concurring with the Guardians in the necessity of punishment in the cases in question in accordance with the workhouse regulations.

Ordinary Proceedings

The Board proceeded with the consideration of applications for relief and admitted to the Workhouse & Fever Hospital of the Union from the Relieving Officers Board.

The following Report of the Newtown Barry Fever Hospital was read and ordered to be placed in the minutes.

I have visited the Fever Hospital this day & find it very clean and in good order but would recommend the Committee to apply to the Board of Guardians for the following repairs on the House & Concerns viz. About two days repairs on the roof. The entire of the House to be whitewashed & some repairs on the Ceiling of the Kitchen. The yard wants clearing badly which he would strongly recommend to the notice of the Committee. The Doctor states he has a gate for the yard but cannot put it up for want of a few shillings. There is a small portion of land at the rear of the Hospital which he thinks originally belonged to it and considers if it were pointed out to Mr. Ashton he could

have no objection to restore it to the Hospital

That having considered the Commissioners Letter on the subject of vaccination with every desire to meet their wishes We are more strongly of opinion that the Dispensary House of Newtown Barry is sufficiently convenient for all the purposes of the Act. That We desire to reiterate our conviction that vaccination will continue to be operative unless some means be devised to insure the inspection of the children upon the Eighth day.

Resolved. That the Doctor be empowered to procure two Trusses for the use of two patients who are unable to purchase them.

Moved by Mr. Ponder
Seconded by Mr. Brown

That the requirements of the Medical Officer be allowed & that the repairs at the Hospital be done. The Committee to send forward an Estimate approved of by themselves which will be considered by the Board.

A Letter was read from the Medical Officer at Oulart Fever Hospital enclosing a letter from Mr. Kome of Ballyrahan a member of the Going Board of Guardians which stated that the people in his neighborhood would be anxious to avail themselves of the use of the Oulart Fever Hospital if the Emancipating Board would consent to take in patients from

Gorry Union, say the Divisions of Wells. Monomolin, Killineosly & Fardo at the average weekly cost of patients in the Gorry Union Hospital if so he thought the Gorry Board would agree to pay this sum but should the Enniscentry Board not agree to that average, please to state what terms they would accept of.

Ordered. The Medical Officer at Oulart has it in his power already to admit patients from the Union of Gorry at 6/- a week but the Doctor will be held responsible for any individual case he admits, the Guardians think they cannot make any other general arrangement without the concurrence of the Gorry Board of Guardians.

Mr. James Doyle Collector for Enniscentry District and Mr. Henry Walsh Collector for Oulart District applied to the Board for a fortnight's leave of absence for the purpose of collecting the County Aps for the approaching Assizes both being County Aps Collectors.
