The following Orders of the Poor Law Commissioners were laid before the Board, and direction given thereon, as follows:—

## Ordinary Proceedings

The Board proceeded with the consideration of applications for relief in the Workhouse and Fever Hospitals of the Union - also to out door relief in certain cases,

In reference to two Houses of Mr. McCutcheon in N. Bang, about which the Commissioners had written requesting particulars - the following written statements of Mr. McCutcheon & Mr. Fitzpatrick - Collector - were read by the Board,

The following letters from the Poor Law Commissioners, and others, were read by the Clerk and directions given to answer them respectively, to the following effect (or, Orders made on them respectively as follows):—

August 13<sup>th</sup> 1866

The House No. 507, in Ryland Road N. Bang - belonging to Mr. McCutcheon and on which there are three rates due amount £2.2.0 were at times unoccupied and at other times occupied during the past three years,

The House No. 527, in Ryland Road N. Bang - also belonging to Mr. McCutcheon, in which there are two rate due - amount £1.4.0 - was unoccupied at the making of the last rate and for a considerable time previously and still remains so, but I cannot say whether it was occupied or not at the making of the rate of 1864.

I cannot state whether the House No. 507, was occupied or not at the making of the rates of 1863 & 1864, - but I am certain that it was unoccupied at the making of the rate of 1865.

Signed, William Fitzpatrick

August 16<sup>th</sup> 1866.

Being absent from home on yesterday I could not conveniently go in to give you the required information. I trust Mr. Dittmar will be able to do so, so as to exempt me from liability.

So far as I have been able to discover from documents in my possession — the occupancy of these two houses are as follows,

No. 527. was not occupied on the 2<sup>nd</sup> July 1864 — the date of making the rates. — On the 13<sup>th</sup> of Sept. 1865 the two front rooms were let to Robert McCrea which he held to the 28<sup>th</sup> February 1866.

Our new Dwelling No. 509, was not occupied on the 19<sup>th</sup> September 1863. the date of making the rate. I am doubtful about 1864, in 1865 in my opinion it was not occupied at the making of the rate. — the present tenants come — one John Tracy in December 1865 — the other (Bremen) in May 1866.

If Dittmar & the statement are not sufficient for the Commissioners, I am certain I can with perhaps a good deal of trouble, prove my total exemption to the rates at all — the Board is at the safe side and under the circumstances should be glad to have the thing finally settled.

Signed William Macutchen  
The Clerk of the Commissioners

The Medical Officer of the General Hospital reported — That Nurse Purcell is dangerously ill and unable to attend to her duties. — An assistant Nurse will be required for the Hospital.

The Top of the Porch requires repairs.

Ordered, The Doctor to employ a Nurse during the illness of Nurse Purcell. The Master to have the Porch repaired when he returns.

The Schoolmistress requested leave of absence for a few weeks to go to the sea — stating that the Master and Matron will arrange to have the children properly attended to during her absence and that she would not leave till after the Masters return.

Ordered, Leave granted for three weeks.
