## Report of 22 Clerk of Works

The following report was read from the Clerk of Works:—

GENTLEMEN—I have to report three houses in Ballyhogue almost completed, plots fenced and quicks set; three in Ballyhuskard, fences made and quicks set; one in Ballyvaldon, fence made, no quicks; three in Bolaboy, not fenced. I must state for the information of the Board that I inspected house No. 4 in Glenegark last Monday, and after a close examination I could find nothing wrong, only the walls are three inches lower, from floor to wall-plate, than is given on plan, and the loft window of small room something smaller than the usual size. I have no other fault to find with the internal or external workmanship of this house, so far as it has proceeded. One in Bree almost finished, fences made and quicks set; three in Castletalbot completed, fences made, no quicks; two in Castledockrel finished, and fenced with paling; three in Clonroche almost finished, not fenced; six in Edermine, all in a forward state, and fences made. I must here state that the slating in particular, and the workmanship in general, in the Division of Clonroche and Edermine is of a first-class quality, and is creditable to the tradesmen who have done the work. Two in Enniscorthy, fencing not completed; one in Kilmallock almost finished, fences making, quicks setting; one in Kilrush, finished and fenced; one in St. Mary's, finished and fenced; three in The Leap near finished, not fenced. The following is a correct list of the number of houses in each division, set down, where the contractors have not yet begun to build:—Ballyvaldon, 1; Bolaboy, 3; Castletalbot, 3; Castle Hill, 2; Clonroche, 4; Enniscorthy, 2; Kilmallock, 2; Tinacross, 1; total, 22. I have to remark for the information of the Board that some contractors dashed and plastered in a bad season, the frost destroyed the bonding. In such cases I will require the contractors to re-dash and plaster to my satisfaction before I will recommend the payment of the last instalment. I would recommend the contractors for their own sake as well as for the benefit of houses not to dash or plaster until they get a good season. Feb. 18, 1886. MAURICE MURPHY, C.W.

The following Accounts of Expenses incurred under the Sanitary Acts were laid before the Board, viz:—

District	Nature of Expenditure	Amount

and Cheques were ordered to be drawn for the respective amounts [or directions were given thereon, as follows]:—

Notice of Motion

Mr. William Murphy handed in the following:—  
I beg to give notice that on this day fortnight I propose to move that the resolution passed by this Board on the 4th inst., giving the right to owners of land where labourers' cottages have been built the power to select tenants for such cottages, and also the vote taken relative to the two cottages in Castledockrell division, be rescinded.
