Gentlemen

In consequence of a sworn investigation held
 in the Board room relative to the account of Mr. Murphy
 Senior late Relieving Officer for the Oulart District and
 being connected with that District from the 4th January
 to the 1st March 1873 - save one week ending the 15th February
 when he undertook to resume his duties, I deem it necessary
 to place before the Guardians an ^{Signed} explanation of the manner
 in which I discharged the duties during my connection
 with the District

hold me accountable for the Balance accruing from the time I first discharged the duties of the District and for the sums handed by me to Mr. Murphy Junr to disburse to the Poor in Ballaghkeen which he neglected to do. — altho he admitted I gave him that money.

The Local Government Board further stated that altho I am legally liable for the amount. Mr. Murphy only acting as agent for me at the time. Yet that little doubt exists that the full amount is due by him to me.

I shall therefore lodge with the Treasurer the sum charged against me in their statement and I have given instructions to my ~~late~~ solicitor to take legal proceedings against Mr. Murphy for the recovery of the full amount.

I am gentlemen
Your obedient servant

This Board sympathise with Mr. Murphy Junr for being made the victim of our confidence and they hope he will succeed in obtaining restitution by legal means.
