COPY of MINUTES of Proceedings of the Board of Guardians, at a Meeting held on
the 30th day of March 1861.

PRESENT: In the Chair, Rear Admiral Obsen and afterwards of of Copie Carple
Other Guardians:
Mesers Dinnions, Holey, Warren, Butter, This Doyle
Dames Dagle; Geter Flow, Mybrants, Burkitt, Harming,
Monis, Munn: Hawcett, Cranwill, O'Gran, At. Bolton
The Minutes of last Meeting were read and signed.

O'Law of many, I a. Rielands D. Wh. and Piece of Flower.

Notices of Marriage between the parties hereunder named having been received from the District Registrar by the Clerk, were duly read at the Board this day, in accordance with the 15th section of the 7 & 8 Vic., c. 81.

The Workhouse Register was produced, examined, and authenticated, from No. 440 to No. 446\_ both inclusive, by the signature of the Chairman, and Counter-signature of the Clerk.

The Out-door Relief Register was produced, examined, and authenticated, from No. 4019 to No. 4019 both inclusive, by the signature of the Chairman and counter-signature of the Clerk.

The Clerk's Report on the execution of Orders previously made by the Board, was read to the following effect:-

The Leger was produced by the Clerk, posted up to the last day of Meeting, with the proper Debits and Credits as ordered on that day.

The Treasurer's Book of Receipts and Payments was produced, by which it appeared, that there had been received during the week

Paid during the week

And that the Balance on the Account in favor of the grandians was

1362.8.10

The Book was signed by the Chairman.

Guardians was

The weekly Balance-sheets of the several Collectors were laid before the Board, their accuracy having been first ascertained and authenticated by the Clerk,

The lodgments made of Rates collected in the several Electoral Divisions appear to have been as follows:-

| Name of each Collector | Electoral Division arranged in<br>Collectors' Districts.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                       | Collected and<br>Lodged | Total   | Remaining | Total   |

|                        |                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                |                         |         |           |         |

Norm.—A total is to be inserted in Red Ink at the foot of each Collector's District, as well as for the entire Union.

Debit the Treasurer and Credit the several Electoral Divisions with the respective amounts lodged.

The Clerk's Account of petty Disbursements made by him since last Meeting amounting to was produced and passed.

The following Books were exhibited by the Clerk, he having first ascertained the accuracy of the entries made therein by the Master of the Workhouse, and authenticated the same by his signature:

- 1. The Weekly Relief List and Abstract
- 2. The Provision Check Accounts
- 3. The Provision Receipt and Consumption Account.

By which it appeared that the cost of Provisions and Necessaries received during the week was £ 30 s. 9 d.

The Master's estimate of Provisions and Necessaries required for the ensuing week was examined, and Orders were duly made for the several articles specified, namely:

159 Gallons of Sweet Milks
288 Ils "Beef"

Beeses Heads That I Sottle of John Portestant Clafolain

The following Books were also produced by the Clerk, their accuracy having been previously ascertained by him, and authenticated by his Signature:—

- 1. The several Clothing Accounts.
- 2. The Medical Officers' Books.

The Out-door Relief Lists and Weekly Receipt and Expenditure Books of the several Relieving Officers were then produced by the Clerk, their accuracy having been previously ascertained by him and authenticated by his Signature.

The Abstract of the Out-door Relief Lists was also produced by the Clerk, having been duly entered up by him for the last week ended Saturday, the 23 day of whereby it appeared that in that week the Total Expenditure in Out-door Relief was

Credit each Relieving Officer, as per Receipt and Expenditure Book.

The requirements of each Relieving Officer for the ensuing week having been duly considered and estimated by the Board, checks on the Treasurer, and orders on Contractors were dul signed and delivered to each of them, of the following amounts and value, respectively:—

Note.—A total is to be inserted in Red Ink at the foot of each Collector's District, as well as for the entire Union.

Debit the Treasurer and Credit the several Electoral Divisions with the respective amounts lodged.

The Clerk's Account of petty Disbursements made by him since last Meeting amounting to was produced and passed.

The following Books were exhibited by the Clerk, he having first ascertained the accuracy of the entries made therein by the Master of the Workhouse, and authenticated the same by his signature:

- 1. The Weekly Relief List and Abstract
- 2. The Provision Check Accounts
- 3. The Provision Receipt and Consumption Account.

