MINUTES OF PROCEEDINGS OF THE BOARD OF GUARDIANS OF THE ENNISCORTHY UNION,

on THURSDAY, the 25th day of February 1869.—continued.

SUPPLEMENTAL SHEET—MEDICAL CHARITIES' ACT, 14 & 15 Vic., cap. 68; and NUISANCES REMOVAL AND DISEASES PREVENTION ACTS, 1848 & 1849.

An Estimate of Medicines, &c., required by the Medical Officer of the Dispensary District, approved by the Committee of Management, was laid before the Board, with a Requisition from the Committee for the supply of the same, and directions were given thereon as follows:

A Letter was read from the Owner of the Dispensary House at St Mary's, stating that the remuneration now received by him for rent, attendance and fuel pr anno is only £6.0.0. He had application in the first instance to the Committee asking £14.0.0. The Committee declined consenting to £14.0.0. but they recommended that a sum of £12.0.0 be paid to the Owner Mr. Conran after the 25th March next provided he puts the roof in proper & permanent repair, undertaking by a Bond and Contract to keep it so. Mr. Conran was then called up and agreed to put the roof in proper order at once.

An Invoice of Medicines forwarded by the Contractor, for the Dispensary District, in pursuance of an Order of the Board in their Minutes of having been received from him, the Clerk laid the Invoice before the Board, and (was directed to forward the same or, reported that he had forwarded the same, as the case may be,) to the Medical Officer of the District, retaining a Copy of the Invoice for the use of the Guardians.

On Application of the Committee of Management of the Dispensary District, the following supplies of Books, Stationery Forms, or other Requisites, were ordered to be supplied:

Moved by Mr. Brooker
Seconded by Mr. Whelan & passed
That Mr. Robert A. Conran at St Mary's be allowed the sum of £12.0.0 a year for use of the Dispensary House there—such rent to cover the expence of caretaker and fuel—The roof to be first put in good condition and a Bond to be entered into for keeping it in a good state in future,

The following Accounts of Expenses, (or statement of Salaries due, as the case may be,) under the Medical Charities' Act, were laid before the Board, and Directions were given for Payment thereof, or such other directions as may be given :

Dispensary District.

Account of Mr. _____ for _____ : Amount £ _____

The question of the appointment of a midwife to the Oulart Dispensary District was then considered and the following Resolution was moved by Mr. Dwyer
Seconded by Mr. Emmott

That this Board having carefully and attentively considered the contents of the Commissioners' Letter of the 9th Inst. No. 1403, with extreme reluctance is conscientiously compelled to adhere to their resolution of the 14th Ult^o,

They still think it is inexpedient to introduce the Midwife system into any particular district and they hope that the Commissioners will not force them to adopt an exceptional measure in favour of Oulart or any other district.

This Board beg to state for the information of the Commissioners that they have sanctioned the resolution which

In view of these facts the Board confidently trust the Commissioners will concur in their decision.

The Chairman then took a poll where there were 11 guardians for the resolution and 3 against & declared the resolution carried,

[This to be entered on the occasion of every appointment of a new Committee, after the annual Election of Guardians, and on the occasion of any election to fill any vacancies in a Dispensary Committee.]

The Board elected the following Ratepayers to be Members of the Committees of Management of the following Dispensary Districts, respectively:—the Clerk to make a Return accordingly to the Poor Law Commissioners, and to issue the prescribed Notification to the Members elected, and to the Medical Officers of the respective Dispensary Districts, in pursuance of Articles 1, 2, and 3, of the General Regulations for Dispensary Districts. Dear Sir

I regret that it will not be in my power to attend the Board of guardians tomorrow as I had intended to do for the purpose of opposing the resolution that a midwife should be appointed to this district as I consider that it would entail a very great expense upon the ratepayers.
