### Commissioners Letters

Dated 30 Sept 68 } Relating to Collector Summers Books  
 N<sup>o</sup> 24046 } and the report made thereon by Mr  
 Robinson on his recent visit to this Union,  
 requesting to know whether the Clerk has since discovered  
 any errors in the calculations or additions in the Rate Book  
 which would account for the discrepancy between the amount  
 in the Collecting Book and the Rate Abstract Book,

Ordered, The Clerk to make a critical  
 examination into the Rate Books and all Mr Summers  
 Books and inform the Board this day week as to the  
 cause of the difference that appears between the  
 Collecting Book and the Rate Abstract,

Dated 30 Sept 68 } Expressing their sanction to the  
 N<sup>o</sup> 24078 } addition of the Tomacrops Division to the  
 Enniscathy Poor Rate Collectors District,

"30 Sept 68 } Enclosing a copy of Contract to be entered into  
 N<sup>o</sup> 24046 } by the Contractors for executing the works required  
 in the male and female Work House,

"28 Sept 68 } Enclosing forms for the annual  
 N<sup>o</sup> 133 } return of Union Officers immediately  
 after the 1<sup>st</sup> Proximo - so as to include  
 the Ex Officio guardians for the ensuing  
 year,

The following Orders from the Poor Law Commissioners were laid before the Board and directions given  
 thereon as follows:—

Dated 25 Sept 68 }  
 N<sup>o</sup> 23,572 } Enclosing copy of a letter they  
 had received from Mr James Borkley  
 Poor Law Guardian containing statements  
 affecting the conduct of certain members of the Board  
 on the 17<sup>th</sup> Inst. Resolving that the occurrences described  
 must be prevented by the Board of Guardians themselves,

Ordered, The Commissioners are requested  
 to send the Original letter signed James Borkley  
 that Guardian stating that he never wrote or consented  
 to the writing of the letter in question to the  
 P & L Commissioners,

The following Letters from the Poor Law Commissioners and others were read, by the Clerk, and  
 directions given to answer them, respectively, to the following effect (or Orders made on them respectively,  
 as follows):—

Moved by Mr J Tennott and  
 Seconded by Mr W Keating & passed  
 Unanimously

That We regret to find that any person  
 could be found so malignant as to write the letter  
 now read to the P & L Commissioners and sign Mr  
 Borkley's name to it — Mr Borkley entirely repu-  
 diates the authorship of such and we believe he  
 states truth. No member of the Board can  
 respect Lord Curzon more than Mr Dlynn and the  
 Guardians who were present on last Board day  
 testify that Mr Dlynn never had even the appearance  
 of being under the influence of liquor — but  
 without the least intention of disrespect to his  
 Lordship he expressed a difference of opinion  
 on the subject then under consideration — a right  
 that any independent Guardian can claim,