By which it appeared that the cost of Provisions and Necessaries received during the week was £ # s. # d. 4

Debit Provision Account, and Credit Invoice Account

The Cost of Provisions and Necessaries consumed was - - 30 . /7 .

Debit Maintenance Account, and Credit Provision Account -

Average cost in Fever Hospital,

The Master's estimate of Provisions and Necessaries required for the ensuing week was examined, and Orders were duly made for the several articles specified, namely:

204/2 Gallons of Sweetmill 122 " Suttermith 18 " Sha 18 " Sha 112 " Lugar Stee " 104 Shall Bottles of Corter " 33 " Matton" " 4 Buf Heads " 5 Cot of Indiament

The following Books were also produced by the Clerk, their accuracy having been previously ascertained by him, and authenticated by his Signature:—

- 1. The several Clothing Accounts.
- 2. The Medical Officers' Books.

The Out-door Relief Lists and Weekly Receipt and Expenditure Books of the several Relieving Officers were then produced by the Clerk, their accuracy having been previously ascertained by him and authenticated by his Signature.

The Abstract of the Out-door Relief Lists was also produced by the Clerk, having been duly entered up by him for the last week ended Saturday, the 30 th day of Wark 186/, whereby it appeared that in that week the Total Expenditure in Out-door Relief was

21

The requirements of each Relieving Officer for the ensuing week having been duly considered and estimated by the Board, checks on the Treasurer, and orders on Contractors were duly signed and delivered to each of them, of the following amounts and value, respectively:—

| 10000              | 12 10 10 10 10               | By Check  | By order on Con         | itractors,    |                    |                              | By Check  | By order on Co       | ntractors             |

COPY of MINUTES of Proceedings of the Board of Guardians, at a Meeting held on
the 13th day of part 186/.

PRESENT: In the Chair, N. M. Vesey Coop and afterwards I.a. Richards Coop
Other Guardians:

Messes Warren, Dinnions, Baker, Hawrett, Vinnions
Chaughna on tunn, B Brownigg & P. H. Nise,

Notices of Marriage between the parties hereunder named having been received from the District Registrar by the Clerk, were duly read at the Board this day, in accordance with the 15th section of the 7 & 8 Vic., c. 81.

The Workhouse Register was produced, examined, and authenticated, from No. 4/12 to No. 477 both inclusive, by the signature of the Chairman, and Counter-signature of the Clerk.

The Out-door Relief Register was produced, examined, and authenticated, from No. 402 2 to No. 402 2 both inclusive, by the signature of the Chairman and counter-signature of the Clerk.

The Clerk's Report on the execution of Orders previously made by the Board, was read to the following effect:

The Leger was produced by the Clerk, posted up to the last day of Meeting, with the proper Debits and Credits as ordered on that day.

The Treasurer's Book of Receipts and Payments was produced, by which it appeared, that there had been received during the week

Paid during the week

Paid during the week

And that the Balance on the Account in favorif the

£ 117. 13. 9 Guardians was

The Book was signed by the Chairman.

The weekly Balance-sheets of the several Collectors were laid before the Board, their accuracy having been first ascertained and authenticated by the Clerk.

The lodgments made of Rates collected in the several Electoral Divisions appear to have been as follows:—

| 1   | Name of each Collector | Electoral Division arranged in<br>Collectors' Districts. | Collected and<br>Lodged | Total   | Remaining | Total       |

COPY of MINUTES of Proceedings of the Board of Guardians, at a Meeting held on the Goth day of Christan afterwards S.a. R. PRESENT: In the Chair, Admiral Owen and afterwards S.a. R. Other Guardians: Vesen Guines . Wybrants, Runn

Notices of Marriage between the parties hereunder named having been received from the District Registrar by the Clerk, were duly read at the Board this day, in accordance with the 15th section of the 7 \( \frac{c}{2} \) 8 Vic., c. 81.

James Daly to Catheime Greene in Emissesthy 3 Mine, John Page to Christaine Rate Baulk do 1stime

The Workhouse Register was produced, examined, and authenticated, from No. 477 to No. 494, both inclusive, by the signature of the Chairman, and Counter-signature of the Clerk.

The Out-door Relief Register was produced, examined, and authenticated, from No. 4022 to No. 4022 to No. 4022 to No. 4022. both inclusive, by the signature of the Chairman and counter-signature of the Clerk.

The Clerk's Report on the execution of Orders previously made by the Board, was read to the following effect:-

The Leger was produced by the Clerk, posted up to the last day of Meeting, with the proper Debits and Credits as ordered on that day.

