The committee have again considered the subject of cleaning up St. Inague's well as suggested by Mr. Hamilton L.G.B. Inspector and they consider such a course would be very objectionable as a pump was erected

some years ago and had to be taken down. Most
of the water has to be carried by children who
would not be able to work a pump and they
consider it is much better as it is and hope
the Guardians will not sanction any such
proposal.

Ennis City Aug. 5th 1880

Gentlemen.

In answer to Local B.
Board's letter relative to the distribution
of Relief in my district I have to
say that at present I am paid 10s
per week as Relieving Officer. If I am
to pay relief in the County districts
the arrangements should be as follows
viz. Relief to be paid in Ennis City
on Fridays. In Uxbridge, Bree, Ballyhenry
on Saturdays from 10 to 6 oc. and
on Mondays in Blauchoke, Kilmann
and Kitterly from 10 to 6 oc.

During the time of
my absence all persons applying
for or but relief must remain
unattended to until I return. Now
Carriage for Fridays would be 10s and
for Mondays 10s total £1- If I am
compelled to pay the relief myself
I would have to pay £1- per week
as expenses. I only receive 10s per
week salary and might I ask
would any reasonable Board
me to perform the duty under the
foregoing circumstances without giving
me suitable compensation.

I hope my case
may be fairly considered as I am

well inclined to discharge the
duties if properly paid

Yours gentleman
Byron about sent.
