My Lord and Gentlemen.—Your much respected Inspector, Mr.
O'Brien, lately drew your attention to the inadequacy of our
salaries, and reported it so to the Local Government Board.
We, the Dispensary Medical Officers, now ask you to give the
subject your mature consideration, and we feel persuaded that
when you have done so, you most willingly will place us on an
equality with the Medical Officers of the other Unions of Ireland.
More than twenty years ago our salaries were fixed at £20 a year
each. We need not remind you that since then every necessary of
life has increased considerably in value, and when you bear in
mind, that to enable us to do our duties efficiently, we require
the services of at least one horse and servant, to keep and main-
tain, which costs at least £20 a year, leaving us a very small ba-
lance for work done, which you must admit that, generally speak-
ing, our duties are arduous. It is not for us to say more, but
leave it altogether in your hands, fully assured that the Guar-
dians of the Model Union of the Model County will do us the
justice to which we are entitled.

Ordered - Proposed by Mr Christie
 J. G. Murphy
 & adopted nem con

" The Bd. of Gds. would respectfully urge that there is no such pressure of duty on Mr O'Brien at present as would prevent his Collection of Poor Rate.

On the contrary the Gds. think that this additional duty would naturally fit into his others.

He succeeded his father as R O, who retired without any Superannuation, after a service of 20 years, and who is now bedridden & dependent on his son for support.

This Bd. feels very reluctant indeed to avoid giving him any help in its power if possible, and would ask the Gds. as it has hitherto generally acceded to a reasonable request to defer to its wishes in this instance "
