There has been a great improvement made in the Sixed in consequence of its having been milled. In the different Workrooms I found the flat wheel all idle and was told it was for want of flat. The Board should consider the propriety of getting a carding machine as it would effect a great saving. Considered there should be a fire in the Infants School in such weather as the present and that the Schoolmistress recommend same. In the boys school there are from 20 to 30 without caps. X The following note was read from the Vice Chairman.

Dear Sir. Ballinacree 16 October 1857.

I regret that I cannot attend the Board of Guardians today being confined to my room by attack on my chest from cold. From a report that Messrs. Soutman and Rudd have given me in their assistance in the purchase of Cows the following has been done.

One cow with calf	10 £	} £37-9-0.
One do calf sold	6.19.0	
Two do calves sold	20.10.0	

We had sent Mr. Doran to the fair of Bagnalstown without being able to purchase. I offered Mr. Walsh of Wexford £12 for a remarkably fine cow but alas. She is an unusually good milch cow. She will calve in about a month. Should the Committee wish to enquire further, Mr. Purser may have made some purchase at Kilmacurrag yesterday if so let me have the account and I will send him the money. New Ross and Tadmor should be gone fair this evening week.

Make my compliments to Mr. Burke - I regret most particularly on account of his visit that I should be thus tied at home. I note what you mention respecting the Commissioners letter about the Collection of Ecclesiastical Division and was not aware that the Barony Constable had a right to select a part of the Collection within his Barony. The question in my mind was doubtful where the Electoral Division may be very differently circumscribed, it will be a great concession to the Barony Constable if he be allowed to choose such as are of easy duty and to reject the others. I don't now speak of the present case but of the principle that is to guide us in future.

To the Clerk
Ecclesiastical Union

Yours. John Maher.
Chairman.

The Bonds and other securities in force were laid before the Guardians by the Clerk, together with his Report thereon, as follows: (this on the second Meeting after the Annual Election in every year).

Mr. Rudd having vacated the chair Thomas Pounds Esq. was called there to.

On the reading of the Commissioners letter dated 11 October 1857 No 54,681 - Mr. Cullen stated he should take the opinion of the Board by Resolution on the reply to be given to this letter, that however much he regretted to differ with the Commissioners a sense of public duty as a Guardian compelled him to do so.

He then read the following Resolution which was seconded by Mr. Codd - That with reference to the Election of Mr. Michael Doran as Collector for the Electoral Division of Ennisceorthy we beg to refer the Commissioners to the Minutes of the Meeting of the 15th September when Mr. Thomas Rudd Esq. tendered his resignation as Collector for the Electoral Division of Ennisceorthy of the Rate on the ground of the insufficiency of the remuneration fixed by the Guardians at their Meeting on the 18th Sept. 1857; that in consequence of such resignation the Board has to advertise for tenders to be considered on the 2nd October last of which the Commissioners were informed by our Minutes; that tenders were received accordingly amongst which there was one from Mr. Doran who was only appointed by the majority of the Guardians, and in accordance with the act referred to by the Commissioners letter; that Mr. Rudd did not protest until after the Election, and we therefore very respectfully but firmly call on the Commissioners to reconsider their letter of the 11th Inst. and to give their sanction to our appointment of Michael Doran as Collector for the Electoral Division of Ennisceorthy.

The Chairman took vote when there appeared to be - For the Resolution 10; against - 5, and declared the Resolution carried.

Order. That Mr. Rudds Indent for the Office of Collector be placed on the Minutes.

Ordinary Business.

On the admission of paupers a deserted female child aged about 7 years was brought before the Board under charge of Catharine Brennan of Mountbary by Relief Officer O'Brien. Catharine Brennan states she keeps a lodging house since 1831. has known Mary Doyle the mother of the child now brought up to have been living with a man named John Byrne who was not her husband. left the child about 6 weeks ago without knowing anything of her intention to leave the child with her. has heard that the mother is now in Wexford Jail.

Ordered. That the child be admitted and placed on the Union at Lough and the Master write to the Gaoler of Wexford to say that the child of Mary Doyle now in custody was deserted by him and is now in the Workhouse requesting she may not be discharged without giving

his information.

James Moulton proposed as additional Secretaries Mr Robert Power of Comwallin and Jacob Power of Old Park near Newtown Barry.

Ordered. Mr Jacob Power of Old Park be accepted with the present Secretaries.

Resolved. That a Committee consisting of Messrs. James & Gullin be appointed to prepare a Memorial on the subject of the Annuitants in consequence of the heavy liabilities and impoverished state of the Ratepayers of this Union and that the Clerk call a special meeting of the Board for this day week for the adoption of such Memorial.

On the reading of Commissioners Letter dated 22nd October 1857. no 57.518.

