The Cork's Report of Vaccination was read-(this on the First Meeting in every month)-number o successful cases -

The Report of the Visiting Committee was read, and orders were made thereon as follows :-

295 The Medical officer begs to inform the Board that the infimany muse continues very ill, & as he considers there is no littlihood of her being able to resume duty for Several weeks, he recommends the Board to appoint a competent person as more to take temporary charge of the Infirmaryorden. To be advertised for -The Mede officer carnestly desires to draw the attention of the Board to the importance of having the mirsing of the Sich Kindly, & efficiently carried ont, while at the same time an economical & watchful supervision of the property of the fuardians is maintained, & in relation to those matters, he trusts the Board will be good enough to take into consideration the circumstances of the present nurses case, her long services, her onerons duties, & her present illness, for a perior of 22 years mostlening has the believes conscientionsly. I well discharged her duties as head nurse & midwife to this Institution, these duties (taking into Consideration the class of Women : employed The Reports of the Master and other Officers were read, and Orders madelthereon as tollows :as assistant murses.) are never of a light nature, they are frequently of a trying & arduous character, & that wo Fleming' illness is due to her endeavours to act faithfully during a crisis of musually hard work there can be no doubt. The Med? Officer appeals to the Board upon these facts to increase the Salary of the Infumiany nurse from \$ 20 5 \$ 25 per annum. I hopes that should we Fleming hereafter apply for super annuation the facts as states above will not be overlooke? - Mer.
