Surge  
Jonathan Haughton Esq  
Ex Land Valuer Land Commission

IN RE JONATHAN HAUGHTON, ESQ.  
 The following resolution proposed by John Furlong, Esq., seconded by D. Coates, Esq., was unanimously adopted:—  
 "That we, the Ennisecorby Board of Guardians, have heard with surprise and regret that Mr. Jonathan Haughton, of Rockspring, has been removed from his position of Court Valuer under the Land Commission without any reasons being given for such a proceeding, and as it is a matter of vital importance that this office should be filled by men of practical experience in agricultural affairs, we believe Mr. Haughton is in every way qualified to discharge efficiently and justly, between landlord and tenant, the duties of the situation from which he has been removed, as he is an extensive farmer and well known in this county as a thorough judge of land. His removal from office will reduce, to a great extent, any confidence which at present exists in the administration of the Land Act, as the present staff of valuers are nearly all landlords or land agents. Mr. Haughton has acted as Deputy-Vice-Chairman of this Board for many years, is on the Managing Committee of the Wexford Agricultural Society, and his conduct in these capacities has always given satisfaction to the persons concerned."  
 We hereby direct our Clerk to send a copy of this resolution to Mr. Redmond, M.P. for Wexford Borough, with the view of his bringing the matter before the House of Commons, in hopes that the reason of Mr. Haughton's dismissal may be elicited from the Government, and that the other Members for the County be requested to support Mr. Redmond in his exertions in the matter. Also that copies be sent to the other three Unions of the County for approval.

IN RE POOR LAW GUARDIANS' BILL.  
Proposed by Mr. Maurice Murphy, seconded by Mr. Thomas Kinsella, and passed:—  
That the Board of Guardians of the Ennisecorthy Union forward a petition to the House of Lords, expressing their approval of the Poor Law Guardians' (Ireland) Bill at present before their Lordships' House, inasmuch as heretofore the system of ex-officio members placed on the Poor Law Boards in Ireland has been wholly subversive of the idea of representative institutions, and that our Clerk be ordered to prepare a petition to the House of Lords, and that he will lay a copy of same before the Board on next Thursday in accordance with the above resolution.

IN RE GOVERNMENT OFFICIALS AS GUARDIANS.  
The following resolution, proposed by Mr. E. Power, seconded by Mr. N. P. Roche, was passed unanimously:—  
Resolved—That having been made aware of the fact through the National Press that Petty Sessions Clerks are to be ineligible for the future to act as Poor Law Guardians, we respectfully request the Local Government Board to call on all other Government officials to resign their position as ex-officio or elected guardians. We are confident that such Government officials being pledged to carry out simply (though often with great harshness) the British one-sided unjust and heinous laws.  
That a copy of this resolution be sent to the County and Borough Members.  
Should not the Local Government Board accede to our request, we will be compelled to have the present code of the Poor Law system repealed, and the contents of this resolution brought to law.

The Workhouse Register was produced, examined, and authenticated, from No. 2144 to No. 2175 both inclusive, by the signature of the Chairman, and countersignature of the Clerk.

The Out-door Relief Register was produced, examined, and authenticated, from No. 8117 to No. 8121 both inclusive, by the signature of the Chairman, and countersignature of the Clerk.

The Clerk's Report was read to the following effect:—

**CLERK'S REPORT.**  
In accordance with the resolution passed on last Board day, I lay on the table the bills asked for, from the offices of "The Enniscorthy News" and "Watchman." While doing so, however, I beg to say that the qualifying statement in the resolution, viz., "Offices not employed by the Board" is incorrect and misleading.

This Union has been employing both these offices for the publication of its advertisements, the one for 28, and the other for 25 years past, and at this moment there is no resolution against advertisements being still sent to them, that I am aware of. There is one item, as I have stated before, without the authority of the Board on the face of it, it is that of £23 18s. for voting papers ordered by me in my capacity as Returning Officer from Mr. Griffiths in March last. I submit I have a right in that capacity to get these wherever it is most expedient and suitable, to carry out the election proceedings with correctness and rapidity. Mr. Cullen can test this in any way he wishes.

A long discussion then ensued on the above subject, after which Mr. O'Dempsey gave an account of an interview he had with Mr. Roberts as to the rent of the Fever Hospital and farm, when the following resolutions were passed:—

Proposed by Mr. Power, seconded by Mr. Kinsella:

Resolved—That this Board considers Mr. Roberts' explanation of the charge of £10 a year rent for the Fever Hospital as most unsatisfactory. We consider that Lord Portsmouth's contribution to the building of it was a mere charitable gift and not an investment, and that the transaction that occurred in 1852 amounted to no more than a transfer of the management from the public to the Board of Guardians, and no way justified the imposition of rent, particularly as the other hospitals in the Union are held at a mere nominal rent; and we now request Lord Portsmouth to insist no longer upon the payment of £10, but to substitute in its stead a nominal rent, and we direct our Clerk to send copies of this resolution to Lord Portsmouth and his agent.

Proposed by Mr. Roche, seconded by Mr. B. Murphy:

Resolved—That Mr. Roberts having informed our Solicitor that the matter of the farm is in the hands of Lord Portsmouth's Law Agent, we hereby refer the matter to our Solicitor to protect our interests, with instructions that we will not pay more than the £2 an acre already offered.

The Treasurer's Book of Receipts and Payments was produced, by which it appeared that there had been received during the week

Paid during the week

And that the Balance on the Account *against* the Guardians was £ 561 . 13 . 10

The Book was signed by the Chairman.

The Weekly Balance Sheets of the several Collectors were laid before the Board, and the same were first ascertained and authenticated by the Clerk.

## Clerk's Report

In accordance with the  
Resolution of the Board  
subdect<sup>d</sup> "that any  
standing Resolution on the  
minutes that empowered  
the Clerk to send the Union  
Advt. to the Union for the New  
"Watchman" be laid before  
the Board" on this day,  
I submit the following —

On the 17<sup>th</sup> Nov. 1870 —  
At which the same notice  
of motion for that day, I read,  
as follows —

"That inasmuch as a tender  
for the supply of potatoes to  
this house was accepted by  
a small board, at a sum  
vastly exceeding the marketable  
value of the article, there  
being no competition for  
same, only one tender, I  
will move, on this day

fortnight, that advertisements  
for all articles required  
be inserted, at least in  
the Emisworthy papers,  
2c 2c

---

On this being brought forward  
on Dec. 1<sup>st</sup> 1870, in due course

It was moved by W. H. Lyman  
& seconded by J. Dea the  
and adopted

---

"That all future Leander  
to supply the wants of this  
House shall be advertised  
in the local papers."

---

This Resolution is yet in force  
and binding, as it has not  
been legally rescinded —

The Resolution passed at the  
instance of W. H. Harrell on  
July 13. 1882, that

in future will be inserted in  
the Emisworthy Watchman  
was informal, and invalid,  
as no notice of it has been  
given —

This was however (the invalid)  
rescinded by a resolution of  
the Board, of which due 2  
weeks notice has been given  
on the 10<sup>th</sup> May 1883 — so that  
at present there stands 2  
valid, legal, authoritative  
Resolutions of this Board  
for the insertion of its  
advertisements in the Emisworthy  
Watchman —

The only mistake therefore which  
I have committed, if it be a  
mistake, is, in having withdrawn  
advertisements from the  
Emisworthy Watchman  
supposed to be  
for the period covered by

Mr. O'Farrell's Resolution -  
The Consequences of this,  
however, must be borne  
by the Board itself, as  
I ~~have~~ acted, as I have  
acted throughout,  
in accordance with the  
Resolutions of the Board
