## Ordinary Proceedings

The Solicitor having appeared before  
the Board in reference to the letter  
of the Commissioners dated 21<sup>st</sup> Augt.  
54 No. 27005 — was requested to  
put his Statement on Paper

and which being read was Ordered  
to be placed on the Minutes

Sir

In reference to the Commissioners  
Letter of the 21<sup>st</sup> Instant relative  
to my having taken the Promissory  
Note of Mr. Cloney an under Agent  
of Mr. Colclough for the Rates due  
on part of his property as follows

The Rates due amount in the  
whole to £34. 0. 11 being made up  
of Rates upon four Numbers varying  
in Amount from £14 to £26 - that  
the Boundaries of those Numbers are  
so obliterated that it would be  
impossible to disham each Number  
for its own Rate.

That any legal proceedings to  
recover the Amount from Mr. Colclough  
would have been attended with great  
expense, delay and uncertainty -  
having already tried that course  
with Mr. Colclough and the obtaining  
Judgment not being able to realize  
the amount.

Seeing such difficulties it appeared  
to me that the offer of Mr. Cloney -  
to pass a promissory Note at a short  
date should be accepted and I consulted  
all Guardians I could meet in  
Emiscorthy on the day Mr. Cloney  
was in Emiscorthy - most of them  
knew Mr. Cloney's Solvency and  
every one approved of his proposal

being accepted, I telling them at the worst  
it only delayed proceedings until the note  
was due after which time we might either  
recover the amount of the Note from  
Mr. Cloney by a short, cheap and certain  
process or resort to our legal remedy  
against Mr. Colclough.

I advised the Guardians in this case  
as I do all my Clients - to adopt the course  
that will secure them the largest amount  
at the least cost.

Signed  
William Donovan

Board of Guardians
