made by these Solicitors to give factious opposition to the scheme. This was shown by their almost unanimous appeal to the Inspector to throw out the whole scheme, the same reasons being given over and over again by the different Solicitors. (2) This Board has now completed 3 schemes and we have never heard of Bills being before presented for opposition at the Local Enquiry although considered opposition was given at them all. (3) All the adjoining Unions have passed schemes and as far as we know no expense for opposition at Local Inquiry has been allowed (4) We direct our clerk to communicate with the County Members of Parliament and ask them to use their Influence with the president of the Local Government Board to pay these audacious Bills and thus prevent unnecessary taxation on the Rate payers.

ER'S REPORT :—

~~Mr. Gill,~~ ; Mr. Malone, 10 ; Mr. James Hayes, 9

Regarding the shipment of the Large Boar I made enquiries at the packet office, and Mr Kerr told me that there was no market for such meat in Liverpool. that he should be sent on to Birmingham, he also told me it would take nearly all he was worth to pay his expenses. I have since sold him to one of the Wexford men for £3.

Ordered :— Approved.

During the week I stopped the supply of Coal tendered for by Mr O'Keefe. I think it would be well if some of the Guardians would see it, as I do not consider it is according to contract.

Ordered :— A Committee was appointed and reported that the coal had too much slack, and was inferior in quality The Guardians approved of the action of the master, and the Clerk was directed to write to ~~no Coffee~~ Mr O'Keefe, that unless he supply best Scotch Coal, the Guardians would cancel the tender and advertise for a fresh supply.

The following Orders of the Local Government Board were laid before the Board, and directions given thereon as follows:—

The following Letters from the Local Government Board and others were read by the Clerk, and directions given to answer them respectively, to the following effect (or, Orders made on them respectively as follows):—

No 3283. 24th January 1893 Referring to the case of the Idiot Girl Mary Pender giving birth to a child in a passage adjoining the Idiot Ward of the Workhouse, and requesting the Guardians to obtain a report on the matter from the Medical officer. Also pointing out the necessary of appointing a paid night nurse & also a Wardsmaster for male Lunatics.

Ordered:— The Guardians did obtain a report from the Doctor which appeared in a minute of the 14th January.

No 245 27 January 1893 Replying to a minute of the 31st ultimo and informing the Guardians with regard to the case of Mary Purcell that the may if the consider the women destitute grant her out Door Relief.

No 2933 26th January 1893 Enclosing a letter received from Walter Zolin in which he stated that his sister was refused permission to see him and request the Guardians to furnish them with their observations on the matter. The Matron was called before the Board and denied the charge made against her by Zolin and stated that

45

she never refused the Girl leave to go up and that she was actually up in the house on the 14th instant, but miss Scallan did not allow her to bring potatoes with her, she also stated that she Cleaned & washed the Ward mentioned weekly, and gave changes of night Linen weekly, except in a couple of cases of itch.

The Guardians considered the matrons explantion quite satisfactory. The Letter of Zolin is returned herewith.

The Board was specially summoned to consider the recommendation of the Local Government Board to appoint a night nurse and Lunatic Wardsmaster. The following resolution was proposed by Mr Peacocke seconded by Mr P. Codd. and passed unanimously. That we derict that advertisements be issued for the appointment of an Infirmarian man to act as night nurse & in the hospital here – provided that the sisters take full charge of the whole hospital including the male Lunatic Ward. and take the full responsibility of its care The Guardians believe if the sisters do this, under the admirable arrangements that the have at present in force there will be no necessity to appoint a Wardsmaster for the Lunatic Ward.

