Loseph Culbet to Maino Celetinghem 2 timo

The Workhouse Register was produced, examined, and authenticated, from No 59 '4 to No. 576 both inclusive, by the signature of the Chairman, and Counter-signature of the Clerk.

The Out-door Relief Register was produced, examined, and authenticated, from No. 228 to No. 281 both inclusive, by the signature of the Chairman and counter-signature of the Clerk.

The Clerk's Report on the execution of Orders previously made by the Board, was read to the following effect:-

The Leger was produced by the Clerk, posted up to the last day of Meeting, with the proper Debits and Credits as ordered on that day.

The Treasurer's Book of Receipts and Payments was produced, by which it appeared, that there had been received during the week

Paid during the week

And that the Balance on the Account in factor of the second suardians was

Let 560, 1, 8 Guardians was

The Book was signed by the Chairman.

The weekly Balance-sheets of the several Collectors were laid before the Board, their accuracy having been first ascertained and authenticated by the Clerk.

The lodgments made of Rates collected in the several Electoral Divisions appear to have been as follows:-

| Name of each Collector | Electoral Division arranged in<br>Collectors' Districts.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                       | Collected and<br>Lodged | Total              | Remaining           | Total                |  |  |

Note.—A total is to be inserted in Red Ink at the foot of each Collector's District, as well as for the entire Union.

Debit the Treasurer and Credit the several Electoral Divisions with the respective amounts lodged.

4160,

The Clerk's Account of petty Disbursements made by him since last Meeting amounting to was produced and passed.

The following Books were exhibited by the Clerk, he having first ascertained the accuracy of the entries made therein by the Master of the Workhouse, and authenticated the same by his signature:

- 1. The Weekly Relief List and Abstract
- 2. The Provision Check Accounts
- 3. The Provision Receipt and Consumption Account.

By which it appeared that the cost of Provisions and Necessaries received during the week was £ 29 - 5 s. 5 d.

The Master's estimate of Provisions and Necessaries required for the ensuing week was examined, and Orders were duly made for the several articles specified, namely:

209's Gallons of Sweetmilk 102 " Suffermilk 100 lbs " Beef 33 " Phutton 18 lbs of Tea 5 Cest of Insiamed 20 tons " Coal

The following Books were also produced by the Clerk, their accuracy having been previously ascertained by him, and authenticated by his Signature:—

- 1. The several Clothing Accounts.
- 2. The Medical Officers' Books.

The Out-door Relief Lists and Weekly Receipt and Expenditure Books of the several Relieving Officers were then produced by the Clerk, their accuracy having been previously ascertained by him and authenticated by his Signature.

The Abstract of the Out-door Relief Lists was also produced by the Clerk, having been duly entered up by him for the last week ended Saturday, the day of line 18 of, whereby it appeared that in that week the Total Expenditure in Out-door Relief was

The requirements of each Relieving Officer for the ensuing week having been duly considered and estimated by the Board, checks on the Treasurer, and orders on Contractors were duly signed and delivered to each of them, of the following amounts and value, respectively:—

| or to be the       |                              | By Check           | By order on Con         | atractors. |                    |                              | By Check                   | By order on Contractors |       |  |  |

Report of the Building of last Week)

Report of the Building of last Week)

The Universignes members of the Labor Committee report that they have found the Locks, Kep Je; in go so repair and the Cocks, pipes to in totenable working o ver but come of the Latter patched in an untradeamen like way. They recommend that the plumber's work should not be Contracted for by the year, but executed whenever regimes, by a profession workman.

Norg. - A total is to be inserted in Red Ink at the foot of each Collector's District, as well as for the entire Union. Debit the Treasurer and Credit the several Electoral Divisions with the respective amounts lodged.

The Clerk's Account of petty Disbursements made by him since last Meeting amounting to was produced and passed.

The following Books were exhibited by the Clerk, he having first ascertained the accuracy of the entries made therein by the Master of the Workhouse, and authenticated the same by his signature:

- 1. The Weekly Relief List and Abstract
- 2. The Provision Check Accounts
- 3. The Provision Receipt and Consumption Account.

