Gentlemen

I beg to inform your Board that Mr. Martin Bove is in the habit of removing the tops of the Stench traps at night in Market Square and Market Street which is a cause of great danger to the public. I have spoken to Mr. Bove on many occasions and he told me he would continue the practice as same would prevent his place being flooded. There is also one of the traps near Mr. Sammings door Market Square stopped, which causes the water flow on the Streets.
