Reduction of Rents

The following resolution:

Proposed by M^r N. P. Ryan seconded
by M^r Owen Doyle was unanimously
adopted.

That the Board of Guardians of
the Ennisorthy Union, as representatives
of the farming class, Respectfully call
on the Landlords of the County, to make
a reduction of the rents to their
tenantry in order that they may be
able to tide over the present
agricultural depression.

The following petition to the House of
Commons was also adopted.

~~House of Commons~~ That the Taxes levied on Land have been for
many years increasing and now press most heavily on the owners and
occupiers. That many of the wealthy and independent contribute
nothing whatever to these taxes, though sharing equally in all the
benefits with those who do pay. That your Petitioners humbly pray
that—in order to remedy this great and oppressive injustice, and to
lighten the burdens of the Poor Rates and County Cess—the Legisla-
ture shall extend the area of Taxation for Poor Rates and County Cess
purposes to every species of Income now reached by the Income Tax.

And Petitioners, as in duty bound, will pray.

The bonds and other securities in force were laid before the Guardians by the Clerk, together with his Report thereon, as follows: (this on the second Meeting after the Annual Election in every year.)

To the BOARD OF GUARDIANS of the *Enniscorthy* UNION.

As Medical Officer of the *Enniscorthy* N. 2 Dispensary

District, I hereby report to you that in consequence of having received a communication stating that a body had been buried last week in the Cemetery attached to the old Chapel at Enniscorthy and that the coffin containing it had not been placed sufficiently beneath the surface to visit the place and ascertained that such was really the case.

and I recommend that steps be taken to have the coffin ~~as~~ ^{now} placed at a reasonable depth. I may mention that at present it lies at less than two feet from the top of the mound which being less a foot high leaves the actual depth from surface entirely insufficient.
