The following Petition was read

The Petition of the poor ratepayers of the Electoral Division of Malahide.

We have cause of Complaint against the Returning Officer as we understood in placing Mr. Thomas Gallagher as guardian for the Union without giving us the opportunity of recording our votes for Mr. Thomas Roche of Ballinacill who had been duly nominated.

The Returning Officer without any application as we hear to Mr. Roche has taken on himself to disqualify him thus usurping a combat in this instance most unjustifiable and call for the Board's interference for if this is allowed in this instance it can be as successfully practised with each member of the Board. We therefore ask the Board to express their marked censure of this course and to direct an election when we may record our votes, We presume

We need not remind the Board that it is not the first time the Commissioners had to set aside returns made by the same Returning Officers and to grant a new Election - and Petitioners will ever say,

Proposed by Mr. Croftman
 Seconded by Mr. Roberts and
 Resolved, That this Petition signed by forty-eight ratepayers of the Electoral Division of Marshalstown be placed on the minutes and that a special meeting of the Board be called to investigate the matter this day fortnight.

Many Proceedings

Previous to the Chairman signing the Minutes of last Board day it was moved by Mr. Connor - Seconded by Mr. Brown & passed unanimously

That in reference to the petition from certain ratepayers of the Division of Malahide on last Board day - this Board is of opinion that the inquiry they ask for should be held by the Poor Law Commissioners and not by this Board - and that if the Commissioners think fit to hold an investigation on oath the Board have no objection,

The Board then proceeded to consider applications for relief in the Workhouse and Fever Hospitals of the Union - also to vote down relief in certain cases,

Miss Anne Brown of Duleigh appeared to take out the girl Mary Murphy aged 21 years, - being called before the Board Miss Brown offered her up a quarter provided the Board gave her clothing,

Ordered, Miss Brown may take the girl out to service - she being an able-bodied person but the Board will not give clothing she being only 5 weeks an inmate and having sufficient clothing of her own. In the case of Mr. Chapman of Carrigrohane and the

girl Anne Cullen - the same resolution was come to,

Mr. William Brown Guardian for Ferris and Tulbow gave notice that on Thursday the 19th of April he will move the discharge of Mary Leary from the charge of Tulbow and her readmission in the Union at Lurg as the case on investigation may appear,

At the examination into the Collector's accounts - the Clerk was directed to write specially to Owen Doyle calling on him to make better progress in the Collection of the outstanding arrears - the Clerk then reported that on yesterday Mr. Timothy Bolger having attended for examination of his Books - did not produce the Book for the Electoral Division of Duleigh. That he had lodged this morning £62.11 which however was not in time to appear in the 1st Bank Book,

The Chairman then signed the doors and Cheques after which the Board separated.

Sir

With reference to your letter of the 12th inst. claiming on the part of the Board of Guardians 17/- money advanced as out door relief to Michael Doran Prisoner 32nd Sect at 8/- a day. I beg to inform you that this Prisoner objects to refund the money. I have however retained his prison till I can be informed whether the Board of Guardians wish to enforce the payment. I may add that I can find no authority under the Act of Parliament for the repayment of out door relief granted to a Prisoner & his family and it would appear in the present case that if a stoppage was made from the man
