MINUTES OF PROCEEDINGS of the BOARD of GUARDIANS of the ENNISCORTHY UNION, on  
Thursday, the 10<sup>th</sup> day of September 1857—continued.

SUPPLEMENTAL SHEET:—Medical Charities Act, 14 and 15 Vic., cap. 68; and  
Nuisances Removal and Diseases Prevention Acts, 1848 and 1849.

An Estimate of Medicines, &c., required by the Medical Officer of the \_\_\_\_\_ Dispensary  
District, approved by the Committee of Management, was laid before the Board, with a requisition from the Committee

The Clerk reported that he had as the notice given to Mr.  
Richard Conrke as Landlord of the (Dispensary) House in the  
Orlart (District) for surrender of those premises on the 25<sup>th</sup>.  
March last has not been acted on it would be necessary  
to renew the notice of surrender for the next 25<sup>th</sup> March  
on or before the 24<sup>th</sup> Instant—but as Mr. Conrke had  
since given up possession of the land on which the Dispensary  
stands to Mr. Flood the Head Landlord and as Mr. Flood  
now claims to be the rightful possessor of the (Dispensary)  
as well as the ground attached it became a question to  
whom this half years rent ought to be paid, and on whom  
notice of surrender as above stated should be served in  
order to keep the Board free from future litigation.

An Invoice of Medicines forwarded by the Contractor for the  
Dispensary District, in pursuance of an Order of the Board in their Minutes of  
having been received from him, the Clerk laid the Invoice before the Board, and was directed to forward the same, (or  
reported that he had forwarded the same, as the case may be), to the Medical Officer of the District, retaining a Copy  
of the Invoice for the use of the Guardians.

On application of the Committee of Management of the

In reference to the Letter of the P.L. Commissioners dated 9th September Instant N. 22678 a Committee was appointed consisting of Messrs. Bliffe, Delaherty, Lett, Dolger and Leary to examine into the accounts of the proposed Collector Mr. Thomas Kinsella at the time he filled that office in this Union. Who retired to the Clerks Office where his Books were submitted to the inspection of the Committee. Mr. Kinsella was in attendance and was called before the Committee and examined. When the Committee concluded the investigation they returned to the Board room and submitted the following Report each having attached his signature thereto.

We the undersigned have examined the Case of Mr. Thos. Kinsella formerly Collector of the Division of Edenmore and Ballyglinskard and are of opinion that he lodged Accurately all the money he collected with the exception of £1. 19. 9d. which he afterwards paid to the Clerk when called on. He also begs to call the attention of the Board to the fact that Mr. Kinsella was a collector in the years 1847, 1848, 1849 and 1850 when owing to the distress then prevailing great difficulty consequently existed in the Collection of Poor Rates.

Ordered. That the above be inserted on the Boards Minutes.

### Ordinary Proceedings

On Examination of the Fever Hospital Record of  
 Sickness and Mortality it was ascertained that Catherine Gordon  
 aged 7 years was admitted to the Hospital on the 28<sup>th</sup> September 1856

Ordered. The Clerk to write to the Medical Officer to explain to the  
 Board on this day week the reason why this case has been so long  
 retained on the Books of the Hospital

Ordered. That Mr. D. Leary Collector be directed to attend the Board  
 on Thursday next to explain respecting arrears amounting to  
 9/6 left by him uncollected on the Electoral Division  
 of Rethaly

Mr. Doyle informed the Board that he was authorized by  
 some of Mahony & Co. to apply for 200 girls or a  
 smaller number if so many eligible cannot be obtained  
 in the Workhouse - on the same terms as those sent from  
 the Workhouse about two months ago - and Mr. Rowe  
 would

would have a House fitted for their reception with suitable bedding  
 and furniture provided they were clothed going out. it was also  
 desirable that one of the females should be an aged person to  
 sleep in the same House. and assist in preparing their meals

Ordered. The Master to select the females and furnish a List of their  
 names and ages and to prepare clothing for them

Mr. Edmond introduced the question of altering the name  
 of the Monart Elect. Division on the same grounds that the  
 alteration was made in the name of the Division of Clonmore  
 lately -

Ordered. That the name of the Monart Elect. Division be changed  
 and called Marshalstown or otherwise that the Downland of  
 Monart now in the Killybegh Division be added to the Monart  
 Division - as several mistakes are made by the entry of  
 applicants for relief from the Downland of Monart to the  
 Division of that name instead of Killybegh - and that the  
 Commissioners be requested to allow either of the changes to be made  
 Marshalstown is a village publicly known in this County  
 and is central in the present Division of Monart

In reference to the Clerks Report respecting the Contract  
 of Mr. Simmott Plumber - Mr. Simmott appeared before  
 the Board and explained that he could not undertake to  
 supply new work in all cases of decay in the water works  
 connected with the Building for £100 a year. But his  
 order was agreeable to the Advertisement for repairs only - The  
 Clerk having been referred to produced the Advertisement and  
 order - that on the order he found written by the Chairman  
 of the day the clause now objected to by Mr. Simmott - and that  
 having so found it, he had no option in filling the Contract but  
 to insert the terms of the order made thereon - and that there  
 was no doubt it differed from the Advertisement which invited  
 tenders for repairs only - Mr. Simmott further stated that if a  
 water cock or piece of piping were found necessary to be  
 replaced by new work he should do so, without additional  
 charge - but in an expensive piece of work such as a Pump  
 or new leading for a Cistern it could not be done

Ordered. The Clerk to make out a fresh Contract for repairs only  
 and have it perfected by Mr. Simmott's order without delay.

The following Tenders were Considered and accepted  
 Patrick Sullivan for the 2 Small Plots of Cabbage at the South Side of the  
 Workhouse 2/11 per square perch. For the Plot at the West end  
 of the House 2/11 per perch. and for the Headland plot at the  
 North Side a Sum of 8/-

William Maher to take down and reset the six boilers in kitchen. to Carl Hen-  
 rard with Granite Stone 5 inches thick finding all materials  
 and completing them in a proper and tradesmanlike manner  
 agreeably to Specification for the Sum of £15.10.0 Subject  
 to inspection of the Board when finished

The Rate Books containing the proposed Ratings on the  
 Electoral Divisions of the Union having been submitted to the  
 Board for approval were duly declared and signed by the  
 presiding Chairman and two Guardians on part of the Board  
 and countersigned by the Clerk as follows - The Board also agreed  
 to the following Sums being abated off the Books by reason of  
 Houses down or untenanted - Errors in Rate Books and in the  
 case of Erroneous Divisions they are of long standing and  
 chiefly due to successive Lessors - 30 day notices have been  
 repeatedly served on the occupiers but no distress was found on the  
 premises - ultimately the Board was obliged to direct the Collector  
 to proceed by Sums on against the Lessors and they recovered a  
 portion by that step. But in numerous cases were dismissed  
 by the Courts - great exertions have been made and the  
 Guardians are convinced that those proposed to be abated  
 are wholly irrecoverable
