Proposed by Mr. R. Power, seconded by Mr.  
N. P. Roche, and adopted:—

Resolved—That in reply to the letter of the  
Local Government Board, relative to the increase  
of salary to our Assistant Clerk, we wish to re-  
mind the Local Government Board that our As-  
sistant Clerk devotes all his time in the manage-  
ment of the business of the Union, and we con-  
sider the very low salary of £72 per annum, (in-  
cluding all extras), as not at all exorbitant or in-  
judicious, and we further assert that the com-  
parison made by the Local Government Board as  
to the Clerk and Assistant Clerk's salaries as very  
unfair, (the Clerk's salary from all sources amount-  
ing to something like treble the Assistant's, it  
being increased by extras from other offices con-  
nected with the business of the Union, whereas  
the present increase of the Assistant Clerk's  
salary includes all remuneration under all head-  
ings of the general business of the Clerk's  
duties. We therefore wish to call the attention  
of the Local Government Board to the fact that  
the resolution was unanimously adopted by a  
Board of 42 members after due notice had been  
given to each Guardian, and that six months'  
salary of the above increase will become due on  
the 29th September next to the Assistant Clerk,  
so we hope the Local Government Board will im-  
mediately sanction the amount sought for.

That we, the elected guardians and representatives of the ratepayers, being convinced that the salaries of this union are excessive and far in advance, in some cases from one-third to one-half what they were originally fixed at, and that some of the present officers of this union entered upon their duties long before those advances were made; and when we take into consideration the decreasing duties of officers of this union, owing to a decreasing population; we propose that all officers of this union whose permanent annual salaries exceed £50 and are under £100 be reduced 5 per cent., and at £100 and under £150 be reduced 40 per cent., and at £150 and upwards be reduced 15 per cent., the reduced salaries to date from the first of the next quarter after the passing of this resolution; and we respectfully request the Local Government Board to sanction the resolution without delay.

Notice of Motion

by  
H Cullen

Irish Clerk's Conduct

NOTICES OF MOTION.

I beg to give notice that on this day three weeks I will ask the Board to consider the queries put by me to the Clerk on the financial condition of the Union for the year, ending 29th September, 1883, and the Clerk's replies as contained on the minutes of the 24th January, 1884, which is by £211 2s. 9d. more than is in either of the receipts or the cost of the Union as shown by the abstracts of 1883, and we are of opinion that our Clerk giving such a statement is unworthy of the confidence of the Board, and we respectfully ask the Local Government Board to call on the Clerk to resign.

FRANCIS CULLEN.

I beg to give notice that on this day three weeks I will ask the Board to consider the conduct of our Clerk for sending Union printing to the Watchman Office under the following facts:—

Advertisements were issued that tenders will be received by the Board on May 23, 1883, and that printing would be contracted for as set forth in Alexander Thom's catalogue. The tender of the Watchman office was before the Board, and had not one to propose it, and in the face of that our Clerk sent the Union advertisements to be printed to the Watchman office, thereby knowingly putting additional cost on the Union without the orders of the Board. Also for sending printing that was contracted for at Thom's list of prices to the Watchman office to be printed, thereby knowingly depriving the contractor of the use of his contract as well as ignoring the acts of the Board without order. From the above acts we have no confidence in our Clerk, and in the discharge of our duty we respectfully ask the Local Government Board to call on the Clerk to resign.

FRANCIS CULLEN.
