No application having been received for this Office, the Clerk was ordered to advertise once in The General Advertiser, Gaze, Correspondent and Westford Constitution. Appointment to take place on this day three weeks.

Clerk's Report: —

"In conformity with the 9<sup>th</sup> Sec. of the 4<sup>th</sup> Article of the General Regulations, the Clerk begs to report that there is a difference of opinion between him and the Master relative to the quantity of Mould candles, consumed at present by the Officers, viz 7 lbs a week, and they have agreed to leave it to the Board to decide.

"It appears by reference to the Minutes, 29 January, 1853, that 4 lbs of candles per week were allowed for all the Officers when their number was 10.

"After some time the number of Officers was reduced to eight and then six lbs a week were consumed by them.

"Now there are only 6 Officers, and 7 lbs Mould candles are charged weekly for them.

"The Clerk cannot understand why 4 lbs should be given to 6 Officers, when only 6 lbs were given to 8 Officers and subsequently to seven Officers and 4 lbs to 10.

"The Clerk will feel much obliged if the Board will determine the proper quantity of Moulds and Dipt Candles entered in the weekly consumption - both for Summer and Winter.