By which it appeared that the cost of Provisions and Necessaries received during the week was £ 19 s. 17 d. 8

Debit Provision Account, and Credit Invoice Account The Cost of Provisions and Necessaries consumed was -

27-11-7

Debit Maintenance Account, and Credit Provision Account .

2=02

And the general average Cost of an Inmate for the week was Average cost in Infirmary,

1 = 4 4

Average cost in Fever Hospital,

3 -8

The Master's estimate of Provisions and Necessaries required for the ensuing week was examined, and Orders were duly made for the several articles specified, namely:

203 Galeons of Investmenth,
108 lbs . Beel
33 " mutton
4 Beenas Heads
24 lbs of Mours Canala
24 " Dift do
150 Hous of Carala

The following Books were also produced by the Clerk, their accuracy having been previously ascertained by him, and authenticated by his Signature:—

- 1. The several Clothing Accounts.
- 2. The Medical Officers' Books.

The Out-door Relief Lists and Weekly Receipt and Expenditure Books of the several Relieving Officers were then produced by the Clerk, their accuracy having been previously ascertained by him and authenticated by his Signature.

The Abstract of the Out-door Relief Lists was also produced by the Clerk, having been duly entered up by him for the last week ended Saturday, the Haday of Line 1861, whereby it appeared that in that week the Total Expenditure in Out-door Relief was

 The requirements of each Relieving Officer for the ensuing week having been duly considered and estimated by the Board, checks on the Treasurer, and orders on Contractors were duly signed and delivered to each of them, of the following amounts and value, respectively:—

PRESENT: In the Chair,

COPY of MINUTES of Proceedings of the Board of Guardians, at a Meeting held on the 92 day of fune 186/.\_

ENT: In the Chair, Vor Bates Centre

Other Guardians:

Messis Chaughney & Binnions

Notices of Marriage between the parties hereunder named having been received from the District Registrar by the Clerk, were duly read at the Board this day, in accordance with the 15th section of the 7 & 8 Vic., c. 81.

Nicholas Bufly to Briget Commen 2nd time (Termiscorthy Muin)

The Workhouse Register was produced, examined, and authenticated, from No. 589 to No. 596 both inclusive, by the signature of the Chairman, and Counter-signature of the Clerk.

The Out-door Relief Register was produced, examined, and authenticated, from No. 4129 to No. 4129 both inclusive, by the signature of the Chairman and counter-signature of the Clerk.

The Clerk's Report on the execution of Orders previously made by the Board, was read to the following effect :-

The Leger was produced by the Clerk, posted up to the last day of Meeting, with the proper Debits and Credits as ordered on that day.

The Treasurer's Book of Receipts and Payments was produced, by which it appeared, that there had been received during the week

Paid during the week

And that the Balance on the Account in favor of the uardians was

\$ 478.13.1. Guardians was

The Book was signed by the Chairman.

The weekly Balance-sheets of the several Collectors were laid before the Board, their accuracy having been first ascertained and authenticated by the Clerk.

2

The lodgments made of Rates collected in the several Electoral Divisions appear to have been as follows:-

| Name of each Collector | Electoral Division arranged in Collectors' Districts.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                            |        | 1      |                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                |                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                |      | 1.5 | 1959  |         |    |       | 1        | -        |

Note.—A total is to be inserted in Red Ink at the foot of each Collector's District, as well as for the entire Union.

Debit the Treasurer and Credit the several Electoral Divisions with the respective amounts lodged,

The Clerk's Account of petty Disbursements made by him since last Meeting amounting to £ was produced and passed.

The following Books were exhibited by the Clerk, he having first ascertained the accuracy of the entries made therein by the Master of the Workhouse, and authenticated the same by his signature:

- 1. The Weekly Relief List and Abstract
- 2. The Provision Check Accounts
- 3. The Provision Receipt and Consumption Account.

