At a meeting held on 6th January to answer a letter of the Local Government Board of the 13th December demanding to know why the dispensary committee had given £25 for the purchase of the interest of the tenant in the plot on which they were about to build, the committee stated that the local committee having immediately under their consideration all facts connected with the case decided to offer to the landlord the annual rent of £1 10s and £25, preferring to pay that sum for possession rather than to go under the larger rent which the landlord would otherwise have demanded, and the committee are perfectly satisfied that they have consulted the interest of the ratepayers in the course they have adopted. The following
 Resolutions
 were adopted

VOTE OF CONFIDENCE IN MR. PARNELL.
 Proposed by Mr. Hayes, seconded by Mr. Kearns:—
 That we, the board of guardians, elected representatives of the ratepayers of the Enniscorthy Union, hereby avail ourselves of this opportunity to assure our illustrious leader, Mr. Charles Stewart Parnell, who has so loyally and unflinchingly proved his undying devotion to the cause of our severely oppressed and long suffering country, that no amount of false charges, treachery or renewed "Piggotist plots," backed up by the bribes of the unscrupulous aiders and admirers of a Coercionist Tory Government, shall ever lessen our respect and affection for him, who has proved himself to the satisfaction of the Irish race the world over, a great and unprecedented leader; in whom we now express and proclaim our unqualified, unflattering and unabated confidence, and hereby declare that we shall stand by him in all the trials and annoyance to which he has been subjected for the purpose of endeavouring to lessen his influence in our behalf as faithfully as he stood by us in all our sufferings during the past ten years. A copy of this to be sent to Mr. Parnell, United Ireland and The Freeman's Journal.
 Passed unanimously.

THE PROSECUTION OF MR. E. WALSH.
 On the motion of Mr. Hayes, seconded by Mr. Fortune, the following resolution was passed unanimously:—
 That we, the guardians of the Enniscorthy union, hear with indignation and disgust of the further attempt of the present Government to degrade Mr. Edward Walsh, the present Mayor of Wexford, by dragging him before a Coercion Act Court for discharging his duties as a public journalist. The intended prosecution raises Mr. Walsh still higher in the esteem of the people of Wexford and all Ireland; for in spite of any efforts of Mr. Balfour to victimise him by putting him in prison under an iniquitous law, we are sure it will be the means of making the editor of THE PEOPLE dearer to the hearts of all true Irishmen, on whose behalf he has so often before suffered. A copy of this to be sent to Mr. Walsh, United Ireland, and the Freeman's Journal.

MR. WM. O'BRIEN, M.P.
 Mr. Keboe proposed, Mr. F. Murphy seconded, and it was adopted *nem con*:—
 That we congratulate the people's champion, Mr. William O'Brien, M.P., upon his release from the clutches of Balfour and his miscreants, and we sincerely hope that he may long be spared to carry on the battle for Ireland's rights of which he is so distinguished and fearless an advocate.

Imprisonment of Edw Walsh
Mayor of Wexford

THE FAITHFUL FRIEND OF EVERY VICTIM OF LAND-
LORD OPPRESSION.

At the meeting of the Enniscorthy board of guardians on Thursday last, the following was on the motion of Mr. Gregory Murphy, seconded by Mr. Kearns, unanimously adopted:—"That we have learned with disgust and astonishment that Mr. Ed. Walsh, proprietor of the Wexford PEOPLE, NEW ROSS STANDARD, and ENNISCORTHY GUARDIAN, also the unanimously chosen Mayor of Wexford, and Chairman of the Wexford Board of Guardians, after his fourth prosecution under the Crimes Act, has been again sentenced on yesterday to two months' imprisonment by two of Her Majesty's Removables—of whose legal knowledge the Lord Lieutenant seems satisfied, notwithstanding the reverse opinion of such an able and consistent lawyer as County Court Judge Waters, whose verdicts have always been calculated to encourage respect for law, which he so fairly and consistently administers. We hereby tender to Mr. Walsh, who has proved himself a faithful friend to every victim of landlord oppression, our heart-felt and undying sympathy, and beg to assure him the more he is made to suffer for the cause of his country, to the satisfaction of the bigotted admirers of the present coercionist Tory Government, whose day of power is fast drawing to a close, the more he endears himself still to the hearts of his fellow-countrymen the world over. That a copy of this resolution be written out, and signed by our chairman and clerk, and sent to Mrs. Walsh, the *Freeman's Journal*, and *United Ireland*."

Mr Burke's Report
Straw for beds

The master reported that it will take about 6 tons 5 cwt. to straw the beds in the house once, or close on 19 tons to straw them three times.

There is about 9 tons of straw on hands at present, so that 9 tons or over, will require to be purchased.

If they are to be strawed but twice until harvest. something over 3 tons will suffice.
