1881

March 11<sup>th</sup>

At an ordinary meeting of the Terms Dispensary Committee held this day - Present  
 Messrs Jonathan Haughton P.L.G. (in the chair) E.J. Irvine D.L. J.J. Haughton, Tho. Donovan, Hugh Kenny Geo. Murphy P.L.G. Pat. Doyle, J.D. Devereux J.P. L. Dundas J.P. Robt. Lett & Humphrey Ryshart P.L.G. Dundas.

The minutes of last meeting were read and signed. The Medical Officers Report Book and Relief Register nos 351 to 384 of 1880 and nos 1 to 75 of 1881 were checked and initialed.

The Hon. Sec. laid before the meeting an account for postage which was allowed.

The Committee had before them Letters nos 4536 & 81 from Local Government Board also no. 4778 with a petition from the Ratepayers of Ballycarney Electoral Division asking to be excluded from the area of taxation <sup>by the Board of Guardians</sup> both of which were referred to the Committee "with an instruction to ascertain if a more economical scheme could not be adopted than the one previously contemplated" and "its opinion asked as to the area of taxation."

Proposed by Mr. H. Ryshart & seconded by Mr. J.D. Devereux & carried unanimously. "That the Committee cannot recommend any other scheme, but if the Local Government Board would send an engineer to examine the locality the committee would be very glad to have it done cheaper."

Proposed by Mr. Devereux and seconded by Mr. Geo. Murphy: That a memorial having been brought before this committee on the part of the outlying district of Ballyearney stating that the inhabitants and Ratepayers would derive no benefit whatever from the proposed Water Works at Fems and strongly object to being brought within the area of taxation it be a recommendation that the Board of Guardians pay their exemption from same.

Amendment proposed by Mr. H. Rynhart & seconded by Capt. Irvine: As to the area of taxation the Committee consider it would be a most unjust thing to localize the taxation as the water is required for the poor and the Ratepayers of the adjoining electoral divisions derive considerable advantages from the town. There are only 11 Ratepayers in the town and most of these don't require the water -

The amendment was lost by 5 Votes to 6 and the Resolution was carried by 6 Votes to 5.

I have to state  
for the information  
of the Board of  
Commissioners, that  
the accounts in  
connection with  
the "Red Supply"  
were presented  
to me at last  
audit in a

satisfactory manner.  
As regards the  
proposed grant of £40  
to you for your  
services in relation  
to the Leeds Supply.  
I can only say  
that in some Districts  
in my District  
a larger amount  
has been given  
to the Clerk, & in  
some a smaller  
amount.

The question  
of the sufficiency

or insufficiency  
of the proposed  
grant, is one  
altogether for  
the Guardians.  
*I should not deem it my business  
to remonstrate.*

Yours Most  
Obedt Servant

To The Clerk of the  
Ennisorthy Union

P.S. I may add that the  
accounts of Ennisorthy Union  
are, in point of extent, labour  
involved in keeping them, much

beyond the average  
of Union accounts

Several letters from the L.G.B.<sup>d</sup> with enclosures, were laid before the Board as well as petitions to the L.G.B.<sup>d</sup> from the outlying divisions, to be exempted from the area of taxation.

After a long discussion

It was proposed by J. J. Devereux Esq. & seconded by J. J. Murphy

that the L.G.B.<sup>d</sup> be requested, on the grounds stated in the various petitions from the outlying districts to exempt the same from the local area of taxation.

In this an amendment was moved  
by Mr Haughton,  
seconded by Mr. Rynheart:

"That the area of taxation remain

Resolution was adopted
