That a Son of Mr. James Sommers Collector brought in on Tuesday last and lodged £137.6.11 on the Divisions of Castleboro and Telmonoke and stated his father is not yet able to come to town but that he is better. The Books on being checked were found correct and he informed the Clerk that to assist his father he served 6 days notices for him and that the rate payers come and pay at his own house.

The Clerk respectfully suggests that the Board will name some time for the attendance of Mr. Sommers and if he be then unable that he will send in a certificate from Dr. Stock who has been attending him since he met with the accident.

Subsequently a letter was read from Doctor Stock to the following effect.

I have been in attendance on Mr. James Sommers Collector for some weeks in consequence of an injury he received from the kick of a horse. He is now getting much better and I expect in about 10 days or a fortnight at farthest he will be able to resume his duties

Ordinary Proceedings

The Board then proceeded to the consideration of applications for relief in the Workhouse and Fever Hospitals of the Union also for out door relief which they granted in certain cases.

A man named Thomas Styles applied for admission to the Workhouse stating that he was formerly a native of Emmisconty but about 4 months ago he left with his family consisting of his wife and 7 children to seek employment on the Railway line in Ballyquary in the Wexford Union. He had to discontinue his work there in consequence of a sore leg. He then applied at the Wexford Workhouse for admission for himself and family and told them that he had no means of support and was unable to work. He was there refused admission. He further states that he applied to Doctor Beane seeking admission into the Infirmary who also refused admission to the applicant. He then had to proceed to Emmisconty and applied to the Board this day and admission was granted.

Ordered. That the Local Government Board are requested to inform the Guardians if the refusal to admit this man and his family into the Wexford Workhouse was in accordance with the Poor Law.

Letter read from Doctor Mounke stating that in the earnestness of his desire to show his appreciation of the Board's kindness he cannot find words to express his gratitude in allowing him the largest amount of Superannuation allowed by Law a Compliment which he can never forget. But more than the sum voted he values the kindly feeling which animated the whole Board when granting it. It will be one of the most pleasant recollections of his remaining days be the few or many to think that his long and faithful labours in their service have ensured him in his declining years.

The Bonds and other securities in force were laid before the Guardians by the Clerk, together with his Report thereon, as follows: (this on the second Meeting after the Annual Election.)

Years such as special mark of their approbation.

He begs the Gentlemen of the Board one and all to accept the expression of his deep and earnest feeling of Gratitude
