Master's Report for the week ending the 18 April  
Read a letter from one of the Emigrants  
sent to Canada in 1855, to her aged mother an in-  
-mate of the workhouse. Stating she is married  
to a Miller by trade who lives in Toronto  
She mentions the name of almost all the girls  
sent out - she sees them every Sunday, some of  
them are in families of their own, and all of them  
fine girls & comfortable, earning from 4 to 5 dollars  
a month, and concludes by praying for the  
Gentlemen that sent them there.

After reading such an encouraging letter, I think  
it would be a neglect of duty if I did not suggest  
to the Board to consider the propriety of sending  
to Canada about twelve interesting young females  
who have been reared in this Asylum, whose  
respective ages are between 16 & 20, and are either  
"orphans or Fatherless". They are good specimens  
& Whittens and most of them can do fancy <sup>needle</sup> work.  
By doing so you will perhaps save them from  
vice, and the rate payers, and the rate payers

The following Orders of the Poor Law Commissioners were laid before the Board, and directions given thereon, as follows:

My Lord and Gentlemen

I have been called on for an expla-  
nation of my conduct in admitting an infant  
child aged two months named Mary Kelly,  
the taking been refused by the Board on  
the same day the facts of the case are as  
follows (as far as I can learn)

The Mother of this Child Mary Kelly  
went to the House of Laurence Doyle of  
Clough in the morning of the 1<sup>st</sup> of September  
and left this child and her nurse in the House  
and in so doing said to Abby Doyle, the Sister  
of Laurence Doyle "Witness that" and then ran  
away, then Laurence Doyle the reputed  
Father of the child (but who positively  
denies that he is) went to Goley and obtained  
a warrant against the Mother of the Child  
for desertion.

On the following Satur-  
day (the 5<sup>th</sup> inst) the Mother of the said  
Laurence Doyle brought this Child to the  
Workhouse, and applied to the Board  
for its admission, which was  
refused. She then took the Child
