The Reports of the Master and other Officers were read and Orders made thereon as follows:—

10 Sept 1858, I feel very grateful to the Board for the solicitude bestowed on the case of Catherine Reynolds whose Emigration to America I strongly recommended through the Master. From the satisfactory manner she has conducted herself during the period since she reformed her life I have good reason to hope that when removed to a distant land where she will not have to contend with the insurmountable obstacles which a lost character would here inevitably interpose she will be encouraged to continue in the same course, in which she has so long ~~persevered~~ ^{persevered}.

From the praiseworthy offer which her Step-Mother long since made and from the positive assurance given to the Master that if Catherine Reynolds applied herself to honest industry or be sent to America for that purpose she would take the children there is good reason to hope, tho' there can be no certain guarantee, that the children will not become again a burthen to the Union. To encourage the Step-Mother to keep her promise I will, aided by a friend, give her, on taking the children, a couple of pounds, (over)

The following Orders of the Poor Law Commissioners were read before the Board, and directions given thereon, as follows:

(Continued)
from page 7

Catherine Reynolds herself assured me and I believe her sincere that the first use she will make of the money she may earn if sent to America will be to send it home for the support of her children. I would take the liberty of recommending the same course to be adopted in the case of Anne D'Alton, she has given, tho' not to the same extent as Catherine Reynolds repeated proof of her desire to reform her life perfectly for the time to come. To effect this object she begs of me to make application to the Board of Guardians to enable her likewise to go to America. I believe her motive to be good and her desire sincere and I confidently trust that if her petition be granted it will be ~~granted~~ ^{attended} with the same good results as I expect in the case of Catherine Reynolds, Jameshaugh, P. V." — Clerk to write to the Comrs stating that the Board are willing to pay the cost of the Emigration of Cath. Reynolds and her children if they would consent to it. Clerk to inform Mr. Haes of his having done so. Comrs' sanction to be asked for expenditure for the Emigration of Anne D'Alton. —

The following Letters from the Poor Law Commissioners and others were read by the Clerk, and directions given to answer them respectively, to the following effect, (or Orders made on them respectively as follows:)

Letter from Edw. Hill Sub-Prosecutor of Magistrates. Jones, ^{Statute} in reference to the order made in the letter of Mr. Wye (See Minutes 28 August), that a more authentic copy of the Law Adviser's Opinion cannot be given, — Mr. Hill to be requested to send a list of the expenses lately incurred in arresting ^{parties} ~~persons~~ for offenses against the Guardians, and to be informed that the Board will pay all reasonable expenses incurred before the Conviction of the Prisoner.