The Treasurer's Book of Receipts and Payments was produced, by which it appeared, that there had been received during the week - - - £

Paid during the week - - £ 97.13

And that the Balance on the Account in favor of the Guardians was - - - £ 909.17.0

The Book was signed by the Chairman.

The weekly Balance-sheets of the several Collectors were laid before the Board, their accuracy having been first ascertained and authenticated by the Clerk.

The lodgments made of Rates collected in the several Electoral Divisions appear to have been as follows:-

Electoral Division arranged in Collectors' Districts. Name of each Collector Total Total Remaining D. S. TOTALS

Note.—A total is to be inserted in Red Ink at the foot of each Collector's District, as well as for the entire Union.

Debit the Treasurer and Credit the several Electoral Divisions with the respective amounts lodged.

The Clerk's Account of petty Disbursements made by him since last Meeting amounting to was produced and passed.

The following Books were exhibited by the Clerk, he having first ascertained the accuracy of the entries made therein by the Master of the Workhouse, and authenticated the same by his signature:

- 1. The Weekly Relief List and Abstract
- 2. The Provision Check Accounts
- 3. The Provision Receipt and Consumption Account.

By which it appeared that the cost of Provisions and Necessaries received during the week was £ 27 s. 2 d. /0

Debit Provision Account, and Credit Invoice Account

The Cost of Provisions and Necessaries consumed was

Debit Maintenance Account, and Credit Provision Account -

And the general average Cost of an Inmate for the week was

Average cost in Informary,

Average cost in Fever Hospital,

The Master's estimate of Provisions and Necessaries required for the ensuing week was examined, and Orders were duly made for the several articles specified, namely:

239 Gallons of Inestmith 91 " Buf But 98 lbs of Years 112 " Sugar

The following Books were also produced by the Clerk, their accuracy having been previously ascertained by him, and authenticated by his Signature:—

- 1. The several Clothing Accounts.
- 2. The Medical Officers' Books.

The Out-door Relief Lists and Weekly Receipt and Expenditure Books of the several Relieving Officers were then produced by the Clerk, their accuracy having been previously ascertained by him and authenticated by his Signature.

The Abstract of the Out-door Relief Lists was also produced by the Clerk, having been duly entered up by him for the last week ended Saturday, the 13th day of 1861, whereby it appeared that in that week the Total Expenditure in Out-door Relief was

Total

In Money ...

In Kind, ... ...

... .. / . /6.

Credit each Relieving Officer, as per Receipt and Expenditure Book.

.53,

The requirements of each Relieving Officer for the ensuing week having been duly considered and estimated by the Board, checks on the Treasurer, and orders on Contractors were duly signed and delivered to each of them, of the following amounts and value, respectively:—

| RELIEF   | Name of           | By Check          | By order on Con         | ntractors, |                    | Name of           | By Check          | By order on Con      | itractors |

The Workhouse Register was produced, examined, and authenticated, from No. 504 to No. 5/6 both inclusive, by the signature of the Chairman, and Counter-signature of the Clerk.

The Out-door Relief Register was produced, examined, and authenticated, from No. 412 4 to No. 4026 both inclusive, by the signature of the Chairman and counter-signature of the Clerk.

The Clerk's Report on the execution of Orders previously made by the Board, was read to the following effect:-

The Leger was produced by the Clerk, posted up to the last day of Meeting, with the proper Debits and Credits as ordered on that day.

The Treasurer's Book of Receipts and Payments was produced, by which it appeared, that there had been received during the week

£ 2.8.6 £ 6-0-0

Paid during the week

And that the Balance on the Account in favor of the £895.18.8 Guardians was

The Book was signed by the Chairman.

The weekly Balance-sheets of the several Collectors were laid before the Board, their accuracy having been first ascertained and authenticated by the Clerk.

The lodgments made of Rates collected in the several Electoral Divisions appear to have been as follows:-

| Name of each Collector                | Electoral Division arranged in Collectors' Districts.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                          | Electoral Division arranged in Collected and Collectors' Districts. |     |      |            | otal |      | Ren  | main | ing |       | Total |   |

Nore.—A total is to be inserted in Red Inh at the foot of each Collector's District, as well as for the entire Union.

Debit the Treasurer and Credit the several Electoral Divisions with the respective amounts lodged.

The Clerk's Account of petty Disbursements made by him since last Meeting amounting to was produced and passed.