It was moved by Mr Gullin and resolved on without a division. That we adhere to our Resolution of the 16th Inst calling on the Commissioners to sanction the appointment of Mr Michael Doan as duly elected by us on the 2nd Inst for the following reasons: that the Collector of the District for which Mr Rudd acts as Barry Constable was offered to him by our Resolution of the 18th ultimo at a remuneration of £10 per year in the form that on the 25th ultimo Mr Rudd did decline by his written statement to the Board to accept the Office of Collector on the grounds of the insufficiency of the remuneration offered; that it then became clearly our duty to proceed to the appointment of other persons to collect the Rate on the District for which Mr Rudd refused to act and we issued advertisements for tenders to be considered on the 2nd Inst and appointed proper persons to act, all of whom the Commissioners have confirmed with the exception of Mr Doan; that we cannot view the Law on this subject as giving Mr Rudd the power of resuming either the whole or a part or a part of a District at

any time he places after having resigned the Office, still be that the Act allows him after such resignation to select a particular Division and thereby embarrass the selection of the Board of Guardians and the carrying out of their ordinary duties. We therefore again reiterate our decision against the Tenders of Mr Rudd and very respectfully but firmly call on the Commissioners to sanction the appointment of Mr Michael Doan thus legally elected by this Board and in every way qualified for the Office his conduct being already approved of. With regard to the letter of Mr Rudd referred to by the Commissioners, we have to state that it was received by the Board in due time before the election as a Tender on which he was put in nomination against Mr Doan but as the Commissioners are already aware Mr Doan was elected by a Majority of the Board.

The following note was read from W. Wallace Esq.

Dalymore 23 October 1857.

Sir. I beg to forward herewith copy of a letter received from the Commissioners for administering the Law for relief of the Poor in Ireland - my object in doing so is to place it on the records of the Union.

Yours. W. Wallace.

To the Chairman
Board of Guardians.

Resolved. That the enclosure forwarded by Mr Wallace be not inserted in the Minutes as it has no reference to our present business.

Michael Kavanagh a pauper admitted to the Workhouse on the 14th September last in a very infirm state who has as he then stated become destitute in the Wexford Union, was examined and required to make a declaration, which he did as to the particulars of residence for the last 3 yrs and which was signed by W.R. Darnley J.P.

Ordered. That Hugh Kavanagh be transmitted to Wexford Workhouse with the above declaration as he was only received provisionally here until enquiry was made as to the fact of his having become destitute in the Wexford Union.

X Agreeably to notice Mr Rowe brought under the consideration of the Board the subject of erecting a flat Scotch mill on the Workhouse premises.

Moved by Mr Rowe

Seconded by Mr Tarmar and

Resolved. That the Commissioners be applied to for information whether in the event of the Board of Guardians wishing to erect a flat mill on the Workhouse premises will they be allowed to Scotch flat for the Public at a fair trade price. The outlay not to exceed £200 from which it is expected a large profit will arise, besides the general advantage of encouraging the growth of flax by affording a facility for its preparation of which great want has been hitherto experienced in this County.

X Mr Tarmar drew the attention of the Board to the present state of the Dispensaries by reading the following letter.

Wexford Dispensary
October 22nd 1857.

Dear Sir

Can you give me any information as to what provision is to be made for the support of our Dispensary or when it is likely the Medical Charities Act will be in operation. we have just £3 in hand and are much in want of medicines and other necessaries.

In fact I fear we shall be obliged to close the institution by the 1st November unless some means are made available for its support. We usually get in our subscriptions or or about the 1st October and then carried on or to July when we receive the County grant.

Expecting that by this time the Act would be in force we collected no subscriptions this year. Any information you can afford on this subject will very much oblige.

W. R. Tarmar Esq

Yours truly
Fred^d Stock

Ordered. That the attention of the Commissioners be especially requested to the above subject for the guidance of the Guardians as they believe all the Dispensaries in the Union to be similarly Circumstanced.

A Tender to supply 12 stone of Scotch Flax of sample at 5¹/₂ p lb was accepted from Michael Hoseney of Jurtan.

The Board then adjourned to Thursday the
30th October 1857.

Moved by Mr Cullin. That we view with surprise the letter just read from the Commissioners in answer to our Resolution of the 23rd Inst, the terms of which they have altogether overlooked. That we feel that any Resolution of the Board should be received by the Commissioners with more consideration and respect especially one of such a nature as that now under discussion as it was a reiteration of former Resolutions come to by an unusually full Board and without any dissent. That inasmuch as further explanation would be but a sacrifice of the time and position of the Board — once for all we pledge ourselves to adhere to our Original Resolution on the appointment of Mr Michael Doran as collector for the Electoral Division of University. That we caution the Clerk to be particular how he acts in the case and under any circumstances to make no move in the matter at variance with our decision.

Resolved. That owing to the publication of the Treasury minute appearing since the Resolution of this Board directing a Memorial to be prepared for submission to the Lords of the Treasury the Order that the Clerk do forthwith prepare a statement setting forth such Electoral Divisions as shall be found to have expended ^{within} the year ending 29 September four shillings in the pound including Rate in Aid chargeable on and paid by said Divisions, and also such Divisions as with their proportions of said Annuities would amount to 1/4 in the Pound and to furnish said list to the P.L.
