Mum, Mr. P. Whelan, Mr. Richards, Mr. Fumble, Mr. Pomeroy, Mr. White, Mr. Doyle, Mr. Goff, Mr. Farmer.

Proposed by Mr. P. Whelan seconded by Mr. L. Doyle, That this Board still adhered to its already recorded opinion of the Board being unfit to continue discharging the duties of Schoolmaster in this Institution that the charges contained in our resolution respecting him or the 14th inst are not answered by the letter of the 19th nor refuted by the contradictory testimony of the Assistant Com. Mr. Burke and that we now call on the P. L. Commissioners to instruct Mr. Burke to attend at the next Board's meeting for the purpose of investigating the Schoolmaster's fitness in the presence of the Guardians and thereby afford a fair open and undisguised examination into the nature and truth of the allegations against the Schoolmaster. To which the following amendment was proposed by Mr. Richards and seconded by Mr. Farmer That it appears to this Board that any act of indiscretion which the Schoolmaster may have been guilty of in having lent himself in any way to the introduction of a recruiting Party to the House has been fully investigated and we perfectly agree with the Com. that the proceedings which have already taken place are sufficient to prevent a recurrence of such conduct in future. - The Chairman put the amendment when 7 voted for it namely Mr. Hill, Mr. Farmer, Mr. Richards, Mr. Goff, Mr. Pomeroy, Mr. Cookman, and Captain Mum and 14 voted against it namely P. White, W. Bulliton, Mr. Doyle, W. Comerford, P. Whelan, J. Nolan, P. Whelan, L. Doyle, Mr. Murphy, E. Fumble, B. Murphy, N. Byrne, J. Haurahan and S. Doyle.

The resolution being subsequently put the last named 14 Gentlemen voted for the first named 7 Gentlemen against it. Whereupon the Chairman declared the amendment lost and the resolution carried.

Proposed by Mr. Fumble seconded by Mr. B. Murphy That the much surprised the P. L. Commissioners did not accede to our request to furnish

The Board with a copy of the protest against the suspension of Thos. Boyd from a small minority of the Guardians and that whilst we are deprived of the opportunity of rebutting its statements openly the Com^{rs} have thought fit to act on it in defiance of the resolution of a large majority of this Board in which open avowal was made of the motives which influenced the suspension of the Schoolmaster a course which we and the Ratepayers cannot view otherwise than as covert dealing towards us and unworthy of her Majesty's Com^{rs}. to which the following amendment was proposed by Mr. Farmer and seconded by Captain Kim - That we proceed to the admission of Paupers inasmuch as such discussions are a frivolous waste of the time of the Board upon the amendment being put, 7 voted for it and 14 against it the resolution being then put 14 voted for it and 7 against it whereupon the Chairman declared the amendment lost and the resolution carried.

The Chairman resigned his office of Vice-Chairmanship of this Board

The meeting adjourned to Friday the 4th April 1845 at 11 o'clock A.M.

a charge was brought by the Master against the Schoolmaster for beating a Boy too severely, and of the latter having made use of improper Language towards the former, both parties were examined by the Board whereupon -

Mr. Cookman Moved & seconded by Cap^t Venn That the Investigation between the Master and Schoolmaster be dropped and that we do proceed to the regular business of the Board.

To which, an amendment was proposed by Mr. P. Whelan

and seconded by Mr. Nolan, viz

That we do refer the Contradictory statements of Mr. Stapleton (Master) and Mr. Tho^s Boyd (S. Master) to the Assistant Com^r Notice the next time he visits the House. Upon the Chairman putting the ^{resolution} Amendment the following 7 Gentlemen voted for it, viz Mr. Richards, Mr. Cookman, Cap^t Venn, Mr. Hill, Mr. Farmer, Mr. Fumble and Mr. Goff, and the following 8 Gentlemen voted against it, namely - Mr. Cullen, Mr. P. Whelan, Mr. J. Doyle, Mr. J. Byrne, Mr. J. Nolan, Mr. D. Whelan, Mr. B. Murphy, and Mr. White. The resolution was subsequently put when 8 voted for it and 7 against it, whereupon the Chairman declared the resolution lost, and the Amendment carried.

Proposed by Mr. Farmer & seconded by Cap^t Venn & resolved That the Collectors be immediately notified to proceed with the collection of the rate, and that such as have not perfected their Bonds be called upon to do so at once.

Proposed by Mr. P. Whelan & seconded by Mr. C. Fumble & That we have heard read the Commissioner's letter with reference to our proceedings concerning the Schoolmaster Tho^s Boyd, and that the spirit it exhibits meets our entire approbation - entertaining as we do no prejudice whatever personally against the Schoolmaster, but that a Board of Guardians ought

to entreat against any man filling his Office who has been found disobedient and is capable of discharging the duties for which he was elected - With regard to that portion of the letter calling on us for a statement of the charges we made against him, we refer the Commissioners to the resolution on that Head adopted by this Board at their meeting on the 7th ultimo, also to one paper at the request of the Assistant Commissioner at the Board Meeting on the 6th December last, on which occasion he stated that the schoolmaster was dirty, in his person, that the schoolroom was in a filthy state, and that even his own room was found dirty, that he was surprised to hear of his having been a soldier, that whilst he (Mr. Park) was in the school Boyd was incapable of preserving order that in all the Unions under his charge from Cahirciveen to Enniscorthy he was decidedly the worst Officer he had met in the entire. Upon the chairman putting the resolution the following Gentlemen voted for it - namely - Mr. White, Mr. Cullen, Mr. P. Whelan, Mr. J. Doyle, Mr. B. Murphy, Mr. J. Polan, Mr. T. Byrne, Mr. D. Whelan and Mr. C. Crumple; and the following Gentlemen voted against it - namely - Mr. Farmer, Capt. Mun, Mr. Hill, Mr. Cook, Mr. Goff and Mr. Richards. Whereupon the chairman declared the resolution carried.

The Guardians who forwarded a protest to the Commissioners (some time since) against the suspension of the schoolmaster (by this Board) from the performance of his duties, handed in to the Board a copy of said Protest.

The Meeting adjourned to Friday the 11th April 1845 at 11 o'clock.