The following Books were exhibited by the Clerk, he having first ascertained the accuracy of the entries made therein by the Master of the Workhouse, and authenticated the same by his signature:

- 1. The Weekly Relief List and Abstract
- 2. The Provision Check Accounts
- 3. The Provision Receipt and Consumption Account.

By which it appeared that the cost of Provisions and Necessaries received during the week was £ 0 0 s. 12 d.

do

Debit Provision Account, and Credit Invoice Account

The Cost of Provisions and Necessaries consumed was

Debit Maintenance Account, and Credit Provision Account -

And the general average Cost of an Inmate for the week was

Average cost in Infirmary,

Average cost in Fever Hospital,

The Master's estimate of Provisions and Necessaries required for the ensuing week was examined, and Orders were duly made for the several articles specified, namely:

2362 Gallons of Sweetmill 72 Buttermill 18 lbs of Year 33 mutton 4 Beeves Heads— 24 lbs of Opt Carrles—

The following Books were also produced by the Clerk, their accuracy having been previously ascertained by him, and authenticated by his Signature:—

- 1. The several Clothing Accounts.
- 2. The Medical Officers' Books.

The Out-door Relief Lists and Weekly Receipt and Expenditure Books of the several Relieving Officers were then produced by the-Clerk, their accuracy having been previously ascertained by him and authenticated by his Signature.

The Abstract of the Out-door Relief Lists was also produced by the Clerk, having been duly entered up by him for the last week ended Saturday, the 27 day of April 1861, whereby it appeared that in that week the Total Expenditure in Out-door Relief was

Credit each Relieving Officer, as per Receipt and Expenditure Book.

The requirements of each Relieving Officer for the ensuing week having been duly considered and estimated by the Board, checks on the Treasurer, and orders on Contractors were duly signed and delivered to each of them, of the following amounts and value, respectively:—

| -                  |                              | By Check                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                       | By order on Co          | ntractors. |                              |                            | By Check             | By order on Co | ntractors |

COPY of MINUTES of Proceedings of the Board of Guardians, at a Meeting held on the day of May 186.

PRESENT: In the Chair, Claminal Owen J. P. Other Guardians: Messes Tinnions, Foley, Pinnions, Bates, Henry Morris, George & Otway & Por Law Mapleds, Cunness & Othoughnacy,

The Minutes of last Meeting were read and signed

Notices of Marriage between the parties hereunder named having been received from the District Registrar by the Clerk, were duly read at the Board this day, in accordance with the 15th section of the 7 § 8 Vic., c. 81.

Dainel Beancon to Main Learn, 1st temor

The Workhouse Register was produced, examined, and authenticated, from No. 516 to No. 340 both inclusive, by the signature of the Chairman, and Counter-signature of the Clerk.

The Out-door Relief Register was produced, examined, and authenticated, from No. 4026 to No. 4026 both inclusive, by the signature of the Chairman and counter-signature of the Clerk.

The Clerk's Report on the execution of Orders previously made by the Board, was read to the following effect :-

The Leger was produced by the Clerk, posted up to the last day of Meeting, with the proper Debits and Credits as ordered on that day.

The Treasurer's Book of Receipts and Payments was produced, by which it appeared, that there had been received during the week

Paid during the week

And that the Balance on the Account in from of, the

Guardians was

E 801 0 10

The Book was signed by the Chairman.

The weekly Balance-sheets of the several Collectors were laid before the Board, their accuracy having been first ascertained and authenticated by the Clerk.

The lodgments made of Rates collected in the several Electoral Divisions appear to have been as follows:-

| Name of each Collector                | Electoral Division arranged in<br>Collectors' Districts. | Collected and<br>Lodged | Total   | Remaining | Total  |

COPY of MINUTES of Proceedings of the Board of Guardians, at a Meeting held on
the 18th day of May1861.

PRESENT: In the Chair, Rear admiral owen I.P. and afterwards La. Richard Lagrill.
Other Guardians:
Messrs Pinnions, Wanen, Othoughnay. Punn. Immes.

Wybrants, Pranwill, Morris and Bates.

Notices of Marriage between the parties hereunder named having been received from the District Registrar by the Clerk, were duly read at the Board this day, in accordance with the 15th section of the 7 & 8 Vic., c. 81.

and Desanson to Many Leany 2nd time

The Workhouse Register was produced, examined, and authenticated, from No. 540 to No. 555 both inclusive, by the signature of the Chairman, and Counter-signature of the Clerk.

