Special Report from W Dockrill & W Smith Esq. Ferus

" We having carefully examined into the water supply of this village find that the small stream referred to in the report goes dry in the summer. The lower part of Ferus is supplied from "Mogues well" & the upper part by a well in W Setts field & there is generally water in the pumps except in very dry weather. The expense of bringing a supply from a distance would be very great & we consider the supply may safely continue as it is "

Doctor Doyle sent in a list of Medicines which is required at once

A New Sign Board is required for the Dispensary to be painted legibly white ground in Black letters ordered by the Inspector Mr O'Brien.

As the Dispensary House at Coolree is not suitable & condemned by the Inspector. for the purposes it was intended. The Committee will advertise for one in as central a position of the District as possible

The Committee having several times requested the Landlords to put in repairs according to a agreement, which has not been done up to the present time. They find it impossible now that the winter season has commenced to hold their meetings here.

The Clerk of the Union will please see to the original agreement and have the proper notice served on the Landlords

The Committee having heard that Inspector O'Brien on his last visit at the Dispensary, found much irregularities on the Doctors part in the manner of keeping his books and especially with regard to great negligence in the Vaccination Returns and the Local Govt Board having given a severe censure to Dr Doyle the Committee called him before them and required his explanation as to his irregularities and after a long investigation Doctor Doyle has promised to be more careful in future

And that he will leave no open for fault to be found with him and the Committee request the Board of Guardians, should a severe report be sent before them from the Local Govt Board, that they will kindly consider the statement from the Dispensary Committee and allow Dr Doyle to pass this time without further censure
