Ordinary Proceedings

When the Chairman was about opening the Orders for the situation of Agrarianist and Master Clerk the following Report was submitted to the Board by several of the Guardians present who had just returned from visiting the Farm.

"Having frequently visited the Workhouse Farm since it came under the Superintendence of the Master we feel pleasure in testifying as well to the great exertions made by him, and the creditable manner in which he has completed the sowing of the Crops, — as the careful and successful management of those parts of the Margold Crop that had missed which we believe may be attributed to the unfavorable weather in which it had been sown — We also feel bound to add our approval of the very efficient and active services rendered to the Master by his Assistant Mr. Keating since his appointment which have in a great measure contributed in bringing the Farm to its present prosperous condition — whilst at the same time glad to observe the good order and discipline of the Pauper inmates employed.

It was then proposed by Mr. Fitzpatrick and seconded by Mr. Redmond,

That the Election be postponed and that the Commissioners be respectfully requested to give Mr. Keating a further trial — also that the Master Clerk be continued for another month in order that Mr. Keating may have an opportunity to become acquainted with the Books which he has not had up to this from the pressure of business the Master had to attend to outside,

Ordered that the Clerk return the Orders whenever as they may be applied for.

The Board then proceeded to examine the List of inmates proposed to be sent out to Canada, chargeable on the Black Division of Emancipation, which had been proposed on several occasions — they were severally called before the Board and the following names directed to be placed on a Descriptive List and forwarded to the Commissioners for their sanction.
