MASTER'S REPORT.

The Master reported as follows :—
I regret that an accident occurred in the Female School on Tuesday evening last, by which a child named James Power, aged about five years, came by his death. It appears the child's clothes accidentally took fire, and before assistance arrived the child was somewhat burned. I had it admitted to the infirmary, and immediately sent for the doctor, who attended. The child died between five and six o'clock on Wednesday morning. I at once reported the matter to the authorities. There was an inquest held on to-day (Thursday), and a verdict returned that death was accidental from the effects of the shock of the injuries received.

//

# Resolutions Adopted

The following were proposed by  
Mr. Power, seconded, & adopted  
nem. con.

" The Speaker " Mr. O'Brien vs Mr. O'Brien vs Mr. O'Brien

" That this board, which represents the wishes of a large majority of the county Wexford assembled here to-day, condemns in the strongest manner the arbitrary action of the Speaker of the British House of Commons for his expulsion of Mr. William O'Brien, editor of *United Ireland*, from the House whilst in the capacity of member for Mal-low. Furthermore, that we look upon such tyranny towards Mr. O'Brien, one of Ireland's truest representatives, as another proof of how necessary it is to have our own Parliament House, wherein the Irish members can legis-late for their people without insult from the Englishman and stranger.

" Government officials as guardians

" That in reply to the Local Government Board's letter of December last asking this board, whom they referred to as Government officials being on the list of ex-officio guardians, we designate the following as coming under the category of Government officials, and we request the Local Government Board to issue an order disqualifying them as members of Boards of Guardians, viz.—Majors, Generals, Colonels, Captains, Lieutenants, who receive Government pay either from the army or navy; also all navy, army, and police pensioners, and judges, barristers, post office officials, but especially coroners, and Crown Solicitors.

# Inre Election of guardians

" That we call on the priests and people of Enniscorthy Union to make a strenuous effort to send Nationalist guar-dians to this boardroom for the ensuing year, as now is the turning point in the crisis of our country, and the people can't afford to be represented any longer by anti-National-ists or chickenhearted guardians as has been too often the case in the past. Also, that the people be reminded that to insure success to be careful in signing their voting papers so that no votes shall be either spoiled or lost to the people candidates upon this occasion.

" Mr. O'Brien vs Mr. O'Brien vs Mr. O'Brien

" That as the edict has gone forth from the leaders of the Irish people, that foxhunting should be suppressed as it is only a pass time of the ruling classes, and has a tendency to demoralise the people, we hereby enter our protest against any farmer worthy of the name tolerating or allow-ing hunting over his lands in any part of this union in the future.

" The Clerk vs Mr. O'Brien vs Mr. O'Brien vs Mr. O'Brien

" After all the trouble we have had in connection with the clerk giving advertisements to newspapers adverse to the people's interest, I now propose that all cheques in future, in payment of advertisements in newspapers relative to this union, be submitted to a full board and read by the clerk aloud before it is signed."
