On the reading of the Commissioners Letter dated 5th Nov. 51. no 60.139. it was proposed by Mr Cullin and seconded by Mr Borky — That with reference to the Letter from the Commissioners relative to the appointment of the Collector for the Ennisconky Electoral Division, the Guardians beg to state that they still held the same opinion on this subject, but in order to bring the matter to a close they beg respectfully to suggest that the opinion of the Law Officers of the Crown be taken on the following points at present under consideration of the Guardians and in which their opinion is at variance with that of the Commissioners, the case stands thus

On the 18th September Mr Rudd was offered the collection by minute of the Board, and on the 25th same month, the following letter was received.

Sir.

I beg leave to resign my situation as Poor Rate Collector for the Barony of Scarawalske as stipend in the poem is quite inadequate to enable to employ deputies to assist me.

To the Chairman
Board of Guardians.

Signed,
Thomas Rudd Junr.
Done 25th September 1851.

That the Guardians then advertised for Tenders from other parties which were to be received on the 2nd October ultimo, that during all that time Mr Rudd gave no notice of his intention to retain any part of his district. but on the morning the Tenders were put in the following one among others was received from Mr Rudd.

The Bonds and other securities in force were laid before the Guardians by the Clerk, together with his Report thereon, as follows: (this on the second Meeting after the Annual Election in every year).

Gentlemen, As I will not require a deputy to assist me in collecting the Poor Rates on the Electoral Division of Ennisconky, I beg to state that I am prepared to continue to collect that Division at the Rate stated in your advertisement (his pence in the poem) my securities are messrs B. O'Flaherty of Ennisconky and Joseph Haughton of Terns.

Signed, Thomas Rudd Junr.

To the Board of Guardians.

That on this being read Mr Rudd was proposed and seconded just as Mr Doran the other Candidate but Mr Doran was elected by the Board. After this Mr Rudd protested against the Election and applied for the Office as a right. the following are the questions we wish to have put to the Law Officers. viz.

1st. Has the Barony Constable a right to select from such portion of the Union as is situate in his Barony, any Electoral Division he may chose. after having resigned as above quoted.

2nd. Under the terms of Mr Rudds Tender already quoted can it be considered he claimed the Collection of the Electoral Division of Ennisconky as a right, or did he not submit himself as a Candidate for the Votes of the Guardians.

3rd. Under all the circumstances would the Commissioners incur any penalty or meet any difficulty if they sanctioned our appointment of Mr Doran and why not give us the benefit of any doubt that may exist on this point.

To which an Amendment was proposed — That the Clerk be directed to prepare that Bond for Mr Rudd and hand him the Books for Collecting the Rates.

The Chairman took votes when they appeared to be as follows viz.

Sir

At a meeting of the subscribers to the Killan and Templeodryan Dispensary held at Killan this day, it was stated that the medicines and Funds were expended and that in the face of the new medical charities it would be useless to apply to the members for a renewal of their subscriptions.

Under these circumstances I have been requested as chairman to communicate with the University Board of Guardians in order to ascertain from them or through them from the Poor Law Commissioners whether there be any likelihood of our soon coming under the provisions of the new Act.

Signed W. D. Blaker.
 To the Chairman
 Board of Guardians.

Mr Pendergast gave notice that on the 20th Inst he will move that the Resolution passed the last day of meeting calling on Mr Rudd to resume the Deputy Vice Chairmanship of this Board be rescinded for reasons which shall be explained to the Board on that day.

Mr Parnow gave notice that on the 20th Inst he will move the discharge of Mary Condra from the Division of University and her readmission on the Union at Lurgan.

It being represented that a great influx
of strangers begging was taking place
the Board on Consideration. Ordered.
- That the Relieving Officers represent all
Such cases of Strolling Vagrants to
the nearest Constabulary and if they do not
act to draw the attention of the nearest Bench
