CUSTOM HOUSE QUAY,

Wexford Oct. 13th 1877

Daniel Keoghley Esq

Sir

We see by this days "Independent" that no decision was arrived at on Thursday last about the Tenders for the Fermis Water Works -

If the reported remarks implied a comparison between the two Tenders considered, there was nothing really to go upon but the amounts a comparison of which is in our favour -

Questions of quality of work and materials other than what has been specified and described are matters for the engineer, whose business it is to do with such things - but even this aside - we think our business reputation should be sufficient guarantee of both -

Yours faithfully
