A special meeting of the Killan Dispensary Committee was held at Mangan on Friday, to consider a letter from the Local Government Board in reference to the erection of a residence for the medical officer of the district. Present—Messrs. Robert King (in the chair), Moses O'Brien, and James Johnson. A letter was read from Dr. French as follows—"I am now five years medical officer of Killan Dispensary district, and during that time I never applied for one day's leave, and consequently never put the Union to any expense. I keep down the expense with regard to medicines, &c., as much as possible. I also attend cases night and day without visiting tickets, when I learn the history of the case. There has never been a fault brought against me since I came to the district, and I hope you will now consider over what I have mentioned and grant me the favour I am asking." The erection of a doctor's residence was approved of, but the further consideration was adjourned to a meeting of which all members will get due notice.