Board by the Clerk of the Union until the 20th December when he furnished an abstract made to the 24th of that month, and since that date an abstract has not been received from the clerk until the 6th inst the return was forwarded extending to the 4th instant, it appears that only two abstracts have been forwarded by this officer, up to the present notwithstanding he is requested to furnish these returns at least once a fortnight, and requesting the Guardian will be good enough to call upon him for an explanation, on the subject Also requesting that the abstracts may be forwarded more regularly in future and trusting that the will not again be obliged to draw attention to the matter, The Clerk Stated that he did not receive any complaint from the Local Government Board this last six years, Previous to this if he had neglected to sent the returns regularly, the Local Government Board on one or two occasions sent him down a note informing him of the fact and requesting him to furnish them at once, He knew he was bound to send them at least once a fortnight. but the Collection here had been so always and it was so seldom necessary to find fault with the collectors, that he had not sent them for some years more often he believed than once a month, and sometimes longer and he had being doing this without complaint, He would have sent them earlier this year, but although the had been in the hands of the Printer, from early in October, he did not receive them from him until the 1st December, since which date he laid them regularly before the Guardians, of course he would sent the henceforth once a fortnight. The following resolution was proposed by Captain McGuire & seconed by Mr Wm. Pettit, & passed unanimously:— That the clerk having explained to the Board his practise for the past six years, the Guardians are perfectely satisfied, with his explanation, and the regret the Local Government Board, has though it necessary to depart from their usual practise on such occasions, and Publicy reprimand an Officer of such ability, & carefulness, as our present Clerk.

The Workhouse Register was produced, examined, and authenticated, from No. 2861 *to No.* 2894 *both inclusive, by the signature of the Chairman, and counter-signature of the Clerk.*

The Out-door Relief Register was produced, examined and authenticated, from No. ~~~ *to No.* ~~~, *inclusive, by the signature of the Chairman, and counter-signature of the Clerk.*

The Clerk's Report on the execution of Orders previously made by the Board was read, to the following effect:—

What he had complied with the orders given him by the Previous Board.

The Auditor attended here on Tuesday and Wednesday and audited the accounts of the Union. He left the following remarks on the books.

(1) The sum of 35^s due by H Roche on leaving the house in Kilmore E. D. and I cannot allow the Union to be at the loss of this sum and I therefore surcharge Collector T. Dillon with the sum of 35^s and I certify that this amount is due by him accordingly.

(2) Case No 323 N Walsh. The Relieving Officer has given three weeks relief at 2/6 per week without authority. I therefore disallow the sum of 7/6 and I hereby surcharge same against Walter Doyle Relieving Officer.

(3) The Statistical portion of Relieving Officers Doyles Relief Book is not at all correctly made out and his Application and Report Book was submitted to me in a most dilapidated condition

(4) All petty cash vouchers should be initialled by the Chairman of the Finance Committee before being passed.

(5) No credit has been given to Mr Ennis' Account for returned cement bags. This matter should be inquired into.

(6) An overpayment of 1^s can be deducted from Mr Hughes' next account

(7) Mr Ryan C.E. the sale of some old lead pipe but I do not observe any entry of its being sold.

(8) In all cases the Invoice Bills should be checked against the Provision Check account before being paid. Alteration and confusion in the book would thus be avoided.

(9) The Clothing Appropriation Book has not been written up since the 26th November last.

(10) The present system of pig farming does not appear to be nearly so remunerative as the system in operation some years ago. Very little profit appears to be made out of the farm from all sources and I think the matter might with advantage receive the attention of the Board of Guardians.

MASTER'S REPORT:—

Cream per centage:—Mr. Cleary, 9¼ ; Mr. L. Hayes, 10 ; Mrs. Maddock, 9¼
Mr. Gill, ; Mr. Malone, 10 ; Mr. James Hayes, 10

Fines:- Mrs Maddock 1.10; Cleary, 1.10; Malone, 8d; Hayes 2.2, J. Hayes 8d

I waited on the Doctor regarding the whiskey and he told me the sisters would not like to take the responsibility of it in bottles. It has since been tested and casked.

I took the measurement of the different yards requiring to be cemented in Hospital. I think if this were done it would tend to lessen considerably the rat nuisance. The whole place is swarming with them.

Orders:- That a main sewer leading through the Hospital Yard should be taken up and partially laid with 10" pipes — a portion to be done by next Saturday when a Committee will inspect.

There are about 1 dozen coffins now made. It might be well for a Committee to go see them.

Orders: Committee to report on them next Saturday

The following Orders of the Local Government Board were laid before the Board, and directions given thereon as follows:—

The following Letters from the Local Government Board and others were read by the Clerk, and directions given to answer them respectively, to the following effect (or, Orders made on them respectively as follows):—

No 4484. 24 February 1893, Referring to the resolution granting ~~permission~~ permission to Mr James Dwyer Bell Foster to erect a hoarding on the wall of a field held by the Guardians on payment of an annual sum of 1d, and requesting the Guardians to state if the field in question is part of the Workhouse Grounds as if so the hoarding cannot be erected without the Local Gov: Boards consent. and as the proposed letting would be of no benefit to the Union and the structure would be otherwise objectionable the Board would not give their consent unless strong reasons in favour of the arrangements were advanced by the Guardians.