By which it appeared that the cost of Provisions and Necessaries received during the week was £ 32 s. 0 d. 8

Debit Provision Account, and Credit Invoice Account

The Cost of Provisions and Necessaries consumed was

Debit Maintenance Account, and Credit Provision Account -

And the general average Cost of an Inmate for the week was

Average cost in Infirmary,

Average cost in Fever Hospital,

The Master's estimate of Provisions and Necessaries required for the ensuing week was examined,

and Orders were duly made for the several articles specified, namely:

The following Books were also produced by the Clerk, their accuracy having been previously ascertained by him, and authenticated by his Signature:-

- 1. The several Clothing Accounts.
- 2. The Medical Officers' Books.

The Out-door Relief Lists and Weekly Receipt and Expenditure Books of the several Relieving Officers were then produced by the Clerk, their accuracy having been previously ascertained by him and authenticated by his Signature.

The Abstract of the Out-door Relief Lists was also produced by the Clerk, having been duly entered up by him for the last week ended Saturday, the 15 hay of whereby it appeared that in that week the Total Expenditure in Out-door Relief was

In Money ... In Kind, ...

The requirements of each Relieving Officer for the ensuing week having been duly considered and estimated by the Board, checks on the Treasurer, and orders on Contractors were duly signed and delivered to each of them, of the following amounts and value, respectively:—

| RELIEP   | Name of           | By Check<br>on | By order on Co.      | ntractors.    |                    |                              | By Check        | By order on Cor         | itractors |

| ONION.                 |                                                          |                      |         |           |        |  |
| C                      |                                                          |                      |         |           |        |  |
|                        |                                                          |                      |         |           |        |  |

Note.—A total is to be inserted in Red Ink at the foot of each Collector's District, as well as for the entire Union.

Debit the Treasurer and Credit the several Electoral Divisions with the respective amounts lodged.

206

The Clerk's Account of petty Disbursements made by him since last Meeting amounting to was produced and passed.

The following Books were exhibited by the Clerk, he having first ascertained the accuracy of the entries made therein by the Master of the Workhouse, and authenticated the same by his signature:

- 1. The Weekly Relief List and Abstract
- 2. The Provision Check Accounts
- 3. The Provision Receipt and Consumption Account.

By which it appeared that the cost of Provisions and Necessaries received during the week was £ 20 ... 148. 5d.

Debit Provision Account, and Credit Invoice Account

The Cost of Provisions and Necessaries consumed was

Debit Maintenance Account, and Credit Provision Account -

And the general average Cost of an Inmate for the week was

Average cost in Infirmary,

Average cost in Fever Hospital,

The Master's estimate of Provisions and Necessaries required for the ensuing week was examined,

and Orders were duly made for the several articles specified, namely:

235 Isallow of Sweetmill.

Buttermille.

But

The following Books were also produced by the Clerk, their accuracy having been previously ascertained by him, and authenticated by his Signature:—

- 1. The several Clothing Accounts.
- 2. The Medical Officers' Books.

The Out-door Relief Lists and Weekly Receipt and Expenditure Books of the several Relieving Officers were then produced by the Clerk, their accuracy having been previously ascertained by him and authenticated by his Signature.

The Abstract of the Out-door Relief Lists was also produced by the Clerk, having been duly entered up by him for the last week ended Saturday, the 22 day of fine 1861, whereby it appeared that in that week the Total Expenditure in Out-door Relief was

In Money ... 2 . 0 . 52

In Kind, ... ... 2 . 0 . 62

300

The requirements of each Relieving Officer for the ensuing week having been duly considered and estimated by the Board, checks on the Treasurer, and orders on Contractors were dul signed and delivered to each of them, of the following amounts and value, respectively:—

Note.—A total is to be inserted in Red Ink at the foot of each Collector's District, as well as for the entire Union.

Debit the Treasurer and Credit the several Electoral Divisions with the respective amounts lodged.

The Clerk's Account of petty Disbursements made by him since last Meeting amounting to was produced and passed.

The following Books were exhibited by the Clerk, he having first ascertained the accuracy of the entries made therein by the Master of the Workhouse, and authenticated the same by his signature:

- 1. The Weekly Relief List and Abstract
- 2. The Provision Check Accounts
- 3. The Provision Receipt and Consumption Account.

