" That we, the members of the Ennisorthy Board of Guardians, tender our heartfelt gratitude to Charles S. Parnell, the true and trusted leader of the Irish People, for his noble efforts and indomitable perseverance in the cause of the oppressed and rack-rented tenantry of Ireland. That recent events which we believe have been brought about by foul and malicious British intrigues and Longford's political renegade at Rome, have but strengthened our attachment and intensified our feelings in his regard, in proof of which we pledge ourselves to use every legitimate means in our power to make the National Tribute Fund worthy of Ireland and the leader of the Irish People. //

The above resolution I declined to put to the board as it did not relate in any way to the administration of the laws for the relief of the poor in the Union -

after the business of the board was over, a few guardians remained in the board room and I decline to interfere their proceedings. J.M.

and Cheques were ordered to be drawn for the respective amounts [or directions were given thereon, as follows] :-
