Clerks Office - Workhouse
Dublin 18th Decr 1838

I take leave respectfully to call the attention of the Board to my case as Clerk of this respectable Union,

In the year 1831 my salary was fixed by the Board of that year at £110 - per ann

At that time the Union had no Dispaission Districts and no accounts to be opened or kept under the Medical Charities Acts, The duties under these Acts have now so increased and become so heavy that I must keep and maintain an Assistant to enable me to discharge these duties in addition to my ordinary business correctly and efficiently,

The long promised assistance from the Government to reduce the expences of the Union under these Acts have been fulfilled at last to the extent of some £450 - a year and it is time I should make my case known to the Board and to appeal to their sense of justice by granting me such increase of salary as

will compensate for the increased duties
I complain of I have the honor to be

The following Letters on matters arising under the Medical Charities' Act, or the Nuisances Removal and Diseases Prevention Acts, from the Poor Law Commissioners and others, were read by the Clerk, and Directions given to answer them, respectively, to the following effect, (or orders made on them respectively as follows:)

Read Letter from Commissioners dated, 19 Feb 1868. No. 4065, stating that

The Commissioners have had before them a Minute of the Board of Guardians of Enniscorthy Union of the 13th Inst. forwarding a statement showing the mode in which they calculated the proposed increase in the salaries of the Dispensary Medical Officers in the Union and the Commissioners desire to state that the mode of calculation adopted by the Guardians does not in the Commissioners opinion justify an increase in the salaries of the respective Medical Officers, as some of the Districts include extensive tracts of uninhabited Mountain. The Commissioners therefore request that the Board of Guardians will be good enough to reconsider the subject of fixing the salaries in question,

Moved by Mr. Roberts and seconded by Mr. Smith

That the Clerk be requested to obtain a return showing the number of Registered cases and visits paid by the Medical Officers of the several Dispensary Districts of the Union for the years 1864, 1865 and 1866 and submit same to the Board on this day next,

Letters were read from all the Medical Officers of the Union stating for information of the Commissioners that there existed no case of small Pox in their respective districts and some had no case for several years past, even in their private practice,
