The following report was read from Relieving Officer J. O'Brien

Gentlemen
They leave to report on the cases of children not vaccinated in my part of the Tullon district. Ellen Nolan Bolahag is dead, Bridget Breen Roscard left the district. I found her in N. W. Barry district - she is now vaccinated there - the rest are all noticed and have promised to get them vaccinated. With respect to the N. W. Barry list John Nolan of Castle Doonil is dead but was not registered until I called on the father - two cases were vaccinated in Enniscorthy - the rest of cases after I noticed them have complied except two cases.

[This to be entered on the occasion of every appointment of a new Committee, after the annual Election of Guardians, and on the occasion of any election to fill any vacancies in a Dispensary Committee.

The Board elected the following Ratepayers to be Members of the Committees of Management of the following Dispensary Districts, respectively:—the Clerk to make a Return accordingly to the Poor Law Commissioners, and to issue the prescribed Notification to the Members elected, and to the Medical Officers of the respective Dispensary Districts, in pursuance of Articles 1, 2, and 3, of the General Regulations for Dispensary Districts. The Clerk was also directed to supply Check Books of Medical Relief Tickets (Forms E 1 and E 2), in pursuance of Article 27 of the Dispensary Regulations, to the New Members of the Committees, namely:—

where the children are just and they promise to comply as soon as possible, I shall report this day fortnight if any remain out, _____ Dispensary District, of _____

Vaccination as at present carried out is somewhat in a confused state. The Registrar has the name of the child in his Book - it is vaccinated out of the district - it ~~is~~ remains still in the Book not done, which leaves the Book imperfect. If it could be arranged that any Medical gentleman vaccinating a child out of a district not his own would inform the Doctor of the District to which the child belongs it would make the Book of Vaccination perfect. These remarks are elicited by myself having found a case from Jenns vaccinated in N. W. Barry - Cases from Tullon and N. W. Barry vaccinated in Tullon - Enniscorthy and I always find in every list from N. W. Barry cases vaccinated by other than the Medical Officer of the district.

While on this subject I hope the Guardians

Medical Officers Report

Perceiving there is so much anxiety just now paid to the important subject of vaccination and having directed my marked attention to that vital operation, I think it my duty to inform the Board of the state of the House with respect to the protection of its inmates since my appointment as medical officer - a case of small Pox having never entered the House during that period.

Acting in compliance with the P.D. Commissioners Circular dated 14th March 1850 - after my appointment I inspected the House and had vaccinated and revaccinated in 1854 180 Cases amongst whom I found grown up persons & adults - unprotected by vaccination to the number of 38.

In 1855 I vaccinated and revaccinated 33 cases and 4 unprotected and in 1856 - 12 unprotected - since that period having kept a memorandum in which I entered every child born in the House as well as any admitted infant who were not vaccinated and on reference to that Book I found the cases to have been vaccinated at the proper

This Book is independent of the vaccination Register. Now as there is some alarm at the approach of small Pox I will venture to state that there is not a poor law Union in Ireland better protected by vaccination than yours and in order to keep up that desirable state of protection I will promise you to have vaccination and revaccination

performed on my Surgery each day Sunday excepted from 10 past 9 O'clock to 11 O'clock during the present alarm.

May I respectfully call your attention to the suppression of strollers and Beggars as it is by that class of persons infectious diseases are generally propagated thro' the country. The Authorities should do all they could to put a stop to it,

The Board proceeded with the consideration of applications for relief admission to the Workhouse and Poor Hospitals of the Union - also to out-relief which they granted in certain cases.

A Letter was read from Mr. Dwyer Sub Inspector - stating that in reference to the Warrant issued against James Nolan for desertion of his wife and child - formerly of Sparrinsland - he begged to inform the Board that the Constabulary at Galbally reported that he was not in that neighbourhood for the last year and that his whereabouts cannot be ascertained.

A copy of a Resolution entered into by the Guardians of Galway Union was read regretting that the several Boards of Guardians in Ireland would cooperate towards having the present unjust Acts of Parliament for the removal of poor persons from England and Scotland repealed.

Ordered, A Petition to be made out and forwarded to the members for this County,

The Tender of Mr. Robert Engman for Roads was accepted at £10.0 for the lot,

The Board proceeded to elect an Agriculturalist in room of Mr. Edward Smith - resigned. There were two applicants - Myles Nolan and Timothy Leary - both having excellent testimonials of Character and efficiency as Agriculturalists.

Upon being called before the Board Timothy Leary was asked whether he could write or not - and in replying in the negative was told that it was an indispensable qualification for the situation.

Myles Nolan was then summoned when it appeared that he could write a fair hand.

It was moved by Mr. J. F. Corkman Seconded by Mr. J. D. Lyonn

That Myles Nolan be appointed Agriculturalist in room of Edward Smith at the rate of twelve shillings a week - and that he cannot resign without a month's notice - passed unanimously.

Mr. Edward Smith late Agriculturalist made application to the Board for a Testimonial for the period of nine years that he had served them - also requesting to be allowed one week's wages - there being three days due him.

Ordered, A good Testimonial to be given to Mr. Smith, One week's wages allowed,

With regard to the case of Mary Dempsey brought from Ballymurn to Enniscliffy Workhouse on the 18th of February last and who died the same night - I beg leave most respectfully to state that I have known the woman for many years and that I had been speaking to her on the 13th of January last.

I met her on the road and asked her would it not be better for her to go to the Workhouse and she told me that she had some money of her own and that Mr. Maher Ballinakee was very good to her but that if she ever wanted to go to the Workhouse she would send me word.

I heard no more from her until Mr. Boston, the Guardian of the division applied to me to have a Car sent for her.

I remarked to him that it might be necessary for the Medical Officers to visit her first and he told me that the Doctor had been with her. I then permitted the Car to be sent for her depending on the statement of the Guardian that there was no danger in removing her.

Having read the statement of Jorney in the Watchman and Doctor Goodissins statement exonerating Mr. Slye from the charge of receiving Provisions from the man Jorney, but stating that Mr. Leas had resigned 9 or 10 months ago. I consider it due to myself to state that I never received a shilling worth from any patient for my own use, Jorney did give a

little Tea and Sugar for his childrens use
a mere trifle - but Mrs Tlye knew he
did do so as I never did anything without
her concurrence and approbation. Doctor
Goodissers statement might leave an
impression that as Mrs Leas had resigned
he could not account for what she received.
I am here and wish to answer for myself
trusting you will in your kindness excuse the
liberty I take.
