To Constantine Henry Earl of Malgarne Lord Lieutenant
General and Gov^r Governor of Ireland &c and &c

May it please your Excellency and &c

We his Majestys Loyal and dutiful Subjects
the Mayor Bailiffs Free Burgesses and Commonalty of the
Ancient Town of Wexford beg leave to Offer to your Excellency
unfeigned Assurance of our Attachment and respect

We embrace with every delight the occasion
which your Excellencys auspicious Visit to this district presents
of expressing our humble Admiration of that temperate impartial
and Statesmanlike Policy which has Characterized the measures

of your Excellency's Administration since you first assumed the
 reins of Empire in Ireland. And our prayer to the Supreme Ruler
 of Worlds is that your Excellency may long very long continue to hold and
 guide them so as to elaborate the restoration of peace and Happiness in our
 Country which has been so long the Theatre of Political Rancour and factious
 discord

Upon your Excellency's Arrival in Ireland the Klan was a prey
 to the ravages of Illegal Secret and unconstitutional Associations dangerous to the peace
 and good order of the Community and threatening to revolve into its original elements
 the Social System itself. These Lawless Confederacies have been every where dissolved
 hope has revived in the Public Mind, and for this great Good we feel solely
 indebted to the regulated Energy and practical Wisdom of the present Irish Executive

We entreat your Excellency to Believe that amongst the
 National failings (and they are many) which Malice has attributed to the
 People of Ireland Ingratitude is not one, and that no time can obliterate
 from our Memory the invaluable Advantages conferred upon our Country by your
 Excellency's just and paternal Rule. The Vigor with which you have repressed
 incipient Commotion and the Spirit of equitable Investigation with which
 your Excellency has traced the Causes of every grievance have entitled your
 Excellency to our unlimited Confidence and no support that we are Capable
 of Affording shall be wanting to Consolidate the Strength and Secure the
 duration of your Excellency's Auspicious Government

After the reading and Insertion of the above address the
 following Resolution ^{was} put Carried and ordered to be

on the arrival of his Excellency on the 11th of Aug^r the foregoing Address was presented by the Mayor, to which he returned the following gracious Answer -

M^r Mayor and Gentlemen

It is most gratifying that a deliberate retrospect of the Acts of my Government should lead to so marked an Approval

You have justly estimated from recent Experience the pernicious effect of those Exclusive Combinations which I conceived the well being of Society imperatively called on me at once to suppress, but unless roused by fresh indications in any shape of a similar Spirit, I have determined from the same love of peace, order and union to endeavor to forget that such things have so lately been

Depend upon it that the Generous Support I have received from you Commands in return from me an inflexible determination wherever your Interests are Concerned, to act precisely upon that plan of Conduct which has already fortunately won your approval and from which you anticipate such auspicious results

The Mayor will announce that a Memorial under the signature of several of the Inhabitants has been presented to him which he will accordingly read to the Assembly and order the same to be recorded in full with the signatures subscribed in the Corporation Book - It would perhaps be better that a Motion to that effect be made and seconded - and if carried the entry be then made - Some person was then made as follows - Resolved that it would tend to the utility benefit advantage and profit of the Inhabitants of this Town that all fresh meat to be hereafter bought by weight in the Shambles of said Town should in order fairly to ascertain the same, be weighed in the public Weighhouse erected in the Shambles for that purpose and that the use of all private Scales in said Shambles should be prohibited and such Scales removed, and that it would be most desirable that a by law of this Borough be made and Established to effect the above purposes and any further regulation that on Consultation may be deemed requisite and conducive thereto -

Now we having deliberately consulted together with reference to the foregoing Memorial and resolution and being fully convinced that the Objects thereof if carried into effect would be satisfactory and beneficial to the Inhabitants of this Borough do make ordain constitute and establish as a bylaw of the said Borough that no Scales whatsoever from henceforward shall be used in the Shambles of said Town or Borough for the weighing any flesh or Butchers meat, but the Scales already erected in the public Weighhouse situate in the said Shambles where the weighmaster of said Shambles or other proper person appointed by him shall be allowed to weigh any such meat and to certify the same by a printed ticket under the signature of such Weighmaster

or deputy who shall act in their office under the obligations of an oath to be administered by the Mayor for the time being or his Deputy faithfully and impartially to execute the duties of said office, and we further ordain and direct that the Weighmaster be remunerated for his time trouble and due attention in discharge of his said duties by the the following rates of payment for weighage in the said public weighhouse - Viz!
