My Lord, — As members of this Board we would offer our sincere condolence to your Lordship on the sad bereavement your Lordship recently sustained by the lamented death of the late Earl of Courtown.

"In offering our heartfelt sympathy to your Lordship on this melancholy ^{occasion we would express our} ~~death of your noble Father~~ own grateful recollection of your Noble Father as Chairman of our Board; for, though many of our bodies differed from him on various subjects, still each individual amongst us had cause to be deeply impressed with our late Chairman's unvariable and uniform kindness and urbanity, and whilst his Lordship's self-denying assiduity in attending to the interests of the Poor was above all praise.

"We confidently anticipate your Lordship's efficiently fulfilling the onerous duties of your high position and that as the domestic virtues of your late lamented Father descended with his Coronet, so shall his unerring zeal and energy in the performance of public duty prove hereditary in his son.

Signed on behalf of the Board

January 10th 1859.

(Reply)

"Gentlemen, — I beg you will convey to the Board of Guardians of the Grey Minn my most sincere thanks for the address of sympathy and condolence they have presented to me by you on the occasion of the death of my dear Father. It is a source of gratification to me and others of his family to find that the manner in which he performed his public duties has been appreciated, — You know ^{how} generously he gave his time and attention to them but you cannot know, at least as fully as we do, how pure and disinterested were his motives and how ~~and~~ single hearted his desire

offered. They leave again to thank you gentlemen and the Board of Guardians for the kind address which you have presented me with and of which I hope always to retain a grateful recollection."

The Relief given to Tobias Dalton is given by way of loan to his son Walter Dalton of Jolani Upper in Dominique C. I.

Moved by Mr. Stann, seconded by Mr. O'Shaughnessy, and unanimously agreed that the Commissioners be requested ~~to request~~ to inform the Board of the result of the investigation into the case of Mary Bogan who was removed to this Union by the Emigrant Board of Guardians. The woman and her two children are still in this Workhouse.

4042. M/59. 23 March 1859. Relative to Annual Appointments of Dispensary Committees and Wardens,
6442. 1859. 25 March 1859. Enclosing sealed consent to Emigration of 8 Minors of the house besides the number sanctioned before.
6808. 1859. 25 March 1859. Enclosing copy of a letter from Mr John Hinton in which he complains of the acceptance of a higher tender than his for Passage of Emigrants. Moved by Mr Funn and seconded by Mr Rowe that as Mr Hinton's tender is the lower, it be accepted. — Put and lost.
1 over)

The following observations were then resolved to be placed on the minutes, no one objecting to them but Messrs. Tenn & Rowe,

"The reasons that influenced the Board on last Board day in refusing Mr. Ainton's tender were as follow:—
 "Mr. Ainton did not state when the vessel intended to convey the Emigrants would sail, or from what Port; and it was not till after the other tenders had been accepted that the Board learned that Mr. Ainton had a vessel for America lying in Wexford.
 "Judg. As Mr. Ainton is Agent for a Liverpool Company, the Board inferred that the vessel would sail from Liverpool—
 "and they had very strong objections to landing females imported to that Port, whilst if the Master and a female officer were sent with them they would be perhaps detained for an indefinite period and the extra expense would ^{probably} equal the difference between the tenders or perhaps exceed it.
 "N^o. Besides, the route from Wexford to Liverpool ~~and~~ back again would add some hundred miles to the voyage and expose the Emigrants to the dangers of the channel, which will be avoided by their sailing from Ros. The maintenance of the 35 Emigrants in the Workhouse between the 7th April, the date on which they are to sail from Ros, and the time when Mr. Ainton might take them ^{was} also a consideration against his tender."

(+mitted) "The party whose tender the Board accepts will bear any expense that may be incurred in waiting for the vessel to sail from New Ros— a Port from which the Emigrants from this Union have with very few exceptions always sailed."