Ordered:- The field is adjoining the Town Hospital and is a yearly taking – the lease being out. It is not near the Workhouse. The hoarding would be of considerable usefulness to the Public and the Guardians see no objection to allow the arrangment with Dwyer – who must remove the structure at any time on a weeks notice

No 4484. 24 Feb 93. Referring to the Masters report (last minutes) that the end wall of the new idiot ward was very damp and requesting to be informed of the action which the Guardians propose to take in the matter

Ordered:- The Committee appointed is to revisit and report on the matter on the 4th instant.

No 6594. 24 February 1893. Enclosing a letter from an Inmate named Neill in which Charges are preferred against the School-master, Mr McGrath, and requesting that the Guardians ~~make~~ may be so good as to make an investigation into the subject and furnish their observations on the charges in question.

Neil's letter charges (1) The schoolmaster with drunkness on the morning & night of the 25th of January. (2) absent from Workhouse on 24 & 25th of January. (3) having strange men not inmates in his quarters on the nights of 23, 24, & 25th of January. & giving his pass key to an inmate to go through the house at night ~~of~~ on an occasion, when one of the schoolboys took sick (5) Depriving the schoolboys of their rations and giving said rations to adult males in the schoolroom when the ordinary business was over the Guardians formed themselves into a Committee to investigate the charges. They examined a large number of witnesses on both sides and come to the conclusion that two friends from the country came to visit Mr McGrath on the 23rd & stopped that night & the two following nights in his quarters Mr McGrath stated that he did not know it was against the rules to keep these men, as he often knew persons to stop for a fortnight or more with the late master, he informed the Master on the morning of the 24th that he was going to the Coursing Match, and might possibly also go on the second day, the 25th. A boy took sick one night & he gave his pass key for an instant to an adult ~~female~~ Inmate to go to the Nurse to ask them to take the boy into Hospital. There were no proof of his given away the boys food to adult males in the Schoolroom Mr Mc Grath went with his friends to the Coursing match on the 24 & 25th leaving the Workhouse at 9:30 in the morning and returning a little after seven in the evening each day, His friends came in to him about 9:30 each evening & left with him in the morning. With regard to the charge of drunkness on the morning & evening of the 25th, the Guardians believe he was quite sober on that evening. but although the evidence did not quite sustain the charge of drunkness in the morning. "yet" he looked like a man under the influence

of ~~who~~ drink. or who had beeng drinking the night before
he was called before the committee, and told by the chairman
that they had grave doubts that he had been drinking on the
morning of the 25th. He said he had taken nothing but a little
ale" but that he would now take the pledge, under these
circumstances the Guardians agreed to recommend the Local
Government Board. to give him this chance. He produced.
the following certificate to day :- "Mr Mc Grath (schoolmaster)
has taken the total abstinence pledge."

LABOURERS (IRELAND) ACTS.

No 11,906. 5 April 1893 Relating to the further resolution of the Board of Guardians of the 18th ultimo, relative to the question of opening a seperate account with The Union Treasurer in respect of the Loan recently granted to the Guardians by under the Labourers Act, and in reference thereto I am to state that the present Master of the Rolls decided in a case which came before him in 1888 that Loans granted to a Sanitary Authority for a specific purpose should be placed to the credit of a seperate account with The Treasurer, & that in event of any portion of moneys so received being applied to other purposes the members of the Sanitary Authority could be held personally liable. If therefore the Guardians should decide not to open a seperate account in respect of the Loan referred to, the will do so on their own responsibility.

Resolved:- That the clerk consult with the Treasurer & arrange with him, so long as the Union had an absolute balance to its credit, no interest will be charged, when either the Loan account or the ordinary account is overdrawen.

The Application of R. W. Elgee Solicitor for £5.5. cost awarded him by the Local Government Board for opposing certain sites at the recent Enquiry, was postponed for a fortnight.

