My Lord & Gentlemen,

I respectfully call your attention to the very backward condition of vaccination in my district. On my appointment I furnished your board with the usual list form P. of children born in the district since 1864, and not vaccinated, ~~at that time~~ I am not aware that any return has been made on the said report, and as I am about drawing up a further list I should feel much obliged if you will direct your officer to furnish me with the names of those children who do not appear to have complied with the provisions of the act, that I may be enabled to include them, and thus comply with the order of the Local Government Board.

I am, My Lord & Gentlemen,
Your obedient
servant

Wm. A. Kelly
