                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                             | 1918                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                           |          |        | 1   | 1/2    | 100    |      |       |        |     |              |       |

Note.—A total is to be inserted in Red Ink at the foot of each Collector's District, as well as for the entire Union.

Debit the Treasurer and Credit the several Electoral Divisions with the respective amounts lodged.

4

The Clerk's Account of petty Disbursements made by him since last Meeting amounting to was produced and passed.

The following Books were exhibited by the Clerk, he having first ascertained the accuracy of the entries made therein by the Master of the Workhouse, and authenticated the same by his signature:

- 1. The Weekly Relief List and Abstract
- 2. The Provision Check Accounts
- 3. The Provision Receipt and Consumption Account.

By which it appeared that the cost of Provisions and Necessaries received during the week was £ 34 s. 6 d./

The Master's estimate of Provisions and Necessaries required for the ensuing week was examined, and Orders were duly made for the several articles specified, namely:

205 Gallons of Intermill 104 lbs " Beef 37: " Mutton 12 Bottles of Wine 12 Pottles of Wine 12 Pottles of Wine 12 Pottles of Wine

The following Books were also produced by the Clerk, their accuracy having been previously ascertained by him, and authenticated by his Signature:—

- 1. The several Clothing Accounts.
- 2. The Medical Officers' Books.

The Out-door Relief Lists and Weekly Receipt and Expenditure Books of the several Relieving Officers were then produced by the Clerk, their accuracy having been previously ascertained by him and authenticated by his Signature.

The Abstract of the Out-door Relief Lists was also produced by the Clerk, having been duly entered up by him for the last week ended Saturday, the 27th day of Luly — 186/, whereby it appeared that in that week the Total Expenditure in Out-door Relief was

The requirements of each Relieving Officer for the ensuing week having been duly considered and estimated by the Board, checks on the Treasurer, and orders on Contractors were duly signed and delivered to each of them, of the following amounts and value, respectively:—

(Signed,)

. Clerk of the Union.

14 and 15 Vic. cap. 68. [No. 27]

MINUTES OF PROCEEDINGS OF THE BOARD OF GUARDIANS OF THE Government, UNION, on Saturday, the 10 th day of August 186/.—continued.

SUPPLEMENTAL SHEET-Medical Charities' Act, 14 & 15 Vic., cap. 68; and Nuisances Removal and Diseases Prevention Acts, 1848 & 1849

An Estimate of Medicines, &c., required by the Medical Officer of the

Dispensary District, approved by the Committee of Management, was laid before the Board, with a Requisition from
the Committee for the supply of the same, and directions were given thereon as follows:

An Invoice of Medicines forwarded by the Contractor, for the

Dispensary District, in pursuance of an Order of the Board in their Minutes of
having been received from him, the Clerk laud the Invoice before the Board, and (was directed to forward the same
or, reported that he had forwarded the same, as the case may be,) to the Medical Officer of the District, retaining a
Copy of the Invoice for the use of the Guardians.

On Application of the Committee of Management of the
Dispensary District, the following supplies of Books, Stationery Forms, or other Requisites, were ordered to be supplied:

The following Accounts of Expenses, (or statement of Salaries due, as the case may be,) under the Medical Charities' Act, were laid before the Board, and Directions were given for Payment thereof or such other directions as may be given:)

Dispensary, District.

| Account of Mr.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                 | for                                    | : Amount £                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                     |

Note.—A total is to be inserted in Red Ink at the foot of each Collector's District, as well as for the entire Union.

Debit the Treasurer and Credit the several Electoral Divisions with the respective amounts lodged.

The Clerk's Account of petty Disbursements made by him since last Meeting amounting to was produced and passed.

The following Books were exhibited by the Clerk, he having first ascertained the accuracy of the entries made therein by the Master of the Workhouse, and authenticated the same by his signature:

- 1. The Weekly Relief List and Abstract
- 2. The Provision Check Accounts
- 3. The Provision Receipt and Consumption Account.

By which it appeared that the cost of Provisions and Necessaries received during the week was £ /b s. /2 d. 3

The Master's estimate of Provisions and Necessaries required for the ensuing week was examined, and Orders were duly made for the several articles specified, namely:

The following Books were also produced by the Clerk, their accuracy having been previously ascertained by him, and authenticated by his Signature:—

- 1. The several Clothing Accounts.
- 2. The Medical Officers' Books.

The Out-door Relief Lists and Weekly Receipt and Expenditure Books of the several Relieving Officers were then produced by the Clerk, their accuracy having been previously ascertained by him and authenticated by his Signature.