By which it appeared that the cost of Provisions and Necessaries received during the week was £

Debit Provision Account, and Credit Invoice Account The Cost of Provisions and Necessaries consumed was -

Average cost in Fever Hospital,

Debit Maintenance Account, and Credit Provision Account -And the general average Cost of an Inmate for the week was Average cost in Infirmary,

The Master's estimate, of Provisions and Necessaries required for the ensuing week was examined, and Orders were duly made for the several articles specified, namely:

The following Books were also produced by the Clerk, their accuracy having been previously ascertained by him, and authenticated by his Signature:-

- 1. The several Clothing Accounts.
- 2. The Medical Officers' Books.

The Out-door Relief Lists and Weekly Receipt and Expenditure Books of the several Relieving Officers were then produced by the Clerk, their accuracy having been previously ascertained by him and authenticated by his Signature.

The Abstract of the Out-door Relief Lists was also produced by the Clerk, having been duly entered up by him for the last week ended Saturday, the 20 day of whereby it appeared that in that week the Total Expenditure in Out-door Relief was

In Money ... In Kind, Total

Credit each Relieving Officer, as per Receipt and Expenditure Book. ,

The requirements of each Relieving Officer for the ensuing week having been duly considered and estimated by the Board, checks on the Treasurer, and orders on Contractors were duly signed and delivered to each of them, of the following amounts and value, respectively:—

COPY of MINUTES of Proceedings of the Board of Guardians, at a Meeting held on the 13th day of Inly 1861. Il. 3.V. b.

ENT: In the Chair, We Vesey Eign Il. am afterwards Lolomon A Aichard Coepe

PRESENT: In the Chair, Other Guardians:

Messes Wanen, Joley , Fanning, Othanghnay. Vates, Symes + John George M. P.

Notices of Marriage between the parties hereunder named having been received from the District Registrar by the Clerk, were duly read at the Board this day, in accordance with the 15th section of the 7 § 8 Vic., c. 81.

The Workhouse Register was produced, examined, and authenticated, from No. 601 to No. 615 both inclusive, by the signature of the Chairman, and Counter-signature of the Clerk.

The Out-door Relief Register was produced, examined, and authenticated, from No. 4050- to No. 2050 \_ both inclusive, by the signature of the Chairman and counter-signature of the Clerk.

The Clerk's Report on the execution of Orders previously made by the Board, was read to the following effect:-

The Leger was produced by the Clerk, posted up to the last day of Meeting, with the proper Debits and Credits as ordered on that day.

The Treasurer's Book of Receipts and Payments was produced, by which it appeared, that there had been received during the week - - £

Paid during the week

And that the Balance on the Account in form of the

And that the Balance on the Account in form of the Guardians was - - £ 134.2.6

The Book was signed by the Chairman.

The weekly Balance-sheets of the several Collectors were laid before the Board, their accuracy having been first ascertained and authenticated by the Clerk.

| Name of each Collector                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                         | Electoral Division arranged in<br>Collectors' Districts.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                       | Collec      | Collected and<br>Lodged |    |          |     | Total |          |     | g  | Total |     |   |

Note.—A total is to be inserted in Red Ink at the foot of each Collector's District, as well as for the entire Union.

Debit the Treasurer and Credit the several Electoral Divisions with the respective amounts lodged.

The Clerk's Account of petty Disbursements made by him since last Meeting amounting to £ was produced and passed.

The following Books were exhibited by the Clerk, he having first ascertained the accuracy of the entries made therein by the Master of the Workhouse, and authenticated the same by his signature:

- 1. The Weekly Relief List and Abstract
- 2. The Provision Check Accounts
- 3. The Provision Receipt and Consumption Account.

By which it appeared that the cost of Provisions and Necessaries received during the week was £//5 - 6 s. 5 d.

The Master's estimate of Provisions and Necessaries required for the ensuing week was examined, and Orders were duly made for the several articles specified, namely:

Received of the Radies in

The following Books were also produced by the Clerk, their accuracy having been previously ascertained by him, and authenticated by his Signature:—

- 1. The several Clothing Accounts.
- 2. The Medical Officers' Books.

