An Estimate of Medicines, &c., required by the Medical Officer of the Clonroche Dispensary District, approved by the Committee of Management, was laid before the Board, with a Requisition from the Committee for the supply of the same, and directions were given thereon, as follows:

Ordered. Medical Appliances Allowed.

Letter read from Mr. T. O'Brien Sanitary Inspector stating that in compliance with the Board's order of ~~Monday~~ he inspected the Pump at Ferns. It was sounded by Mr. Summott in presence of the Head Constable and himself. It is 84 feet deep, there is no water in it at present, when there is water in it the Pump is considered defective as it requires two men to turn the wheel to pump the water and is generally out of order. There is a better plan of a pump required. It is a great loss and inconvenience to a very large number of the inhabitants as they have a very long distance to go for water. It is indispensably necessary to have it put in order at once.

No order made.

An Invoice of Medicines forwarded by the Contractor, for the Dispensary District, in pursuance of an Order of the Board in their Minutes of having been received from him, the Clerk laid the Invoice before the Board, and was directed to forward the same, (or, reported that he had forwarded the same, as the case may be,) to the Medical Officer of the District, retaining a Copy of the Invoice for the use of the Guardians.

COPY OF MINUTES of Proceedings of the Board of Guardians, at a Meeting held on Thursday, the *20th* day of *August* 187*4*.

PRESENT: In the Chair—

J Haughton Esq. and Subsequently L Dundas.

Other Guardians—

Col^r H Alcock, Cap^t Dawson, W. A Lett, Mr. A. Cookman, T Alwhitney, J O'Donovan, L Dundas, J Moffatt, Cap^t Irvine, J Cullin, J Furlong, J Sheill, R Jordan, J Browne, J Loran, C Lett, E Keating, W Cloney, J Simmott, A Keating, J Sutton, J Leary, M O'Neill, J Murphy, H Goodison, W Rudd, P Keane, E Byrne, M Murphy, A Dockrill, M Redmond, M Kenny, R Cowman, P Murphy, O Whelan,

The Workhouse Register was produced, examined, and authenticated, from No. 4650 to No. 4676 both inclusive, by the signature of the Chairman, and Counter-signature of the Clerk.

The Out-door Relief Register was produced, examined, and authenticated, from No. 4134 to No. 4137 both inclusive, by the signature of the Chairman, and Counter-signature of the Clerk.

The Clerk's Report on the execution of Orders previously made by the Board was read to the following effect:—

That his attention was called by a guardian to a letter from Mr. Patrick Murphy in the "Watchman" of Saturday last, relative to the small effect likely to be caused by the Amount of Outdoor relief given in his District the last year on the Estimate of Rates placed before the Board of Guardians for Consideration.

I feel it now my duty to inform the Board that his letter is calculated to mislead to the extent of a Half year's expenditure of Outdoor relief included in the Estimate from the 25th March 1874 to the 29th September 1874 based on the Audited for the Half year ending 29th September 1873 amounting in his District to £575 and on the whole union to £950—thus where he supposes that £ in the £ on a Division in his District should be sufficient to carry it on to the 29th September 1875 the figure should be £ where he supposes £ it should be £ and where he supposes £ it should be £ and so on causing a miscalculation of 50 per cent.

Had Mr. Murphy used the precaution of making enquiry before publishing his letter he would have been spared from falling into this uncalled for and heedless blunder in a Newspaper read by most Ratepayers in the Union.

The Ledger was produced by the Clerk, posted up to the last day of Meeting, with the proper Debits and Credits as ordered on that day.

The Treasurer's Book of Receipts and Payments was produced, by which it appeared that there had been received during the week

Paid during the week

And that the Balance on the Account against the Guardians was

£ 41 9 5

£ 81 2 5

The Book was signed by the Chairman.

The weekly Balance-sheets of the several Collectors were laid before the Board, their accuracy having been first ascertained and authenticated by the Clerk.

Ordinary Proceedings.

The Board then proceeded to the Consideration of applications for relief in the Workhouse and Fever Hospitals of the Union, also for out door relief which they granted in certain Cases.

Mr. Edward Byrne brought forward his resolution of which he gave notice on the 6th Instant, objecting to a sworn investigation into the acceptance of the Tender for groceries &c to supply the Workhouse.

Amendment moved by Mr. Haughton Seconded by Mr. Lockmill.

That we wish to state in reply to the letter of the L.F. Board of the 16th Ultimo which stated that such serious charges as those contained in the Memorial of the Ratepayers required more than a passing remark,

We wish distinctly to state that this Board has no wish to prevent a sworn investigation into the Course taken by the Guardians in accepting the Tender for groceries on the 7th May last, as we consider that all our proceedings should be open to inspection by the Ratepayers who furnish the funds for the relief of the Poor and the management of the Workhouse.

The Chairman then took a poll when there appeared for the Amendment a majority of A.