From Dr. Sheridan who was appointed some time ago Medical Officer of the Interin Hospital;—

Gentlemen,

I understand that the floating Cholera Hospital is to be moored at Rosslare. As I am Medical Officer of the Workhouse & Fever Hospital, and other Public Institutions I feel that I would not be able to efficiently discharge those duties, and at the same time attend to the Floating Cholera Hospital placed at such a distance from me. I am very grateful for your kindly appointing me to the position but I am sure you will see that with my other duties it would be utterly impossible for me to attend the Hospital properly

M J Sheridan.

Resolved:— That Dr. Sheridan resignation be accepted & that the Medical Officer of Broadway (adjoining which District the floating Hospital is to be moored) be requested to take the appointment & that the remuneration be £1 per day or part of day he will be employed on Cholera Business in connection with vessels in quarantine or the Hospital Ship.

It was suggested and ordered that the list be devided into parts & Shopkeepers be waited on & guarrantee got from them that they will be prepared to supply the articles in each part & put them on Board within 2 hours from time of getting order. There were some articles such as Beds, earth closets and Stretchers which it was thought could not be supplied on a moments notice. & it was resolved that the supply of these be taken into consideration by the Committee, & Board by next Saturday.

Mr Peacocke J.P. wished to know how the excreta would be disposed of on Board the Hospital Ship. & also in case of Death what arrangements would be made for interment &c. and it was ordered that the query be placed on the minutes with a request that the Local Government Board will reply at the best means.

[This to be entered on the occasion of every appointment of a new Committee, after the Annual Election of Guardians, and on the occasion of any election to fill any vacancies in a Dispensary Committee.

The Board elected the following Ratepayers to be Members of the Committee of Management of the following Dispensary Districts, respectively:—the Clerk to make a Return accordingly to the Local Government Board, and to issue the prescribed Notification to the Members elected, and to the Medical Officers of the respective Dispensary Districts in pursuance of Articles 1, 2, and 3, of the General Regulations for Dispensary Districts.—The Clerk was also directed to supply Check Books of Medical Relief Tickets, (Forms E 1 and E 2,) in pursuance of Article 29 of the Dispensary Regulations, to the new Members of the Committees; namely:—

LABOURERS (IRELAND) ACTS.

No 23,952: 9th June 1893. Local Government Board requesting to be informed of the number of cottages included in the Scheme made by the Guardians on the 3rd inst under the above acts
- No of cottages proposed to be erected - 72
.. .. dwellings to be provided with allotments 1
Total — 73 —

Rent Collector Doyle and Dillon applied for the annual amounts allowed them for filling in and furnishing their monthly reports on the Cottages -
Ordered - That a sum of £2:10:0 each be allowed.

Rent Collector Doyle furnished his May Report. No 31A Drinagh (formerly in the occupation of Catherine Stafford) is unoccupied. 0869. The Rent Collector to take up the cottage unless tenant goes to live in it.
John McLoughlin (tenant of No 32 Drinagh R.D.) owes 20 weeks rent and is working in Wales.
0892 - The house to be taken up unless rent is paid at once.
No 91 B. Kellumin R.D. - 20 weeks due. Tenant sick for a long time; is getting on all right now.
Ordered - Prosecution deferred.

The following tenders were accepted for building cottages :- No 35 + 36 Park Kilhenry Mountains at £78 each; No 52 Peter Keane Kilmanihill at £75.10 Nos 90 + 116 James O'Brien, Mayglass at £83-10-0 £84-10-0 respectively; No 74 Mrs. Doyle Bantown at £84; Nos 75, 80 + 81 Mrs Meehan Park Horetown at £81:10 and £84 respectively; No 107A. W. Sinnott Ladyisland £82-10-0; Nos 109 and 114 John White, Mayglass Forteach; No 119 Park Boley £83-10-0.

Mr J. Dillon wrote, regarding the tenant Mary Roche, that it took him 9 weeks to from the time he gave notice to quit until he got a new tenant in the Cottage. Regarding Nunnery it took 5 weeks. — Except under very special circumstances the Guardians would not allow to proceed against a tenant, until he at least owed 8 weeks. They think that under these circumstances that the Auditor ought to be asked not to surcharge Dillon first with the 13 weeks in each case and 2ndly with the time lost in evicting the tenant and getting in a new one - that is that Mr Dillon be not surcharged with a sum of £1-2-0 in Roche case & £1 in Murray's case. The Guardians would not interfere with Board's Order - That the Guardians would be complied to the Auditor