The Out-door Relief Lists and Weekly Receipt and Expenditure Books of the several Relieving Officers were then produced by the Clerk, their accuracy having been previously ascertained by him and authenticated by his Signature.

The Abstract of the Out-door Relief Lists was also produced by the Clerk, having been duly entered up by him for the last week ended Saturday, the 6th day of Lely 1861, whereby it appeared that in that week the Total Expenditure in Out-door Relief was

 The requirements of each Relieving Officer for the ensuing week having been duly considered and estimated by the Board, checks on the Treasurer, and orders on Contractors were duly signed and delivered to each of them, of the following amounts and value, respectively:—

COPY of MINUTES of Proceedings of the Board of Guardians, at a Meeting held on the 20th day of Luly \_\_\_\_\_\_ 1861.

PRESENT: In the Chair, Carl of Courtown Clairman

Mesers A. S. Dogme J. P. V.b. d.d Richard S. D. D. V.C.

John George M.P. Admiral Oven J.P. White J.P. Wanen, Pinnions,

Finnions, Fanning. Barker y. Dogle, Othenghnay. It. Dogle, Dar! denne,

The Minutes of last Meeting were read and signed.

And Mitt Rose, Dover, Roe, Bollon, Ast IP. Borbiago, Morris, Farrett, Symes Goley, Butter Cranwill Munn & Bates, 4

Notices of Marriage between the parties hereunder named having been received from the District Registrar by the Clerk, were duly read at the Board this day, in accordance with the 15th section of the 7 & 8 Vic., c. 81.

The Workhouse Register was produced, examined, and authenticated, from No. 615 to No. 623 both inclusive, by the signature of the Chairman, and Counter-signature of the Clerk.

The Out-door Relief Register was produced, examined, and authenticated, from No. 11030 to No. 11030 both inclusive, by the signature of the Chairman and counter-signature of the Clerk.

The Clerk's Report on the execution of Orders previously made by the Board, was read to the following effect:

The Leger was produced by the Clerk, posted up to the last day of Meeting, with the proper Debits and Credits as ordered on that day.

The Treasurer's Book of Receipts and Payments was produced, by which it appeared, that there had been received during the week

Paid during the week And that the Balance on the Account in for of the

Guardians was

The Book was signed by the Chairman.

The weekly Balance-sheets of the several Collectors were laid before the Board, their accuracy having been first ascertained and authenticated by the Clerk.

                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                           |

On Application of the Committee of Management of the

Dispensary District, the following supplies of Books. Stationery Forms, or other Requisites, were ordered to be supplied:

having been received from him, the Clerk laid the Invoice before the Board, and (was directed to forward the same or, reported that he had forwarded the same, as the case may be,) to the Medical Officer of the District, retaining a

Copy of the Invoice for the use of the Guardians.

The following Accounts of Expenses, (or statement of Salaries due, as the case may be,) under the Medical Charities' Act, were laid before the Board, and Directions were given for Payment thereof or such other directions as may be given:)

|                                                                                                              | Dispensary, District.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                          |

COPY of MINUTES of Proceedings of the Board of Guardians, at a Meeting held on the 27th day of Laly \_\_\_\_\_\_ 186/.

PRESENT: In the Chair, Other Guardians: Wom Wybrants legg,

Misers Gimens, Manen, Shanghnaey, Runn and Cranwill \_

2684

Notices of Marriage between the parties hereunder named having been received from the District Registrar by the Clerk, were duly read at the Board this day, in accordance with the 15th section of the 7 & 8 Vic., c. 81.

The Workhouse Register was produced, examined, and authenticated, from No. 623 \_ to No. 61/\_
both inclusive, by the signature of the Chairman, and Counter-signature of the Clerk.

The Out-door Relief Register was produced, examined, and authenticated, from No. 4038 to No. 4030 \_ both inclusive, by the signature of the Chairman and counter-signature of the Clerk.

