The Minutes of last Meeting were read and signed.

The Workhouse Register was produced, examined, and authenticated, from No. 806 to No. 918 both inclusive, by the signature of the Chairman, and countersignature of the Clerk.
 The Out-door Relief Register was produced, examined, and authenticated, from No. 9188 to No. 9188 both inclusive, by the signature of the Chairman, and countersignature of the Clerk.
 The Clerk's Report was read to the following effect:—

June Election of Guardians

Laid before the B. & the full list of those elected for ensuing year.

June Remuneration under Franchise Act

The following was read, which had been postponed from 16th inst.

REMUNERATION UNDER FRANCHISE ACT.
 The Clerk reported as follows:—
 I beg to ask the board for remuneration for my services under the Franchise Act for the year 1886. I may state for the information of the board that previously to the passing of the new Franchise Act, I received annually from this board £26 for these special services. The number of voters belonging to this Union was a little over 1,500 (1,536 in 1884). Now there are about 6,500, more than four times as many. Besides the increase of labour involved in duly allocating such a large number to their various polling districts. There has been added the duty of examining the immense number of notices to inhabitant occupiers, amounting to 7,116. As a guide to the board in this matter, I may state that the Boards of Wexford and New Ross have unanimously granted the sum of £80 each to their Clerks, which was sanctioned by the Local Government Board without any objection being made. I think I may fairly claim to be treated equally with these gentlemen, as the three Unions are almost equally circumstanced in this respect. I may also be excused for adding that so completely has the work (extensive as it is) been done under this Act in this Union, that in none of the County Courts has a single claim been made to the franchise, outside the lists prepared by me with the help of the officials of the Union.

*Ordered £60.0.0
 allowed*

The Ledger was produced by the Clerk, posted up to the last day of Meeting, with the proper Debits and Credits, as ordered on that day.

The Treasurer's Book of Receipts and Payments was produced, by which it appeared that there had been received during the week

DR. FURLONG'S REPORT.
Dr. Furlong reported as follows:—"I have been requested by the Board to report as to the cause of death of Jane Walsh, lately deported from England. She died of ~~gastritis~~ or inflammation of the stomach, and not of fever. My reason for removing her to the fever hospital was, that the symptoms in the early stage were somewhat like the premonitory symptoms of fever, and I have no probation ward in the infirmary where such a patient could be placed till the true symptoms develop."