The Abstract of the Out-door Relief Lists was also produced by the Clerk, having been duly entered up by him for the last week ended Saturday, the 10 day of Clurk - 185/, whereby it appeared that in that week the Total Expenditure in Out-door Relief was

 The requirements of each Relieving Officer for the ensuing week having been duly considered and estimated by the Board, checks on the Treasurer, and orders on Contractors were duly signed and delivered to each of them, of the following amounts and value, respectively:—

Nore.—A total is to be inserted in Red Ink at the foot of each Collector's District, as well as for the entire Union.

Debit the Treasurer and Credit the several Electoral Divisions with the respective amounts lodged.

The Clerk's Account of petty Disbursements made by him since last Meeting amounting to was produced and passed.

The following Books were exhibited by the Clerk, he having first ascertained the accuracy of the entries made therein by the Master of the Workhouse, and authenticated the same by his signature:

- 1. The Weekly Relief List and Abstract
- 2. The Provision Check Accounts
- 3. The Provision Receipt and Consumption Account.

By which it appeared that the cost of Provisions and Necessaries received during the week was £ 17 - 5 s. 10 d.

Debit Provision Account, and Credit Invoice Account

The Cost of Provisions and Necessaries consumed was

Debit Maintenance Account, and Credit Provision Account -

And the general average Cost of an Inmate for the week was

Average cost in Infirmary,

Average cost in Fever Hospital,

The Master's estimate of Provisions and Necessaries required for the ensuing week was examined, and Orders were duly made for the several articles specified, namely:

150 Sallons of Investmilk 59 " Buttermilk 99 Ibs " Beef 37 " Mutton 4 Beenes Seads

The following Books were also produced by the Clerk, their accuracy having been previously ascertained by him, and authenticated by his Signature:—

- 1. The several Clothing Accounts.
- 2. The Medical Officers' Books.

The Out-door Relief Lists and Weekly Receipt and Expenditure Books of the several Relieving Officers were then produced by the Clerk, their accuracy having been previously ascertained by him and authenticated by his Signature.

The Abstract of the Out-door Relief Lists was also produced by the Clerk, having been duly entered up by him for the last week ended Saturday, the 17th day of Quayer 1861, whereby it appeared that in that week the Total Expenditure in Out-door Relief was

Total

The requirements of each Relieving Officer for the ensuing week having been duly considered and estimated by the Board, checks on the Treasurer, and orders on Contractors were duly signed and delivered to each of them, of the following amounts and value, respectively:—

| Barren             | Name of           | By Check | By order on Co                          | ntractors       | -                            | Stone of         | By Check                | By order on Cor | ntractors |

Note.—A total is to be inserted in Red Ink at the foot of each Collector's District, as well as for the entire Union.

Debit the Treasurer and Credit the several Electoral Divisions with the respective amounts lodged.

1 350

The Clerk's Account of petty Disbursements made by him since last Meeting amounting to was produced and passed.

The following Books were exhibited by the Clerk, he having first ascertained the accuracy of the entries made therein by the Master of the Workhouse, and authenticated the same by his signature:

- 1. The Weekly Relief List and Abstract
- 2. The Provision Check Accounts
- 3. The Provision Receipt and Consumption Account.

By which it appeared that the cost of Provisions and Necessaries received during the week was £ 19 s. 1/d. Q\_

The Master's estimate of Provisions and Necessaries required for the ensuing week was examined, and Orders were duly made for the several articles specified, namely:

72 " Buttermille 90 lbs " Beef 37 " Mutton H Breves Heads 24 Small Bottles of Porter 4 lbs of Pepper,

The following Books were also produced by the Clerk, their accuracy having been previously ascertained by him, and authenticated by his Signature:—

- 1. The several Clothing Accounts.
- 2. The Medical Officers' Books.

The Out-door Relief Lists and Weekly Receipt and Expenditure Books of the several Relieving Officers were then produced by the Clerk, their accuracy having been previously ascertained by him and authenticated by his Signature.

The Abstract of the Out-door Relief Lists was also produced by the Clerk, having been duly entered up by him for the last week ended Saturday, the 24 day of Clugat 186/, whereby it appeared that in that week the Total Expenditure in Out-door Relief was

The requirements of each Relieving Officer for the ensuing week having been duly considered and estimated by the Board, checks on the Treasurer, and orders on Contractors were duly signed and delivered to each of them, of the following amounts and value, respectively:—

COPY of MINUTES of Proceedings of the Board of Guardians, at a Meeting held on Saturday the got day of Leftenher \_\_\_\_\_\_\_ 186/.