The Clerk's Report on the execution of Orders previously made by the Board, was read to the following effect :-

The Leger was produced by the Clerk, posted up to the last day of Meeting, with the proper Debits and Credits as ordered on that day.

The Treasurer's Book of Receipts and Payments was produced, by which it appeared, that there had been received during the week - - - £

Paid during the week - - £ 9 - 5 = 2

And that the Balance on the Account the

The Book was signed by the Chairman.

The weekly Balance-sheets of the several Collectors were laid before the Board, their accuracy having been first ascertained and authenticated by the Clerk.

The lodgments made of Rates collected in the several Electoral Divisions appear to have been as follows:-

| Name of each Collector       | Electoral Division arranged in<br>Collectors' Districts.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                       | Collected and<br>Lodged | 1 Total    | Remaining | Total      |

Note.—A total is to be inserted in Red Ink at the foot of each Collector's District, as well as for the entire Union.

Debit the Treasurer and Credit the several Electoral Divisions with the respective amounts lodged.

The Clerk's Account of petty Disbursements made by him since last Meeting amounting to was produced and passed.

The following Books were exhibited by the Clerk, he having first ascertained the accuracy of the entries made therein by the Master of the Workhouse, and authenticated the same by his signature:

- 1. The Weekly Relief List and Abstract
- 2. The Provision Check Accounts
- 3. The Provision Receipt and Consumption Account.

By which it appeared that the cost of Provisions and Necessaries received during the week was £ 20 s. 14 d. 7\_\_\_\_

The Master's estimate of Provisions and Necessaries required for the ensuing week was examined, and Orders were duly made for the several articles specified, namely:

| 2082 | Gallons of | I Sweet | milk      |  |

The following Books were also produced by the Clerk, their accuracy having been previously ascertained by him, and authenticated by his Signature:—

- 1. The several Clothing Accounts.
- 2. The Medical Officers' Books.

The Out-door Relief Lists and Weekly Receipt and Expenditure Books of the several Relieving Officers were then produced by the Clerk, their accuracy having been previously ascertained by him and authenticated by his Signature.

The Abstract of the Out-door Relief Lists was also produced by the Clerk, having been duly entered up by him for the last week ended Saturday, the 20 day of Luly 18 Col, whereby it appeared that in that week the Total Expenditure in Out-door Relief was

 The requirements of each Relieving Officer for the ensuing week having been duly considered and estimated by the Board, checks on the Treasurer, and orders on Contractors were duly signed and delivered to each of them, of the following amounts and value, respectively:—

| RELIEP Name of | By Check By order on Contractors,    |                      | Denver         |                    | By Check                     | By order on Contractors |                      |               |     |

COPY of MINUTES of Proceedings of the Board of Guardians, at a Meeting held on the 3 day of August \_\_\_\_ 186/.

ENT: In the Chair, I. N. Nunn Esquire

PRESENT: In the Chair,

Other Guardians:

Mesers, Warren, Butter, Foley, Cranwill, Binmons, The Doyle, Charghnay, & Symes.

284

Notices of Marriage between the parties hereunder named having been received from the District Registrar by the Clerk, were duly read at the Board this day, in accordance with the 15th section of the 7 § 8 Vio., c. 81.

The Workhouse Register was produced, examined, and authenticated, from No. 53/ to No. 638
both inclusive, by the signature of the Chairman, and Counter-signature of the Clerk.

The Out-door Relief Register was produced, examined, and authenticated, from No. 4030 to No. 4030 both inclusive, by the signature of the Chairman and counter-signature of the Clerk.

The Clerk's Report on the execution of Orders previously made by the Board, was read to the following effect:-

The Leger was produced by the Clerk, posted up to the last day of Meeting, with the proper Debits and Credits as ordered on that day.

The Treasurer's Book of Receipts and Payments was produced, by which it appeared, that there had been received during the week

Paid during the week

And that the Balance on the Account

Guardians was

- £ /6 \_\_\_ /2 \_\_ 8

The Book was signed by the Chairman.

The weekly Balance-sheets of the several Collectors were laid before the Board, their accuracy having been first ascertained and authenticated by the Clerk.
