Ourlart 13th November 1867

Gentlemen

I most respectfully beg for an increase of salary and to submit my reasons and claims for so doing.

In the first place my district is immensely large containing six Electoral Divisions of 36000 acres. I need not speak of the population of the poor that I have to attend to, for it is immense and known. I am convinced to the Board. In the second

An Invoice of Medicines forwarded by the Contractor, for the Dispensary District, in pursuance of an Order of the Board in their Minutes of having been received from him, the Clerk laid the Invoice before the Board, and (was directed to forward the same or, reported that he had forwarded the same, as the case may be,) to the Medical Officer of the District, retaining a Copy of the Invoice for the use of the Guardians.

On Application of the Committee of Management of the Dispensary District, the following supplies of Books, Stationery Forms, or other Requisites, were ordered to be supplied.

place I had and have to keep two horses otherwise I could not do my duty, taking into account therefore, the very high price of provender hay & oats at the present time. I find that I have very little to support myself.

I therefore hope you will favourably consider the question of an increase to my present salary.

Signed, M. D. Sheridan

The Population is reduced very much