The Out-door Relief Register was produced, examined, and authenticated, from No. 4026\_ to No. 4027 both inclusive, by the signature of the Chairman and counter-signature of the Clerk.

The Clerk's Report on the execution of Orders previously made by the Board, was read to the following effect :-

The Leger was produced by the Clerk, posted up to the last day of Meeting, with the proper Debits and Credits as ordered on that day.

The Treasurer's Book of Receipts and Payments was produced, by which it appeared, that there had been received during the week

Paid during the week

favor of the £763 - 6 - 6 And that the Balance on the Account Guardians was

The Book was signed by the Chairman.

The weekly Balance-sheets of the several Collectors were laid before the Board, their accuracy having been first ascertained and authenticated by the Clerk.

The lodgments made of Rates collected in the several Electoral Divisions appear to have been as follows:-

| Name of each Collector                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                         | Electoral Division arranged in<br>Collectors' Districts.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                       | Colle      | Collected and<br>Lodged |      |         | Total |     |                    | alning |     | Total |   |

|                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                |                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                |            | -                       |      |         |       |     |                    | 100    |     |       |   |

Note.—A total is to be inserted in Red Ink at the foot of each Collector's District, as well as for the entire Union.

Debit the Treasurer and Credit the several Electoral Divisions with the respective amounts lodged.

The Clerk's Account of petty Disbursements made by him since last Meeting amounting to was produced and passed.

The following Books were exhibited by the Clerk, he having first ascertained the accuracy of the entries made therein by the Master of the Workhouse, and authenticated the same by his signature:

- 1. The Weekly Relief List and Abstract
- 2. The Provision Check Accounts
- 3. The Provision Receipt and Consumption Account.

By which it appeared that the cost of Provisions and Necessaries received during the week was £ 2 2 s. 2 d. //

The Master's estimate of Provisions and Necessaries required for the ensuing week was examined, and Orders were duly made for the several articles specified, namely:

2232 Gallons of Sweetmilk

96 lbs " Beef

33 "Mutton,

4 Beenes Heads.

288 op of Year

112 lbs of Lugar

12 Oogen Smell Potwne

12 Poster

The following Books were also produced by the Clerk, their accuracy having been previously ascertained by him, and authenticated by his Signature:—

- 1. The several Clothing Accounts.
- 2. The Medical Officers' Books.

The Out-door Relief Lists and Weekly Receipt and Expenditure Books of the several Relieving Officers were then produced by the Clerk, their accuracy having been previously ascertained by him and authenticated by his Signature.

The Abstract of the Out-door Relief Lists was also produced by the Clerk, having been duly entered up by him for the last week ended Saturday, the 1/ day of May 186/-, whereby it appeared that in that week the Total Expenditure in Out-door Relief was

 The requirements of each Relieving Officer for the ensuing week having been duly considered and estimated by the Board, checks on the Treasurer, and orders on Contractors were duly signed and delivered to each of them, of the following amounts and value, respectively:—

|                    |                              | By Check  | By order on Co          | ntractors, |                    |                              | By Check          | By order on Con      | itractors |

COPY of MINUTES of Proceedings of the Board of Guardians, at a Meeting held on

PRESENT: In the Chair,

In the Chair, M. John Wanen
Other Guardians:

Measur Simmons, Butter, Whanghmay, The Slegle,

I Mybrant

Lamil Dieamon to Mary Leary 3th time.

The Workhouse Register was produced, examined, and authenticated, from No. 555 to No. 563.
both inclusive, by the signature of the Chairman, and Counter-signature of the Glerk.

The Out-door Relief Register was produced, examined, and authenticated, from No. 4027 to No.2028, both inclusive, by the signature of the Chairman and counter-signature of the Clerk.

The Clerk's Report on the execution of Orders previously made by the Board, was read to the following effect :-

The Leger was produced by the Clerk, posted up to the last day of Meeting, with the proper Debits and Credits as ordered on that day.

The Treasurer's Book of Receipts and Payments was produced, by which it appeared, that there had been received during the week

Paid during the week

And that the Balance on the Account in favores

in favor the £ 735.16.6

The Book was signed by the Chairman.

Guardians was

The weekly Balance-sheets of the several Collectors were laid before the Board, their accuracy having been first ascertained and authenticated by the Clerk.

The lodgments made of Rates collected in the several Electoral Divisions appear to have been as follows:-

| Name of each Collector
