Area of Taxation

This question was next gone into -
after some conversation - in which
W. Dockrile stated that he had no
"alternative scheme" to propose (as requested
by the Board on that day week, to the
one then moved by Mr. Haughton but defeated
on a poll, viz - the fixing of the whole
Dispensary District as the area equally)

2^d by J.D. Devereux J.D.
"that the cost of the Ferns Water Works
be borne in the following proportion, viz
One half by the Ferns Electoral Division and
one half by the remaining Electoral Divisions
of the district in equal proportions -"
On a division this was carried by 1 vote -

Mr. Haughton then gave notice of motion
for the 27th inst.
"That the resolution of W. Dundas respecting

this day fortnight, in consequence of
notice not being given and some of
the guardians interested in the matter
being absent"