PRESENT: In the Chair,

Other Guardians:

Mesers Olanghnacy, Pinnions, Symes, Munn Roe, Scott, Warren, Pates, Binnions, Butter, V- John

The Minutes of last Meeting were read and signed. The Minutes of last Meeting were read and signed.

Notices of Marriage between the parties hereunder named having been received from the District
Registrar by the Clerk, were duly read at the Board this day, in accordance with the 15th section of
the 7 & 8 Vic., c. 81.

John Black to Many Sundelan 1st time in this Minon,

The Workhouse Register was produced, examined, and authenticated, from No. 67 4 to No. 680 both inclusive, by the signature of the Chairman, and Counter-signature of the Clerk.

The Out-door Relief Register was produced, examined, and authenticated, from No. 403/ to No. 403/ both inclusive, by the signature of the Chairman and counter-signature of the Clerk.

The Clerk's Report on the execution of Orders previously made by the Board, was read to the following effect:-

The Leger was produced by the Clerk, posted up to the last day of Meeting, with the proper Debits and Credits as ordered on that day.

The Treasurer's Book of Receipts and Payments was produced, by which it appeared, that there had been received during the week - - - £

Paid during the week - - £ 28 - 16

And that the Balance on the Account Quarter \_\_ the
Guardians was - - £ 149 4 4

The Book was signed by the Chairman.

The weekly Balance-sheets of the several Collectors were laid before the Board, their accuracy having been first ascertained and authenticated by the Clerk.

The lodgments made of Rates collected in the several Electoral Divisions appear to have been as follows:-

admirab onew J. P. Mesers Num & Manew

Notices of Marriage between the parties hereunder named having been received from the District Registrar by the Clerk, were duly read at the Board this day, in accordance with the 15th section of the 7 § 8 Vic., c. 81.

John Aunes to Ellew Byrne Pet time By Lincence \_\_\_

The Workhouse Register was produced, examined, and authenticated, from No. 680, to No. 691 both inclusive, by the signature of the Chairman, and Counter-signature of the Clerk.

The Out-door Relief Register was produced, examined, and authenticated, from No. 4031 to No. 4031 both inclusive, by the signature of the Chairman and counter-signature of the Clerk.

The Clerk's Report on the execution of Orders previously made by the Board, was read to the following effect :-

Riold Golli

The Leger was produced by the Clerk, posted up to the last day of Meeting, with the proper Debits and Credits as ordered on that day.

The Treasurer's Book of Receipts and Payments was produced, by which it appeared, that there had been received during the week - - - £

Paid during the week - - £ 81-14 —

And that the Balance on the Account against the Guardians was . - - £ 230\_ 18 \_ 11

The Book was signed by the Chairman.

The weekly Balance-sheets of the several Collectors were laid before the Board, their accuracy having been first ascertained and authenticated by the Clerk.

The lodgments made of Rates collected in the several Electoral Divisions appear to have been as follows:-

Nove.—A total is to be inserted in Red Ink at the foot of each Collector's District, as well as for the entire Union.

Debit the Treasurer and Credit the several Electoral Divisions with the respective amounts lodged.

The Clerk's Account of petty Disbursements made by him since last Meeting amounting to was produced and passed.

The following Books were exhibited by the Clerk, he having first ascertained the accuracy of the entries made therein by the Master of the Workhouse, and authenticated the same by his signature:

- 1. The Weekly Relief List and Abstract
- 2. The Provision Check Accounts

Average cost in Fever Hospital,

3. The Provision Receipt and Consumption Account.

By which it appeared that the cost of Provisions and Necessaries received during the week was £ 25 s. 8 d. 10

The Master's estimate of Provisions and Necessaries required for the ensuing week was examined, and Orders were duly made for the several articles specified, namely:

174 in Isallons of Insertmills
69 "Butterniells
39 lbs of Mutton - n76 " Beef
4 Beeves Kesds,—

The following Books were also produced by the Clerk, their accuracy having been previously ascertained by him, and authenticated by his Signature:—

- 1. The several Clothing Accounts.
- 2. The Medical Officers' Books.

The Out-door Relief Lists and Weekly Receipt and Expenditure Books of the several Relieving Officers were then produced by the Clerk, their accuracy having been previously ascertained by him and authenticated by his Signature.

The Abstract of the Out-door Relief Lists was also produced by the Clerk, having been duly entered up by him for the last week ended Saturday, the 'We day of left 186), whereby it appeared that in that week the Total Expenditure in Out-door Relief was
