Dear Sir
Mr Vesey writes me
that he could not agree to have
two entrances made in the
Prison wall to the Public
Prison about being built at
Northam, but suggests that
the second Prison be built in
another part of the town. And
names a site which he considers
suitable - I have written asking
him to come and point out the
site for the second, and I hope
the Committee will be able to
have both built for the original
purpose.

The whole matter ^{is} referred to the
Dispensary Co. -

Carew.

Allow me to suggest as one
of the best forms is that Mr
Fisher would sign a contract
with reference to the pumps
to be erected at Westborough
in accordance with the
specification, and that the
land then have an early
day to meet the committee that
they might point out the site
— The borrow place water is
provided for the people
there the better as the
present arrangement is

With deep respect

Yours truly
